Engineering and Contracting ,1916 Kurdish Art and Identity Alireza Korangy,2020-09-07 Folklore has been a phenomenon based on nostalgic and autochthonous nuances conveyed with a story telling technique with a penchant for over playing and nationalistic pomp and circumstance often with significant consequences for societal poetic and cultural areas These papers highlight challenges that have an outreaching relationship to the regional rhetorical and trans rhetorical devices and manners in Kurdish folklore which subscribes to an ironic sense of hope all the while issuing an appeal for a largely unaccomplished nationhood simultaneously insisting on a linguistic solidarity In a folkloric literature that has an overarching theory of poetics perhaps even trans figurative cognitive poetics due to the multi faceted nature of its application and the complexity of its linguistic structure the relationship of man and less frequently woman with others takes center stage in many of the folkloric creations Arts are not figurative representations of the real in the Kurdish world they are the real

The Authenticity of Sendai Kuji Hongi John Bentley,2006-07-01 This reexamination of Sendai kuji hong i Kujiki convincingly leads the reader to new conclusions on its place within the history and historiography of early Japan While the Sendai kuji hong i is generally considered as simply derivative drawing on Kojiki Nihon shoki and Kogo sh i John Bentley s careful textual analysis demonstrates that the work has actually drawn from drafts of Kojiki and Nihon shoki but not Kogo sh i which has quoted from Kujiki Thus the work can not be seen as a product of the early Heian era but must date from the early Nara era It therewith offers a new look not only into Japanese early Japanese historiography but also provides a window to a variant view of the Japanese imperial lineage The first three chapters consist of an analysis of the text from a textual analytical and linguistic viewpoint Sections only found in Kujiki are then examined and analyzed With full translation of the ten books of Kujiki and amply annotated text

Send Down a Dove Charles MacHardy,1968 **Every Dark Hour** Niamh O'Sullivan,2007-06-30 Kilmainham Jail is perhaps the most important building in modern Irish history A place of incarceration since its construction in the late eighteenth century it housed a succession of petty criminals including sheep rustlers and during the Famine people who committed crimes with the sole aim of being imprisoned there even the meager rations offered at the jail were better than what was available in other parts of the country It was a powerful symbol of British rule on the island of Ireland its residents over the years included the bold Robert Emmet and of course it was also the place where the 1916 rebels were taken and executed Every Dark Hour is a colourful and entertaining telling of the history of the jail and its colourful cast of residents over the years as well as vivid accounts of the heroic men and women who gave freely of their time and energies to restore the jail to its former grandeur when it was on the verge of being reclaimed by the elements

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
