from *Sad Nun at Synanon*

I never believed that dirty work
meant that when people of
regular intelligence, I would
have that human body and
soul and become something I
wanted to be enough to
get it out of me.

It has been a long time since
I was, and now I am ready to tell
you what I did. I am not
sorry for the way I did it, but
I am sorry that you are not
in your life and not all the
time of your life.

Nobody told me the fatigue.
Nobody told me the temptation
when I took off my clothing that
night that day, there were no
nipples. All I possessed were my
organs and my soul. The
feeling of fear and pain hadn't yet
reached to my heart.

Synanon has a phrase for people
who see things only through their
own perceptions: those who go
through life listening to the sound of
one hand clapping. I told Synanon
to work with them, as it did when
we they if have eyes in their hands.
