Etulain, 2026-01-06 Basques of the American West New and Collected Essays on History and Ethnicity brings together new and previously published work by Richard W Etulain blending historical analysis and literary criticism to explore the lives stories and representations of the Basques in this region The essays examine key figures such as Robert Laxalt and Frank Bergon survey historical studies memoirs and novels and trace evolving interpretations of Basque identity in Western literature and scholarship Etulain highlights major trends in both Basque and Western American historiography while identifying important topics that remain open for additional research This collection offers readers a thoughtful and engaging look at the enduring presence and influence of Basques across the cultural and historical landscape of the American West

Tongues of Settlement Blake Allmendinger, 2025-05 Known for their cultural traditions celebrated cuisine and distinct language Basque peoples originated in a small area in the Pyrenees Mountains called Euskal Herria or the Basque Country Over the centuries large numbers of Basques have left their homeland to settle throughout Spain France North America Latin America and South Africa accompanied by their unique language and literature Tongues of Settlement traces how Basque emigrants and their descendants have adapted to the Americas by interacting with the land and people while inscribing their presence and producing a body of literature distinct from the literature of Euskal Herria Blake

Allmendinger explores the evolving relationship between language and place analyzing forms of remembrance used to signify the Basque presence in numerous countries especially in the western United States where most immigrants settled and where their descendants currently reside *Tongues of Settlement* considers what eventually happens as assimilated Basques relinquish their native language yet maintain a connection to place It includes works by Basque authors translated into English recounting their experiences in the American West books by Basque American writers whose narratives are set at least in part in the Basque Country popular genres published by Basque American authors and recurrent themes in Basque American literature In this first comprehensive study Allmendinger traces the evolution of Basque American literature from its origins in medieval oral culture to the creation of a literary renaissance in the twenty first century American West

Methods for Teaching Travel Literature and Writing Eileen Groom,2005 The contributors to *Methods for Teaching Travel Literature and Writing* Exploring the World and Self discuss how and why they have integrated travel literature and writing into their courses Subjects range from the study of travel literature granting insight into how travel authors such as Bill Bryson and Paul Theroux convince readers to buy into their worlds and reflect the readers positions in society to contemplating the meanings of the words traveler and tourist Other chapters examine how actual traveling can shape students writing and vice versa whereas still others address how the study of the genre and actually writing it promotes interdisciplinarity *Culinary Tourism* Lucy M. Long,2013-07-24 Well researched and original essays on the intersection between food and adventure Publishers Weekly *Culinary Tourism* is the first book to consider food as both a destination and a means for tourism The book s contributors examine the many intersections of food culture and tourism in public and commercial contexts in private and domestic settings and around the world The contributors argue that the sensory experience of eating provides people with a unique means of communication whether they re trying out a new kind of ethnic restaurant in their own town or the native cuisine of a place far from home Editor Lucy Long explains how and why interest in foreign food is expanding tastes and leading to commercial profit in America but the book also shows how tourism combines personal experiences with cultural and social attitudes toward food and the circumstances that allow for adventurous eating Contributors to the book are widely recognized food experts who encourage readers to venture outside the comforts of home and embark on new eating experiences Lexington Herald Leader [Missouri Folklore Society Journal](#) ,2002 [Voices](#) ,2000 *Folklore in Utah* David Stanley,2004 Over thirty scholars examine the development of folklore studies through the lens of over one hundred years of significant activity in a state that has provided grist for the mills of many prominent folklorists In the past the Folklore Society of Utah has examined the work of such scholars in biographical and other essays published in its newsletters This book incorporates those essays and goes well beyond them to include many other topics offering a thorough history of folklore studies and a guide to resources for those pursuing research in Utah now and in the future The essays survey the development and contributions of folklore studies in Utah from 1892 to 2004 but also

represent developments in both academic and public sector folklore throughout the United States Following a thorough historical introduction part I profiles the first folklorists working in the state including Hector Lee Thomas Cheney Austin and Alta Fife Wayland Hand and Lester Hubbard Part II looks at the careers of prominent Utah folklorists Jan Harold Brunvand Barre Toelken and William B Wilson as well as the works of the next current generation of folklorists Part III covers studies in major folklore genres with essays on the study of material culture vernacular architecture and Mormon ethnic Native American and Latino folklore Part IV examines public folklore programs including organizations conferences and tourism Back matter describes academic programs at Utah institutions of higher education summarizes the holdings of the various folklore archives in the state and provides a complete cross indexed bibliography of articles books and recordings of Utah folklore

New Books on Women and Feminism ,1999 **Idaho Yesterdays** ,2007 **New York Folklore Newsletter** ,1999 **Encyclopedia of American Folklife** ,2006 Offers approximately 270 essays on topics in American folklife as diverse as chain letters the Internet Little Havana fans of heavy metal music Wiccans and zydeco **Re-mapping Narrative** Gian S. Pagnucci,Nicholas Mauriello,2008 This volume is an exploration of the future of narrative discourse The authors have identified six potential paths drawing patterns of narrative and visual pedagogy and possibility The volume begins with Tales of the Digital Self By telling stories we define ourselves This struggle to understand who and what we are is even more amplified on the Web where identity is almost liquid The authors in the second section picture how stories will be told in the future In Pixels of Heroes and Heroines we reconnect the future of narrative discourse to its literary roots Although it is important to consider the forms narratives will take in the future it is equally important to consider how these stories will be taught This is the issue authors take up in Stories from Wired Desktops Chapters move into the realm of the political in Views of Techno Identity and Virtual Spaces The volume concludes with the chapters in Critical Reflections on Project UNLOC *Current Contents.
