trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Magazine* ,1996-12-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1997-10-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Magazine* ,1997-02-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Invisible Orientation* Julie Sondra Decker,2015-10-13 Lambda Literary Award 2014 Finalist in LGBT Nonfiction Foreword Reviews INDIEFAB Book of the Year Award 2014 Finalist in Family loved ones fear that an asexual person is sick or psychologically warped or suffering from abuse Critics confront asexual people with accusations of following a fad hiding homosexuality or making excuses for romantic failures And all of this contributes to a discouraging master narrative there is no such thing as asexual Being an asexual person is a lie or an illness and it needs to be fixed In *The Invisible Orientation* Julie Sondra Decker outlines what asexuality is counters misconceptions provides resources and puts asexual people s experiences in context as they move through a very sexualized world It includes information for asexual people to help understand their orientation and what it means for their relationships as well as tips and facts for those who want to understand their asexual friends and loved ones **The Ethical Use of Touch in Psychotherapy** Mic Hunter,Jim Struve,1997-10-08 Is ethical touch an oxymoron Is the bias against touch in psychotherapy justified Can the recovery process be complete without healing touch Mental health professionals are entrusted with the awesome responsibility of providing appropriate treatment for clients in a safe environment that nurtures trust a necessary ingredient for optimum movement through the therapeutic process Though treatment approaches vary most modalities are verbally based and in theory exclude physical contact Fearing that any form of touch would likely lead to sexual feelings or interaction clinicians tend to shy away from the topic In *The Ethical Use of Touch in Psychotherapy* however authors Mic Hunter and Jim Struve skillfully

demonstrate that touch a most basic human need is intrinsic to the healing process along with talk therapy regardless of the practitioner s theoretical orientation While the use of touch is a given in other health care settings it remains a benefit denied as taboo in psychotherapeutic relationships due to transgressors whose unscrupulous use of a valuable technique have marred its reputation This book encourages readers to conduct a meaningful self reflection and explore possible misconceptions related to touch in order to rejuvenate its acceptance Based on years of sound research and clinical experience *The Ethical Use of Touch in Psychotherapy* promises to enrich clinical discussion and stimulate further empirical research This insightful and progressive presentation is a must read for clinicians interns and advanced students as well as lay readers interested in the dynamics and innovations in psychotherapy **Pagan Consent Culture** Christine Hoff

Kraemer,Yvonne Aburrow,2016 In this collection Druids Wiccans Heathens Polytheists and others show how to ground good consent practices in Pagan stories liturgies and values Although many Pagans see the body and sexuality as sacred Pagan communities still struggle with the reality of assault and abuse To build consent culture good consent practices must be embraced by communities not just by individuals and consent is about much more than sexuality Consent culture begins with the idea of autonomy with recognizing our right to control our bodies in all areas of life and it is sustained by empathy the ability to understand and share the emotional states of others **New York Magazine** ,1996-02-26 New York magazine was
