often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God **Mother Teresa** Glenna Hammer Moulthrop, 2001-01-09 Mother Teresa Living in Love is a collection of nearly 100 of Mother Teresa's greatest quotes on love weaved around the author's own story of her search for spiritual significance Author's work on book blessed by Mother Teresa Portion of royalties are going to Missionaries of Charity **Mother Teresa's Secret Fire** Joseph Langford, 2016-06-22 Whatever you thought you knew about God about life about the world Mother Teresa's extraordinary message will take you deeper still Written by the co-founder of her priests' community Published at Mother Teresa's personal request to share her message with the world Revealing insights Personal stories Gain unprecedented access to and understanding of Mother Teresa's secret source of passion spirit and impact Goodreads reviews for Mother Teresa's Secret Fire Reviews from Goodreads.com **Holidays at Home Omnibus** Grace Thompson, 2017-03-13 The classic wartime sagas now in a special omnibus edition Read Grace Thompson's delightful Holidays at Home series now in one volume These heartwarming sagas follow the inhabitants of St David's Wells a small Welsh seaside town charting the highs and lows they experience during the Second World War From engagements to tragic accidents ice creams to utter deprivation this bestselling series from the much-loved author Grace Thompson will enchant and enthrall you This omnibus edition contains all six books in the series Holidays at Home Wait Till Summer Swingboats on the Sand Waiting for Yesterday Day Trippers Unwise Promises Street Parties **Yes, We Do Come with Directions** Rob Ciminelli, 2024-02-28 Delving into the realm of self-help Yes We Do Come with Directions is an everyday person's guide to achieving their dreams Rob provides instructions and tools for living your best life the life you'd love living Rob provides a roadmap for gaining clarity on desires and helps remove any blocks negative condition-based thinking paradigms that may be preventing you from achieving your dreams He
