*Baseball and the American
Military during World War II*

STEVEN R. BULLOCK

Playing For Their Nation

Lisa Collins

Playing For Their Nation:

Playing for Their Nation Steven R. Bullock, 2004-01-01 Steven R Bullock describes how virtually every significant American military installation around the world boasted formal baseball teams and leagues designed to soothe the anxieties of combatants and prepare them physically for battle Officials also sponsored hundreds of exhibition contests involving military and civilian teams and tours by major league stars to entertain servicemen and elevate their spirits **BOOK JACKET**

Raising the Nation Paul Lindley, 2023-11-07 Builds a compelling case showing why we must nurture smart strong and kind children to one day inherit the stewardship of society Setting out big public policy ideas enhanced by contributions from academic and campaigning experts this book is a manifesto to deliver our brightest possible future *Theatre, Society and the Nation* S. E. Wilmer, 2002-09-23 Theatre has often served as a touchstone for moments of political change or national definition and as a way of exploring cultural and ethnic identity In this book Steve Wilmer selects key historical moments in American history and examines how the theatre in formal and informal settings responded to these events The book moves from the Colonial fight for independence through Native American struggles the Socialist Worker play the Civil Rights Movement and up to works of the last decade including Tony Kushner s *Angels in America* In addition to examining theatrical events and play texts Wilmer also considers audience reception and critical response *The Nation* ,1908 Workers of the Nation Gilson Willets, 1903

The Man Who Moved The Nation: Lisa Collins, 2018-09-07 I wish I was an actor because if I was an actor I d be acting about dying But I m not an actor I am dying I m dying from cancer as a result of smoking Gerry Collins The whirlwind final few months in the life of Gerry Collins the man behind the famous QUIT campaign run by the HSE in 2014 movingly recounted by his daughter In early 2014 Gerry Collins moving words carried across the nation This was due to his central role in the ads for the HSE s QUIT campaign which sought to convince people to give up smoking The nation saw a brave man warning others trying to save people from making the same mistake that he made But Gerry was also a family man A father For Lisa Collins her dad had always been her person She simply couldn t imagine a future without him In immediate and honest prose Lisa guides us through this turbulent period in her life and the life of her family as they battled against the diagnosis as filming for the ads commenced and the campaign was launched and the public spotlight was suddenly thrust upon the Collins family all while Lisa struggled to accept her father s impending death and Gerry s health quickly deteriorated This account of the final months of the life of Gerry Collins the man who moved the nation with his bravery and honesty is at once heartbreaking and inspiring succeeding as it does in capturing the joyful soul of Gerry Collins himself as well as showcasing the heart and resilience of the daughter and family who supported him right to the very end

Building the Nation Steven Conn, Max Page, 2003 Some anthologies seem slapdash or opportunistic others are labors of love informed by a mastery of a particular field and a passion for sharing the heterogeneous richness of their documents Building the Nation is happily one of the latter Vastly useful Preservation The Subject of the Nation and his

'Others' in Hindi Cinema MK Raghavendra, 2025-09-17 This book analyzes the representations of the subjects of Hindi cinema as a way of gaining insights into the hegemony of the upper caste Hindu male in narratives of nationhood Given that Hindi cinema has narrativized the nation after 1947 the book examines how these subjects were chosen and argues that they were upper caste Hindu and predominantly male The author's analysis shows asymmetries in the constitution of the imagined nation in the public consciousness Women the marginalized categories and minorities were presented as others with separate stories for the issues dealing with them but distinct from that of the nation Stories centered on women primarily highlight their position within society In this context the book argues that it is the male protagonist whose story mirrors that of the nation as allegory A novel contribution to the field of Bollywood Studies this insightful work will be of interest to those studying Hindi cinema and film studies political science and history as well as gender studies **Performing the Nation**

