La Malinche in Mexican Literature Sandra Messinger Cypess, 2010-07-05 Of all the historical characters known from the time of the Spanish conquest of the New World none has proved more pervasive or controversial than that of the Indian interpreter guide mistress and confidante of Hernán Cortés Doña Marina La Malinche Malintzin The mother of Cortés's son she becomes not only the mother of the mestizo but also the Mexican Eve the symbol of national betrayal Very little documented evidence is available about Doña Marina This is the first serious study tracing La Malinche in texts from the conquest period to the present day It is also the first study to delineate the transformation of this historical figure into a literary sign with multiple manifestations Cypess includes such seldom analyzed texts as Ireneo Paz's *Amor y suplicio* and *Doña Marina* as well as new readings of well known texts like Octavio Paz's *El laberinto de la soledad* Using a feminist perspective she convincingly demonstrates how the literary depiction and presentation of La Malinche is tied to the political agenda of the moment She also shows how the symbol of La Malinche has changed over time through the impact of sociopolitical events on the literary expression

Raza y política en Hispanoamérica Tomás Pérez Vejo, Pablo Yankelevich, 2017-08-07 De qué se habla cuando se utiliza el término raza En unos casos se alude a remotos pasados ancestrales y a sustratos culturales que cohesionan grupos y sociedades en otros el concepto se aleja de la genealogía y la cultura para fincar su significado en la biología y en la inmutabilidad de la condición humana Ya sea para referirse a una supuesta espiritualidad racial o para remarcar la condición hereditaria de rasgos físicos y mentales la raza ha sido vector ineludible de la reflexión y la acción política en la Iberoamérica de los siglos XIX y XX Esta obra analiza la diversidad de sentidos del término raza en el debate público iberoamericano A través de estudios de caso nacionales y regionales el lector entra en contacto con los significados y los usos de categorías raciales proyectadas en el terreno de las prácticas políticas La revitalización de discursos y conductas racistas obliga a una revisión de la historia de tradiciones políticas e intelectuales que utilizaron categorías raciales para moldear identidades colectivas y definir proyectos políticos sobre los que aún discutimos Un problema histórico pero también de una alarmante actualidad política
