Justus F. Paul

Senator Hugh Butler And Nebraska Republicanism:

Senator Hugh Butler and Nebraska Republicanism Justus F. Paul, 1976 Senators of the United States Diane B. Boyle, 1995 S Doc 103 34 Compiled by Jo Anne McCormick Quatannens Diane B Boyle editorial assistant prepared under the direction of Kelly D Johnston Secretary of the Senate Lists scholarly works that profile the lives and legislative service of senators and their autobiographies and other published works **Senators of the United States** ,1995 Nebraska Government & Politics Robert D. Miewald, 1984-01-01 Nebraska is famous as the only state with a unicameral legislature but the government of Nebraska is unique in other ways as well This first comprehensive handbook is meant to help Nebraskans understand the government of their state at the same time it is addressed to political scientists with an interest in state and local government and to people in other states who are considering the adoption of Nebraska s practices The book sets out not only to describe but also to assess the government of Nebraska in operation and to explain the anomaly of an innovative government in an apparently conservative political setting The topics discussed include the state constitution the governor and other elected officials the legislature the judiciary the bureaucracy the citizens political attitudes and behavior trends in state expenditures and revenue local government and intergovernmental relations *The Iroquois Struggle for Survival* Laurence M. Hauptman, 1986-03-01 From World War II onward the Iroquois one of the largest groups of Native Americans in North America have confronted a series of crises threatening their continued existence From the New York Pennsylvania border where the Army Corps of Engineers engulfed a vast tract of Seneca homeland with the Kinzua Dam from the ambition of Robert Moses and the New York State Power Authority to develop the hydroelectric power of the Niagara Frontier which eroded the land base of the Tuscaroras from the construction of the Saint Lawrence Seaway which took land from the Mohawks and still affects their fishing industry to the present day battles over the Oneida land claims in New York State and the Onondaga efforts to repatriate their wampum Laurence Hauptman documents the bitter struggles of proud people to maintain their independence and strength in the modern world Out of these battles came a renewed sense of Iroquois nationalism and nationwide Iroquois leadership in American Indian politics Hauptman examines events leading to the emergence of the contemporary Iroquois concluding with the takeover at Wounded Knee in the winter spring of 1973 and the Supreme Court s Oneida decision in 1974 His research is based on historical documents published materials and interviews and fieldwork in every Iroquois community in the United States and several in Canada **A Nation within a Nation** L. Gordon McLester III, Laurence M. Hauptman, 2014-03-07 For the first time the Oneidas of Wisconsin tell their own story in this richly diverse authoritative contemporary history A Nation within a Nation gathers first person accounts biographical essays and scholars investigations in a sweeping and provocative consideration of the period of 1900 1969 **The Conservative Heartland** Jon K. Lauck, Catherine McNicol Stock, 2020-04-17 In the wake of the 2016 presidential election there was widespread shock that the Midwest the Democrats so called blue wall had been so effectively breached by Donald

Trump But the blue wall as The Conservative Heartland makes clear was never quite as secure as so many observers assumed A deep look at the Midwest s history of conservative politics this timely volume reveals how conservative victories in state houses legislatures and national elections in the early twenty first century far from coming out of nowhere in fact had extensive roots across decades of political organization in the region Focusing on nine states from Iowa and the Dakotas to Indiana and Ohio the essays in this collection detail the rise of midwestern conservatism after World War II a trend that coincided with the transformation of the prewar Republican Party into the New Right This transformation the authors contend involved the Midwest and the Sunbelt states Through the lenses of race class gender and sexuality their essays explore the development of midwestern conservative politics in light of deindustrialization environmentalism second wave feminism mass incarceration privatization and debates over same sex marriage and abortion among other issues Together these essays map the region s complex patchwork of viable rural and urban areas variously subject to a wide array of conflicting interests and concerns the perspective they provide at once broad and in depth offers unique historical insight into the Midwest s political complexity and its status as the last real competitive battleground in presidential elections

Biographical Directory of the United States Congress, 1774-2005 United States. Congress,2005 Lists every member of the U S House and Senate since 1789 with brief biographical entries on each member *American National Biography*,1999 *Nebraska History* Michael L. Tate,1995-08-22 The first systematic bibliographical tool ever assembled for the state of Nebraska
