Samuel Johnson A Collection Of Critical Essays:

Samuel Johnson Donald J. Greene, 1985 *Samuel Johnson* S. Johnson, 1965 *Samuel Johnson*, 1965 Sammlung
Samuel Johnson, 2000 This authoritative edition was formerly published in the acclaimed Oxford Authors series under the general editorship of Frank Kermode It brings together a unique combination of Johnson's poetry and prose all the major poems complemented by essays criticism and fiction to give the essence of his work and thinking Samuel Johnson's literary reputation rests on such a varied output that he defies easy description poet critic lexicographer travel writer essayist editor and thanks to his good friend Boswell the subject of one of the most famous English biographies This volume celebrates Johnson's astonishing talent by selecting widely across the full range of his work It includes London and The Vanity of Human Wishes among other poems and many of his essays for the Rambler and Idler The prefaces to his edition of Shakespeare and his famous Dictionary together with samples from the texts are given as well as selections from A Journey to the Western Islands of Scotland the Lives of the Poets and Rasselas in its entirety There is also a substantial representation of lesser known prose and of his poetry letters and journals **Samuel Johnson** Peter Quennell, 1972 **Samuel Johnson** Isobel Grundy, 1984 This collection then does not claim to be revolutionary but it hopes to be revisionary It sets out from the assumptions that Johnson is easy to love but hard to understand that there is always some further angle we have not yet grasped that his readers undergo a persistent experience of having not without effort to rethink and that having made such an effort they may then find themselves in a position to offer new information or new insight We have tried in this volume while bearing in mind the wealth of his achievement to set before our readers some aspects of his writing which have been least well recognized and which have strongest contemporary interest Preface page 8 **The Selected Essays of Donald Greene** Donald Johnson Greene, 2004 Part III The Terrain of Literature features Greene's examination of a variety of literary approaches to literature in an era when the subject needs to be referred as well to cognitive science as more conventional critical modes even deconstruction that have long defined it Additionally he illuminates important works by writers as various as Jane Austen and Evelyn Waugh These essays as well as the book as a whole are framed here by Greene's assessment of Canadian literature that calls attention to the native terrain that he originally called home and how the latter contributed to the making of one of the most cosmopolitan scholars of his era Jacket **Samuel Johnson** Isobel Grundy, 1984 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com **Aspects of Samuel Johnson** Howard D. Weinbrot, 2005 Howard D Weinbrot's Aspects of Samuel Johnson Essays on His Arts Mind Afterlife and Politics collects earlier and new essays on Johnson's varied achievements in lexicography poetry narrative and prose style It considers Johnson's uses of the general and the particular as they relate to the reader's role in the creative process his complex approach to the concept of literary genre and his resolutely in human view of skepticism **Samuel Johnson** Frank Brady, William Wimsatt, 1978-02-07 This is a major new selection of Samuel Johnson's best work delightfully introduced

by W K Wimsatt and scrupulously annotated by Frank Brady and Mr Wimsatt Samuel Johnson the only writer in English since the Renaissance to give his name to a literary period was the center of English letters in his time He was Dictionary Johnson the lexicographer who had single handedly settled the English language it was hoped on a firm basis he was the author of a handful of fine poems including two of the most remarkable satires of the century he was a moralist whose Rambler and Idler essays and novel of ideas Rasselas provided a searching view of men and matters And in his final years he produced his greatest work that extraordinary combination of biography and criticism which came to be known as the Lives of the Poets This first extensive anthology of Johnson s writings to be published in many years emphasizes Johnson the writer It responds to those aspects of Johnson s work of special interest to modern readers It comprises a selection of Johnson s letters all of his major poems including London Rasselas twenty one Rambler nineteen Idlers the Prefaces to the Dictionary and to the edition of Shakespeare and the following Lives of the Poets Cowley Milton Swift Pope Savage Collins and Gray All these works are extensively annotated and printed complete Mr Wimsatt one of the outstanding Johnsonians of this century provides in his Introduction a clear connected biographical account of Johnson stressing his writings An up to date bibliography is also included Johnson s varied accomplishments as poet as moralist as biographer as critic are all amply represented Samuel Johnson and the Theme of Hope T F Wharton,1984-03-29 *The Politics of Samuel Johnson* Donald Greene,2009-01-01 First published in 1960 The Politics of Samuel Johnson remains one of the most significant studies of Johnson ever written Contrary to virtually all preceding studies of Johnson s life politics and art Donald Greene declared that the popular image of Johnson one that even pervaded academic circles was a caricature an amalgam of misconceptions inaccuracies and sometimes deliberate untruths drawn from the works of his well intentioned friend Boswell and his detractor Macaulay In the Introduction to the second edition Greene reasserts in light of three decades of Johnsonian scholarship his attack on the stereotyping of Johnson as a bigoted party line Tory and a crypto Jacobite Utilizing new material such as Thomas Curley s edition of the Chambers Johnson Vinerian law lectures and the sale catalogue to Johnson s library to support his argument Greene also warns that Johnson is still misquoted and misunderstood in situations from classroom lectures to discussions of Britain s role in the 1982 Falklands War **The New Cambridge Bibliography of English Literature: Volume 1, 600-1660** George Watson,Ian Roy Willison,1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Canonical Texts Of English Literary Criticism With Selections From Classical Poeticians** Rangoon Kapoor,2004-10 **The**