Kelly Askew, 2002-07-28 Since its founding in 1964 the United Republic of Tanzania has used music dance and other cultural productions as ways of imagining and legitimizing the new nation Focusing on the politics surrounding Swahili musical performance Kelly Askew demonstrates the crucial role of popular culture in Tanzania's colonial and postcolonial history As Askew shows the genres of ngoma traditional dance dansi urban jazz and taarab sung Swahili poetry have played prominent parts in official articulations of Tanzanian National Culture over the years Drawing on over a decade of research including extensive experience as a taarab and dansi performer Askew explores the intimate relations among musical practice political ideology and economic change She reveals the processes and agents involved in the creation of Tanzania's national culture from government elites to local musicians poets wedding participants and traffic police Throughout Askew focuses on performance itself musical and otherwise as key to understanding both nation building and interpersonal power dynamics

Entertaining the Nation Tice L. Miller, 2007-10-25 In this survey of eighteenth and nineteenth century American drama Tice L. Miller examines American plays written before a canon was established in American dramatic literature and provides analyses central to the culture that produced them *Entertaining the Nation* American Drama in the Eighteenth and Nineteenth Centuries evaluates plays in the early years of the republic reveals shifts in taste from the classical to the contemporary in the 1840s and 1850s and considers the increasing influence of realism at the end of the nineteenth century Miller explores the relationship between American drama and societal issues during this period While never completely shedding its English roots says Miller the American drama addressed issues important on this side of the Atlantic such as egalitarianism republicanism immigration slavery the West Wall Street and the Civil War In considering the theme of egalitarianism the volume notes Alexis de Tocqueville's observation in 1831 that equality was more important to Americans than liberty Also addressed is the Yankee character which became a staple in American comedy for much of the nineteenth century Miller analyzes several English plays and notes how David Garrick's reforms in London were carried over to the colonies Garrick faced an increasingly middle class public offers Miller and had to make adjustments to plays and to his

repertory to draw an audience The volume also looks at the shift in drama that paralleled the one in political power from the aristocrats who founded the nation to Jacksonian democrats Miller traces how the proliferation of newspapers developed a demand for plays that reflected contemporary society and details how playwrights scrambled to put those symbols of the outside world on stage to appeal to the public Steamships and trains slavery and adaptations of Uncle Tom's Cabin and French influences are presented as popular subjects during that time Entertaining the Nation effectively outlines the civilizing force of drama in the establishment and development of the nation ameliorating differences among the various theatergoing classes and provides a microcosm of the changes on and off the stage in America during these two centuries

Staging the Nation: Opera and Nationalism in 19th-Century Hungary Krisztina Lajosi, 2018-02-27 Opera was a prominent political forum and a potent force for nineteenth century nationalism As one of the most popular forms of entertainment opera could mobilize large crowds and became the locus of ideological debates about nation building Despite its crucial role in national movements opera has received little attention in the context of nationalism In *Staging the Nation: Opera and Nationalism in 19th Century Hungary* Krisztina Lajosi examines the development of Hungarian national thought by exploring the theatrical and operatic practices that have shaped historical consciousness Lajosi combines cultural history political thought and the history of music theater and highlights the role of the opera composer Ferenc Erkel 1810-1893 in institutionalizing national opera and turning opera loving audiences into a national public [The Nation and Athenæum](#), 1912

Nation Building in South Korea (Volume 1 of 2) (EasyRead Large Bold Edition), [The Sins of the Nation and the Ritual of Apologies](#) Danielle Celermajer, 2009-04-27 This book examines the apology's extraordinary political emergence and significance to ideas of collective responsibility ritual and contemporary politics *Rewriting the Nation* Aleks Sierz, 2011-01-25 This is an essential guide for anyone interested in the best new British stage plays to emerge in the new millennium For students of theatre studies and theatre goers *Rewriting the Nation: British Theatre Today* is a perfect companion to Britain's burgeoning theatre writing scene It explores the context from which new plays have emerged and charts the way that playwrights have responded to the key concerns of the decade and helped shape our sense of who we are In recent years British theatre has seen a renaissance in playwriting accompanied by a proliferation of writing awards and new writing groups The book provides an in depth exploration of the industry and of the key plays and playwrights It opens by defining what is meant by new writing and providing a study of the leading theatres such as the Royal Court the Traverse the Bush the Hampstead and the National theatres together with the London fringe and the work of touring companies In the second part Sierz provides a fascinating survey of the main issues that have characterised new plays in the first decade of the new century such as foreign policy and war overseas economic boom and bust divided communities and questions of identity and race It considers too how playwrights have re-examined domestic issues of family of love of growing up and the fantasies and nightmares of the mind Against the backdrop of economic political and social change under New Labour Sierz shows

how British theatre responded to these changes and in doing so has been and remains deeply involved in the project of rewriting the nation

