Board of Supervisors,1899 *The San Francisco Doodler Murders* Kate Zalznock,2022-09 In 1974 one of San Francisco's most horrific unsolved serial murder cases began In less than two years the man police called The Doodler took at least five lives terrorized the LGBTQ community and left three survivors forever

changed Initial reports claimed the murderer didn't approach his victims with the knife he used to kill them but that the suspect shared skilled drawings sketches of faces and animals before leaving several gay men to bleed out in the sands of Ocean Beach Police investigations and activist efforts to uncover the killer led to several suspects but no definitive identification of the artist of death Author Kate Zalznok shines a light on this riveting cold case *31 Murders* Alvin A.J. Esau, 2024-02-28 Many decades before Ted Bundy roamed the country there was serial killer Earle Nelson During the 1920s this geographically mobile killer went from city to city His modus operandi involved getting into a house by pretending to be a person looking for a room to rent or inspecting a house that was for sale and then strangling the landlady often followed by having sex with the dead body Robbery was frequently a secondary motive After Nelson was captured in Canada in 1927 it was commonly reported that he had killed 21 women and a baby during the 1926-27 period But were these the only cases linked to him The author examines an additional nine unsolved murders of landladies two of which have never been dealt with in previous literature Based on decades of archival research the author examines all 31 murders relying on primary sources when available and a wide variety of secondary sources For each murder the book provides biographical sketches of the victim outlines the police investigation and the various suspects and covers any subsequent attempts to link Nelson to the crime by identification evidence of witnesses or by fingerprints **Death Investigation in America** Jeffrey M Jentzen, 2010-02-15 Why is the American system of death investigation so inconsistent and inadequate In this unique political and cultural history Jeffrey Jentzen draws on archives interviews and his own career as a medical examiner to look at the way that a long standing professional and political rivalry controls public medical knowledge and public health *Barbituate Abuse--1971-1972* United States.
