Mystic China:

My Journey in Mystic China John Blofeld, 2008 The only English translation of John Blofeld's memoirs as a Westerner living in China prior to the Communist Revolution Provided by publisher **China's Disappearing Countryside** Yongjun Zhao, 2016-05-23 While China's hybrid rural land tenure system has contributed to agricultural development it is interwoven with rising farmland loss and social conflicts This book examines the linkages between land tenure development and governance in the context of China's development transformation Drawing on empirical studies it advocates the exploration of innovative land tenure systems that address the wider determinants institutions power politics and social development It argues that a land tenure system can only be sustainable when it is compatible with the overall biophysical social political and economic conditions This new institutional lens into the conditions and dynamics of land tenure systems marks a paradigm shift away from those focusing on the narrow meaning of land rights and tenure security strengthening as these approaches can paradoxically contribute to weaker land and resource governance Contributing to an enhanced understanding of the challenges China faces in agricultural development and natural resource governance and to the international debates on land tenure reform this book will be of interest to researchers practitioners policy makers and students in development studies anthropology sociology political sciences law geography economics public administration and other relevant disciplines The lessons learnt from China also shed light on its global engagement on sustainable development and governance issues *Redgrave's Ghost* Trevor Hay, 2020-08-07 Reclusive antiquarian bookseller Alan Redgrave meets Fei Yun a beautiful and beguiling Chinese artist at a gallery in the summer of 2018 She takes him to the ancient oasis town of Dunhuang gateway to the Southern Silk Road Her deep involvement with Taoist philosophy and ritual including talismans and her fascination with an eighteenth century portrait lead him to wonder if there is something haunting her or him **Mystic China** Erick Wujcik, 1994-01-01 *Dream Trippers* David A. Palmer, Elijah Siegler, 2017-11-27 Over the past few decades Daoism has become a recognizable part of Western alternative spiritual life Now that Westernized version of Daoism is going full circle traveling back from America and Europe to influence Daoism in China *Dream Trippers* draws on more than a decade of ethnographic work with Daoist monks and Western seekers to trace the spread of Westernized Daoism in contemporary China David A Palmer and Elijah Siegler take us into the daily life of the monastic community atop the mountain of Huashan and explore its relationship to the socialist state They follow the international circuit of Daoist energy tourism which connects a number of sites throughout China and examine the controversies around Western scholars who become practitioners and promoters of Daoism Throughout are lively portrayals of encounters among the book's various characters Chinese hermits and monks Western seekers and scholar practitioners as they interact with each other in obtuse often humorous and yet sometimes enlightening and transformative ways *Dream Trippers* untangles the anxieties confusions and ambiguities that arise as Chinese and American practitioners balance cosmological attunement and

radical spiritual individualism in their search for authenticity in a globalized world **The Spiritual Journey of Alejandro Jodorowsky** Alejandro Jodorowsky, 2008-05-27 Jodorowsky's memoirs of his experiences with Master Takata and the group of wisewomen magiciennes who influenced his spiritual growth Reveals Jodorowsky turning the same unsparing spiritual vision seen in *El Topo* to his own spiritual quest Shows how the author's spiritual insight and progress was catalyzed repeatedly by wisewoman shamans and healers In 1970 John Lennon introduced to the world Alejandro Jodorowsky and the movie *El Topo* that he wrote starred in and directed The movie and its author instantly became a counterculture icon The New York Times said the film demands to be seen and Newsweek called it An Extraordinary Movie But that was only the beginning of the story and the controversy of *El Topo* and the journey of its brilliant creator His spiritual quest began with the Japanese master Ejo Takata the man who introduced him to the practice of meditation Zen Buddhism and the wisdom of the koans Yet in this autobiographical account of his spiritual journey Jodorowsky reveals that it was a small group of wisewomen far removed from the world of Buddhism who initiated him and taught him how to put the wisdom he had learned from his master into practice At the direction of Takata Jodorowsky became a student of the surrealist painter Leonora Carrington thus beginning a journey in which vital spiritual lessons were transmitted to him by various women who were masters of their particular crafts These women included Do a Magdalena who taught him initiatic or spiritual massage the powerful Mexican actress known as La Tigresa the tigress and Reyna D Assia daughter of the famed spiritual teacher G I Gurdjieff Other important wisewomen on Jodorowsky's spiritual path include Mar a Sabina the priestess of the sacred mushrooms the healer Pachita and the Chilean singer Violeta Parra The teachings of these women enabled him to discard the emotional armor that was hindering his advancement on the path of spiritual awareness and enlightenment **This Week's**
