The Yeshiva and the Rise of Modern Hebrew Literature Marina Zilbergerts, 2022-04-05 The Yeshiva and the Rise of Modern Hebrew Literature argues that the institution of the yeshiva and its ideals of Jewish textual study played a seminal role in the resurgence of Hebrew literature in modern times Departing from the conventional interpretation of the origins of Hebrew literature in secular culture Marina Zilbergerts points to the practices and metaphysics of Talmud study as its essential animating forces Focusing on the early works and personal histories of founding figures of Hebrew literature from Moshe Leib Lilienblum to Chaim Nachman Bialik The Yeshiva and the Rise of Modern Hebrew Literature reveals the lasting engagement of modern Jewish letters with the hallowed tradition of rabbinic learning **Studies in Modern Jewish Literature (JPS Scholar of Distinction Series)** Arnold J. York Public Library, 1911-1971 New York Public Library. Research Libraries, 1979 Arguing with God Anson Laytner, 1998
 As an old proverb puts it Two Jews three opinions In the long rich tumultuous history of the Jewish people this characteristic contentiousness has often been extended even unto Heaven Arguing with God is a highly original and utterly absorbing study that skates along the edge of this theological thin ice at times verging dangerously close to blasphemy yet also a source of some of the most poignant and deeply soulful expressions of human anguish and yearning The name Israel literally denotes one who wrestles with God And from Jacob s battle with the angel to Elie Wiesel s haunting questions about the Holocaust that hang in the air like still smoke over our own age Rabbi Laytner admirably details Judaism s rich and pervasive tradition of calling God to task over human suffering and experienced injustice It is a tradition that originated in the biblical period itself Abraham Moses Elijah and others all petitioned for divine intervention in their lives or appealed forcefully to God to alter His proposed decree Other biblical arguments focused on personal or communal suffering and anger Jeremiah Job and certain Psalms and Lamentations Rabbi Laytner delves beneath the surface of these blasphemies and reveals how they implicitly helped to refute the claims of opponent religions and advance Jewish doctrines and teachings **Israel's Struggle for Peace** Israel Office of Information (New York, N.Y.), 1960 Recovered Roots Yael Zerubavel, 1995 Because new nations need new pasts they create new ways of commemorating and recasting select historic events In Recovered Roots Yael Zerubavel illuminates this dynamic process by examining the construction of Israeli national tradition In the years leading to the birth of Israel Zerubavel shows Zionist settlers in Palestine consciously sought to rewrite Jewish history by reshaping Jewish memory Zerubavel focuses on the nationalist reinterpretation of the defense of Masada against the Romans in 73 C E and the Bar Kokhba revolt of 133 135 and on the transformation of the 1920 defense of a new Jewish settlement in Tel Hai into a national myth Zerubavel demonstrates how in each case Israeli memory transforms events that ended in death and defeat into heroic myths and symbols of national revival Drawing on a broad range of official and popular sources and original interviews Zerubavel shows that the construction of a new national tradition is not necessarily the product of government policy but a creative collaboration between politicians writers and educators Her discussion of the politics of commemoration demonstrates how rival groups can turn the past into an arena of conflict as they posit competing interpretations of history and opposing moral claims on the use of the past Zerubavel analyzes the emergence of counter memories within the reality of Israel s frequent wars the ensuing debates about the future of the occupied territories and the embattled relations with Palestinians A fascinating examination of the interplay between history and memory this book will appeal to historians sociologists anthropologists political scientists and folklorists as well as to scholars of cultural studies literature and communication *The Penguin Book of Hebrew Verse* T. Carmi, 2006-06-29 This stunning anthology gathers together the riches of poetry in Hebrew from The Song of Deborah to contemporary Israeli writings Verse written up to the tenth century show the development of piyut or liturgical poetry and retell episodes from the Bible and exalt the glory of God

Medieval works introduce secular ideas in love poems wine songs and rhymed narratives as well as devotional verse for specific religious rituals Themes such as the longing for the homeland run through the ages especially in verse written after the rise of the Zionist movement while poems of the last century marry Biblical references with the horrors of the Holocaust Together these works create a moving portrait of a rich and varied culture through the last 3 000 years **Studies in**

Jewish Identity in Israeli and American Literature Emily Miller Budick,2012-02-01 By creating a dialogue between Israeli and American Jewish authors scholars and intellectuals this book examines how these two literatures which traditionally do not address one another directly nevertheless share some commonalities and affinities The disinclination of Israeli and American Jewish fictional narratives to gravitate toward one another tells us much about the processes of Jewish self definition as expressed in literary texts over the last fifty years Through essays by prominent Israeli Americanists American Hebraists Israeli critics of Hebrew writing and American specialists in the field of Jewish writing the book shows how modern Jewish culture rewrites the Jewish tradition across quite different ideological imperatives such as Zionist metanarrative the urge of Jewish immigrants to find Israel in America and socialism The contributors also explore how that narrative turn away from religious tradition to secular identity has both enriched and impoverished Jewish modernity
