called Juniper the home of Dworkin and his kin came under deadly attack by unknown and overwhelming forces After sending the rest of the family to distant shadow worlds for their own safety Dworkin and Oberon and Oberon s half brother Aber traveled to the center of the known universe and the lair of their enemies the Courts of Chaos to put an end to the undeclared blood feud In TO RULE IN AMBER the story picks up when Oberon takes on the reins of leadership and he carves an empire from the new universe created by his father Enemies new and old lie in wait and creating a kingdom for himself and his heirs requires delicate political maneuvering a will of iron and the might of a born warrior Power mad siblings a madman for a father assassins and the King of Chaos are just the beginning of his troubles Oberon must learn to master them all if he is To Rule in Amber The more Oberon tries to do to clear the family name the worse the situation becomes until the mysteriously missing Dworkin Trumps into the scene and snatches him away Dworkin has no intention of trying to clear his name right now especially since he is a traitor having stolen the magical object known as the Jewel of Judgement This he needs to create a new equally powerful universe from which to oppose the Courts of Chaos the universe that will be known as Amber a universe built from magic will power and royal blood *This Darkening Universe* Lloyd Jr. Biggle,1975-12-01

Sweeping through the Small Magellanic Cloud leaving a trail of ravished worlds and destroyed civilization is the Udef the Unidentified Death Force The best scientific minds of two galaxies can make nothing of it The Udef is invisible No scientific instrument can detect its presence The only marks of its passing are the screams of its victims and the piles of dead left in its wake Momentarily safe on the world of Montura Jan Darzek s strategy against the Udeffalters He and his assistant Effie have been ordered there by a supreme computer that isn t telling why There is nothing to do on Montura but frantically wheel and deal in its spectacular interworld trading market Supreme has also sent a perplexed Dr Malina Darr from Earth whose apparent purpose is to cure an unknown disease in an alien life form no one has ever seen The three of them must content with a mad mixture of Montura s mysterious race of natives the melange of self serving life forms in the marketplace and the Kloatrax the universe s strangest living computer while the Udef comes ever closer to wiping out every intelligent life form in the universe Somehow it must be stopped before no one is left to fight it