Creating a Latino Identity in the Nation's Capital Olivia Cadaval, 2021-11-01 First published in 1999 in this study the author uses the annual Latino Festival as a framework for focusing the action and integrating many important informal and formal aspects of the Washington D C Latino Community She demonstrates how the festival became a stage where relationships were defined networks established and identity enacted and provided my window into the history and development of the community For this study she was interested in an interpretative framework appropriate to festival which would reflect the multiple voices and points of view found within the community Seeking the voices of leaders and community members in interviews and in Spanish and English language newspapers

Nurturing the Nation Lisa Pollard, 2005-01-31 Publisher Description

Writing the Nation: A Concise Introduction to American Literature 1865 to Present Amy Berke, Robert Bleil, Jordan Cofer, Doug Davis, 2023-12-26 Writing the Nation A Concise Introduction to American Literature 1865 to Present offers an expansive journey through the transformative eras of American literary tradition This anthology unites a multitude of voices to explore overarching themes such as identity freedom and cultural evolution Through an artful blend of styles ranging from realism and modernism to postmodernism this collection provides a sweeping overview of the dynamic literary landscape following the Civil War Noteworthy works span diverse genres shedding light on the shifting American experience and inviting readers into a profound dialogue with the past and present Curated by Amy Berke Robert Bleil Jordan Cofer and Doug Davis this anthology brings together some of the most compelling voices in American literature These editors have skillfully encapsulated the rich diversity of authors who have helped shape the nation s narrative reflecting historical moments and cultural shifts Engaging with movements like the Harlem Renaissance and post war modernism the collection reflects a tapestry of experiences and ideologies capturing the evolution of American literary identity This anthology is an indispensable resource for readers eager to explore the myriad perspectives that define American literature Its comprehensive array of voices provides a detailed examination of America s cultural and literary milestones Students educators and literary enthusiasts alike will find this collection invaluable for its ability to foster understanding and appreciation of the profound and varied dialogues that have shaped American narrative from 1865 to the present Writing the Nation stands as a testament to the enduring power of literature to mirror and critique the evolving American experience

D.W. Griffith's the Birth of a Nation Melvyn Stokes, 2008-01-15 In this deeply researched and vividly written volume Melvyn Stokes illuminates the origins production reception and continuing history of this ground breaking aesthetically brilliant and yet highly controversial movie By going back to the original archives particularly the NAACP and D W Griffith Papers Stokes explodes many of the myths surrounding The Birth of a Nation 1915 Yet the story that remains is fascinating the longest American film of its time Griffith s film incorporated many new features including the first full musical score compiled for an American film It was distributed and advertised by pioneering methods that would quickly become

standard Through the high prices charged for admission and the fact that it was shown at first only in live theaters with orchestral accompaniment Birth played a major role in reconfiguring the American movie audience by attracting more middle class patrons But if the film was a milestone in the history of cinema it was also undeniably racist Stokes shows that the darker side of this classic movie has its origins in the racist ideas of Thomas Dixon Jr and Griffith s own Kentuckian background and earlier film career The book reveals how as the years went by the campaign against the film became increasingly successful In the 1920s for example the NAACP exploited the fact that the new Ku Klux Klan which used Griffith s film as a recruiting and retention tool was not just anti black but also anti Catholic and anti Jewish as a way to mobilize new allies in opposition to the film This crisply written book sheds light on both the film s racism and the aesthetic brilliance of Griffith s filmmaking It is a must read for anyone interested in the cinema Playing the Past Benjamin Griffin,2001 This text charts the development of historical drama from the Mass Saint plays on Thomas Becket to the later history plays showing that the history play is neither Shakespeare s nor an Elizabethan invention but has its roots in medieval drama

Immerse yourself in the artistry of words with Crafted by is expressive creation, **Playing For Their Nation** .
