

A wedding photograph of a bride and groom walking down a grassy aisle. The bride is wearing a white dress and holding a bouquet of flowers, while the groom is in a light-colored suit. They are walking towards the camera. In the background, guests are seated in chairs, and a white floral archway is visible. The setting is outdoors on a grassy field with a body of water and hills in the distance under a clear sky.

This informative and easy to understand reference tool offers an at your fingertips guide to key Scripture references Bible stories and verses that relate to topics like anger controversy employment going green happiness leadership money relaxation sex worship

The Concise A to Z Guide to Finding It in the Bible provides a quick and entertaining read for people interested in what the Bible has to say about a wide range of topics **Matthew Arnold** Matthew Arnold,1902 **A KEY TO THE KINGDOM** Robert A. Pascoe,2008-03-29

To be able to understand the fullness of a spiritual revelation received by someone it is essential that we know something about the recipient and the need that required the Holy Spirit to release eternal information that would evoke empowerment and unlock a kingdom mystery

Paul was a man called by God however before God openly challenged that call Paul s relationship with the Lord was one of the mind

Saul of Tarsus was a diligent and persistent man of the church who believed that he was doing the will of God by hunting down Christians and bringing them into captivity

It is obvious that through his diligent efforts and the tenacity in which he pursued his convictions that he was a sincere threat to the true plan of God which had been administered to the disciples

Paul was not demonically driven he was deceived by the words of those he revered in the church and by his social environment

We can see however that he was a man of intense thought and dedication

This was revealed to us when he perceived that he was sent by God as a messenger to remove heretics in the church

Paul goes to the church with his plan his vision and for permission to pursue and eliminate the message of Christianity by imprisoning those who propagated or followed this false teaching

After receiving the blessing and validation of his plan by the church Paul aggressively formed a plan to accomplish his mission

He knew those professing Christianity were not known to be violent

He knew they were known as a people of peace and would not resist if they were to be arrested

So he assembled a team of handpicked individuals who wanted to assist in achieving this goal either by their delegated authority from church and state or by force

We know that it was Paul s intention to arrest and bring the accused to a public trial without excessive violence

Unfortunately there were those with him who did not share this view

We learn this as we see the stoning of Stephen in Acts 7 58 and Saul does nothing to stop it

Acts 8 1 tells us that Saul was consenting or in agreement of his death

The word consenting in the Greek *suneudokeo* also meant that he was pleased

This act of murder launches a great persecution on the church

The assault goes from the street to the home and they begin to enter into every house dragging off to prison any who believed or confessed Christianity

This was the turning point of his original plan we now see his deception being demonically enhanced

There are no more rules and his act of civil or warped spiritual duty turned to anger and rage

We see this clearly in Acts 9 1

And Saul yet breathing out threatening and slaughter against the disciples of the Lord went to the high priest

The Greek word for slaughter is *phonos* which means murder or death

Saul went

to the high priest who is the chief priest or that of the highest order of the church to gain further support by having him document in writing his validation of his quest Words can be appealed and restated however once something is in writing it becomes the written word and enforceable to its letter Saul now took the written word from the highest order of the church to pursue and eliminate the living Word an impossible task that he would soon realize Just as it is today be assured that word traveled fast There was already a spread of fear and even the disciples were afraid of Saul after his conversion See Acts 9 26 Now Paul retained and possessed letters of permission from the highest order to arrest or kill those professing Christ The letters may have only contained the right to imprison the followers of Christ however the church and the high priests knew of Saul s havocs and threats of slaughter to those of the Christian faith They had supported the crucifixion and the death or slaughter of Jesus Isaiah 53 7 and Acts 8 32 He was oppressed and afflicted yet He opened not his mouth *Follow Jesus* Carol A.