Philosophical Biographer Martin Maner, 2009-01-01 The Philosophical Biographer shows how a shift in philosophical outlook in the seventeenth and eighteenth centuries from an understanding of human knowledge rooted in deductive certainties to one resting on inductive probability influenced the development of biographical narrative in general and in particular the way Johnson dealt with biographical evidence in his *Lives of the Poets* Examining the psychological and philosophical doubt that lay at the heart of Johnson's character and intellect Martin Maner reveals in the biographical studies of Savage Swift Milton and Pope an ingrained pattern of dialectical argument and a skeptical attitude toward evidence a method that involves the reader in judgments about the poets as it conveys Johnson's own understanding of truth In the *Life of Savage* Johnson moves from thesis to antithesis generating out of opposing emotional responses irony and sympathy ridicule and pathos an understanding of the man Dialectically undercutting the conclusions of previous biographers of Swift and Milton Johnson fashions a new somewhat acidic estimation of Swift and a portrait of Milton that engages contemporary questions of the probable and the marvelous The *Life of Pope* Johnson's greatest dialectical achievement alternates between blame and praise public and private realms weaving tone context and analogy into great contrasting patterns of inquiry and judgment Establishing the centrality of a dialectical method in the *Lives of the Poets* Martin Maner links the rise of biography as well as Johnson's interest in the form to the shift in epistemology brought about by empiricism In the new patterns of thought of the seventeenth and eighteenth centuries biography the estimation of a life through sifting of historical events and evidence was the most philosophical of endeavors and Johnson its greatest practitioner *Samuel Johnson* James T.

Boulton, 2002-06-01 The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer's work enabling students and researchers to read for themselves for example comments on early performances of Shakespeare's plays or reactions to the first publication of Jane Austen's novels The carefully selected sources range from landmark essays in the history of criticism to journalism and contemporary opinion and little published documentary material such as letters and diaries Significant pieces of criticism from later periods are also included in order to demonstrate the fluctuations in an author's reputation Each volume contains an introduction to the writer's published works a selected bibliography and an index of works authors and subjects The Collected Critical Heritage set will be available as a set of 68 volumes and the series will also be available in mini sets selected by period in slipcase boxes and as individual volumes **Johnson Re-Visited** Philip Smallwood, 2009-04 How far does Johnson's mind touch the critical consciousness and how far is the modern experience of his writings a form of historical knowledge This title includes essays by British and American scholars who seek to answer these questions from a sequence of argued perspectives

Reading Eighteenth-Century Poetry Patricia Meyer Spacks, 2009-02-17 Reading Eighteenth Century Poetry recaptures for modern readers the urgency distinctiveness and rewarding nature of this challenging and powerful body of poetry An essential guide to reading eighteenth century poetry written by world renowned critic Patricia Meyer Spacks Exposes the

multiplicity of forms tones and topics engaged by poets during this period Provides in depth analysis of poems by established figures such as Alexander Pope and Jonathan Swift as well as work by less familiar figures including Anne Finch and Mary Leapor A broadly chronological structure incorporates close reading alongside insightful contextual and historical detail Captures the power and uniqueness of eighteenth century poetry creating an ideal guide for those returning to this period or delving into it for the first time *The Christian Tradition in English Literature* Paul Cavill, Heather Ward, 2009-08-30

Features Wide chronological coverage of English literature especially texts found in the Norton Oxford Blackwell and other standard anthologies Short punchy essays that engage with the texts the critics and literary and social issues Background and survey articles Glossaries of Bible themes images and narratives Annotated bibliography and questions for class discussion or personal reflection Scholarly yet accessible jargon free approach ideal for school and university students book groups and general readers Created for readers who may be unfamiliar with the Bible church history or theological development it offers an understanding of Christianity s key concepts themes images and characters as they relate to English literature up to the present day Samuel Johnson and James Boswell , 2020 A collection of critical essays on the works of English author Samuel Johnson and his biographer James Boswell arranged in chronological order of publication This is an electronic version of the original edition of this Bloom
