## **PERSONAL COUNSELING SKILLS:**

**An Integrative Approach. (Rev. 1st Ed.)** Kathryn Geldard, David Geldard, 2008 This revised first edition is a comprehensive easy to read introduction to personal counseling written for professional and volunteer counselors and those who train them A major new addition to the book making it particularly attractive to those who train counselors is the inclusion of training group exercises for all skills chapters After reading a particular chapter the exercises relating to that chapter in part VI of the book can be used by trainers to greatly enhance the learning process These exercises have been found to be popular with both students and those teaching them The chapters describing basic and more advanced counseling skills are arranged in a sequence that is particularly suitable when teaching student counselors to learn and practice using these skills for the first time The authors adopt an integrative approach that allows the reader to learn understand and use skills taken from major counseling approaches and to integrate these into a sequential process that maximizes the possibility of facilitating change in clients Of considerable value for new counselors are those sections of the book that describe the fundamental principles of the counseling relationship and explain the theories of change applicable to the various approaches to counseling Unique features include a highly practical integrative approach discussion of the specific skills required for success practical suggestions on ways to learn and develop new skills an understanding of the role of a counselor s supervisor information on practical issues such as keeping records arrangement of the counseling room and ways to look after yourself as a counselor plus practical information on issues of confidentiality and professional ethics The text will serve as a valuable resource for workers in a wide variety of helping professions where counseling skills are useful such as psychology social work welfare work medicine nursing human services and education

**Dust in the Blood** Jessica Coblentz, 2022-01-15 Dust in the Blood considers the harrowing realities of life with depression from a Christian theological perspective In conversation with popular Christian theologies of depression that justify why this suffering exists and prescribe how people ought to relate to it Coblentz offers another Christian approach to this condition she reflects on depression as a wilderness experience Weaving first person narratives of depression contemporary theologies of suffering and ancient biblical tales of the wilderness especially the story of Hagar Coblentz argues for and contributes to an expansion of Christian ideas about what depression is how God relates to it and how Christians should understand and respond to depression in turn
