Edwin F. Becker,2011-09-13 13 Chilling Tales is a book of original short stories Most all of these tales were based on concepts that might possibly be expanded to novels Since the paranormal has many layers of interest this book samples a variety We have a vampire ghosts a werewolf the walking dead a gypsy a Ouija board time travel Bigfoot and even Death himself The endings will sneak up on you and are meant to shock or surprise Many of the characters involved might resemble people you know It is the authors intent to take you on a brief journey to visit things that we may never understand In some cases these places may seem familiar and the settings realistic which makes it all the more frightening Many of these stories begin in the world of collectables where nave individuals purchase items from people they dont really know They could be people who may have hidden motivations lying below the surface Then again it might be the item itself Who was the former owner Were they good or evil and still clinging to this item from the beyond All too often a person buys an antique or collectable and gets much more than they expected but when their realization takes place it is far too late As a bonus there is a 14th story The author dispels a true urban legend and ghost story Incredibly it is an urban legend that was created unintentionally by author himself An urban legend which he learned about 30 years later You will read 13 Chilling tales and experience a spectrum of entertainment Afterward you may never view a flea market antique fair garage sale or second store the same ever again **Jack of Spades** Joyce Carol Oates,2018-09-01 An exquisite psychologically complex thriller about

Spades Sleek and suspenseful Readers are sure to be gripped and unsettled by Oates's depiction of a seemingly mild mannered character whose psychopathology simmers frighteningly close to the surface Publishers Weekly starred review Just when you think you've got her all figured out Joyce Carol Oates sneaks up behind and confounds you yet again She does it with a wicked flourish in Jack of Spades The New York Times Book Review *Endless Love: Wife, You Are So Sweet* Mo Yan, 2020-01-31 After being hurt by a cruel man she was rescued by him on a heavy rainy night In order to save her mother's life from illness she sounded abject and eager to please but never got good results Even if she loses her dignity or she is scarred she still decided to save her mother In the end someone was willing to help her The person who helped her gave her all the love including helping her to restore her dignity About the Author Mo Yan a new online novelist is good at writing urban love novels She has exquisite writing style And she is good at interpreting problems from the perspective of women Her writing style is smooth and her story line is colorful It is widely welcomed **Sexual Futures, Queer Gestures, and Other Latina Longings** Juana María Rodríguez, 2014 Sexual Futures Queer Gestures and Other Latina Longings proposes a theory of sexual politics that works in the interstices between radical queer desires and the urgency of transforming public policy between utopian longings and everyday failures Considering the ways in which bodily movement is assigned cultural meaning Juana María Rodríguez takes the stereotypes of the hyperbolically gestural queer Latina femme body as a starting point from which to discuss how gestures and forms of embodiment inform sexual pleasures and practices in the social realm Centered on the sexuality of racialized queer female subjects the book OCOs varied archive OCO which includes burlesque border crossings daddy play pornography sodomy laws and sovereignty claims OCO seeks to bring to the fore alternative sexual practices and machinations that exist outside the sightlines of mainstream cosmopolitan gay male culture Situating articulations of sexual subjectivity between the interpretive poles of law and performance Rodríguez argues that forms of agency continually mediate among these various structures of legibility OCO the rigid confines of the law and the imaginative possibilities of the performative She reads the strategies of Puerto Rican activists working toward self determination alongside sexual performances on stage in commercial pornography in multi media installations on the dance floor and in the bedroom Rodríguez examines not only how projections of racialized sex erupt onto various discursive mediums but also how the confluence of racial and gendered anxieties seeps into the gestures and utterances of sexual acts kinship structures and activist practices Ultimately Sexual Futures Queer Gestures and Other Latina Longings reveals OCO in lyrical style and explicit detail OCO how sex has been deployed in contemporary queer communities in order to radically reconceptualize sexual politics *12 Plays* Janet E. A father's presence is important in a daughter's life. He is the first man a little girl sees and knows. He demonstrates how men relate to women. But what happens when the father-daughter relationship is dysfunctional? *Daddy* answers that question. Included are fourteen memoirs that describe the impact a failed father-daughter relationship can have. These women share essays and narratives that detail various stages of breakdown. Whether an event occurred in childhood, adolescence, or adulthood, each story explains how their father's physical, emotional, or psychological abandonment has affected them. The book is separated into two parts. Part I shows the proverbial truth in the phrase "hurt people hurt people." While some stories confirm why or how men mistreat their daughters, others show how daughters sometimes internalize neglect and continue the cycle, either with the relationship they have with themselves or others. Part II illustrates how compassion can lead towards a path of inner peace and happiness, no matter the state of the relationship.

*Baseball Dads* Matthew S. Hiley, 2015-09-15. An irreverent black comedy about sex, drugs, murder, and children's baseball. Dwayne Devero is just like you and me, except he simply doesn't give a s---t any more. He's had enough. He's done with people living life wrong. You'll do it right, or he'll bury you under the bases at the ballpark where he coaches. It's just that simple. Tired of poor decisions being made all around him, from the politics of player positions on his son's little league baseball team to the philandering of his wife in his own bedroom, Dwayne decides that breaking is better than bending. What follows is a wild ride full of carnage and revenge, led by a man who will stop at absolutely nothing to bring honor back to his family, his community, and children's baseball. *Baseball Dads* is a pitch-black comedy in which one man takes on the duty of bludgeoning honor back into a sometimes dishonorable world.

*None Shall Divide Us* Michael Stone, 2014-05-31. Michael Stone was born in East Belfast in 1955. In 1988, he was sentenced to 800 years in prison. He served twelve years in the Maze prison before being released under the terms of the Good Friday Agreement. He is now an artist and proponent of the peace process.
