Children on the Threshold in Contemporary Latin American Cinema Rachel Randall, 2017-10-10 Children on the Threshold in Contemporary Latin American Cinema Nature Gender and Agency analyzes child and adolescent protagonists in Latin American cinema This book contends that child characters have taken on a critical representational role within Latin American cinema because of their position on the threshold between nature and culture which converts them into a focus of and a limit to state or colonial biopower Rachel Randall provides a comprehensive examination of the key themes and

developments in boys and girls cinematic representations since the adoption of children s rights discourses in the region
Recommended for scholars interested in Latin American studies film studies and cultural studies Social Justice for
Children in the South Graciela H. Tonon, 2022-11-08 This book considers that contextual factors are important for the
achievement of social justice and it recognizes that vulnerability to which children are exposed is a phenomenon throughout
the planet particularly in the South It presents a theoretical review of social justice as well as different situations of
vulnerability children experience in their daily lives in which they can be injured affecting their well being and the exercise of
their rights It examines the impact of the COVID 19 pandemic on children considered as a vulnerable group warranting
special social policy considerations It also presents the need to change power structures in knowledge production and
decision making processes to achieve social justice for children the importance of investing in children the exclusion of
children from participation in certain activities and the shame of not being able to participate in equal conditions with others
the lives of migrant children belonging to ethnic minorities exposed to language barriers and access to technological devices
and the analysis of the process of social re integration of children from conditions of armed conflict The book concludes that
governments need to assume social justice as part of universal human interests providing security conditions for well being
and guaranteeing social justice for all children
