Dress, Adornment, and the Body in the Hebrew Bible Laura Quick, 2021-02-09 Dress Adornment and the Body in the Hebrew Bible is the first monograph to treat dress and adornment in biblical literature in the English language It moves beyond a description of these aspects of ancient life to encompass notions of interpersonal relationships and personhood that underpin practices of dress and adornment Laura Quick explores the ramifications of body adornment in the biblical world informed by a methodologically plural approach incorporating material culture alongside philology textual exegesis comparative evidence and sociological models Drawing upon and synthesizing insights from material culture and texts from across the eastern Mediterranean the volume reconstructs the social meanings attached to the dressed body in biblical texts It shows how body adornment can deepen understanding of attitudes towards the self in the ancient world In Quick s reconstruction of ancient performances of the self the body serves as the observed centre in which complex ideologies of identity gender sexuality ethnicity and social status are articulated The adornment of the body is thus an effective means of non verbal communication but one which at the same time is controlled by and dictated through normative social values Exploring dress adornment and the body can therefore open up hitherto unexplored perspectives on these social values in the ancient world an essential missing piece in understanding the social and cultural world which shaped the Hebrew Bible

Private Life in New Kingdom Egypt Lynn Meskell, 2018-06-05 Much of the literature on ancient Egypt centers on pharaohs or on elite conceptions of the afterlife This scintillating book examines how ordinary ancient Egyptians lived their lives Drawing on the

remarkably rich and detailed archaeological iconographic and textual evidence from some 450 years of the New Kingdom as well as recent theoretical innovations from several fields it reconstructs private and social life from birth to death The result is a meaningful portrait composed of individual biographies communities and landscapes Structured according to the cycles of life the book relies on categories that the ancient Egyptians themselves used to make sense of their lives Lynn Meskell gracefully sifts the evidence to reveal Egyptian domestic arrangements social and family dynamics sexuality emotional experience and attitudes toward the cadences of human life She discusses how the Egyptians of the New Kingdom constituted and experienced self kinship life stages reproduction and social organization And she examines their creation of communities and the material conditions in which they lived Also included is neglected information on the formation of locality and the construction of gender and sexual identity and new evidence from the mortuary record including important new data on the burial of children Throughout Meskell is careful to highlight differences among ancient Egyptians the ways for instance that ethnicity marital status age gender and occupation patterned their experiences Readers will come away from this book with new insights on how life may have been experienced and conceived of by ancient Egyptians in all their variety This makes *Private Life in New Kingdom Egypt* unique in Egyptology and fascinating to read *The Dictionary of Magic and Mystery* Melusine Draco,2012-04-16 Every good reference book is both a product and a reflection of its time The Dictionary of Magic Mystery is not just another compendium or dictionary of occultism it is a jumping off point for further research Here the reader will find the ancient and modern interpretation for magical and mystical terms together with explanations for the differences between the varied and often conflicting approaches to magic **Body as Landscape, Love as Intoxication** Brian P. Gault,2019-09-13 Explore metaphors in the exquisite and enigmatic poetry of Song of Songs One of the chief difficulties in interpreting the Song s lyrics is the unusual imagery used to depict the lovers bodies Why is the maiden s hair compared to a flock of goats 4 1 the man s cheeks likened to garden beds of spice 5 13 and the eyes of both lovers described as doves 4 1 5 12 While scholars speculate on the significance of these images a systematic inquiry into the Song s body metaphors is curiously absent Based on insights from cognitive linguistics this study incorporates biblical and comparative data to uncover the meaning of these metaphors surveying literature in the eastern Mediterranean and beyond that shares a similar form poetry and theme love Gault presents an interpretation of the Song s body imagery that sheds light on the perception of beauty in Israel and its relationship to surrounding cultures Features Exploration of the Song s use of universal themes and culturally specific variations Discussion of the Song s literary structure and unity **Egyptian Cultural Icons in Midrash** Rivka Ulmer,2009-12-15 Rabbinic midrash included Egyptian religious concepts These textual images are compared to Egyptian culture Midrash is analyzed from a cross cultural perspective utilizing insights from the discipline of Egyptology Egyptian textual icons in rabbinic texts are analyzed in their Egyptian context Rabbinic knowledge concerning Egypt included Alexandrian teachers are mentioned in rabbinic texts Rabbis traveled to Alexandria Alexandrian

Life-Writes Suzanne Ruthven, 2012-05-16 The second most common question a writer is asked is where do your ideas come from The first is Do you make any money from it Experienced writers don't go looking for ideas ideas come to them An experienced writer just has the knack of spotting what makes a good story or what will make a good story once it's been given the right spin because none of us if we're honest will let reality get in the way of a saleable piece of work Editors are looking for an element of action drama or surprise even in non fiction It's what catches their attention and makes them pause to read further and the key to any editor's heart is originality Not necessarily a new departure in style or genre but a refreshing and original slant on a popular theme Life Writes helps you to find and develop ideas with editor appeal

Theory of the Image Thomas

Nail,2019 We live in an age of the mobile image The world today is absolutely saturated with images of all kinds circulating around the world at an incredible rate The movement of the image has never been more extraordinary than it is today This recent kinetic revolution of the image has enormous consequences not only for the way we think about contemporary art and aesthetics but also for art history as well Responding to this historical moment Theory of the Image offers a fresh new theory and history of art from the perspective of this epoch defining mobility The image has been understood in many ways but it is rarely understood to be fundamentally in motion The original and materialist approach is what defines Theory of the Image and what allows it to offer the first kinetic history of the Western art tradition In this book Thomas Nail further develops his larger philosophy of movement into a comprehensive kinesthetic of the moving image from prehistory to the present The book concludes with a vivid analysis of the contemporary digital image and its hybridity ultimately outlining new territory for research and exploration across aesthetics art history cultural theory and media studies Practicing Gnosis April

DeConick,Gregory Shaw,John D. Turner,2013-08-22 Ritual magic liturgy and theurgy were central features of Gnosticism and yet Gnostic practices remain understudied This anthology is meant to fill in this gap and address more fully what the ancient Gnostics were doing While previously we have studied the Gnostics as intellectuals in pursuit of metaphysical knowledge the essays in this book attempt to understand the Gnostics as ecstasies striving after religious experience as prophets seeking revelation as mystics questing after the ultimate God as healers attempting to care for the sick and diseased These essays demonstrate that the Gnostics were not necessarily trendy intellectuals seeking epistemological certainties They were after religious experiences that relied on practices The book is organized comparatively in a history of religions approach with sections devoted to Initiatory Recurrent Therapeutic Ecstatic and Philosophic Practices This book celebrates the brilliant career of Birger A Pearson **Aromatherapy** Vicki Pitman,2004 Written for students of aromatherapy this book contains in depth detail on the characteristics chemistry sourcing and application of essential oils
