Foul Play Charles Reade,2017-05-13 THERE are places which appear at first sight inaccessible to romance and such a place was Mr Wardlaw s dining room in Russell Square It was very large had sickly green walls picked out with aldermen full length heavy maroon curtains mahogany chairs a turkey carpet an inch thick and was lighted with wax candles only In the center bristling and gleaming with silver and glass was a round table at which fourteen could have dined comfortably and at opposite sides of this table sat two gentlemen who looked as neat grave precise and unromantic as the place Merchant Wardlaw and his son Wardlaw senior was an elderly man tall thin iron gray with a round head a short thick neck a good brown eye a square jowl that betokened resolution and a complexion so sallow as to be almost cadaverous Hard as iron but a certain stiff dignity and respectability sat upon him and became him Arthur Wardlaw resembled his father in figure but his mother in face He had and has hay colored hair a forehead singularly white and delicate pale blue eyes largish ears finely chiseled features the under lip much shorter than the upper his chin oval and pretty but somewhat receding his complexion beautiful In short what nineteen people out of twenty would call a handsome young man and think they had described him

Peg Woffington Charles Reade,2017-05-22 ABOUT the middle of the last century at eight o clock in the evening in a large but poor apartment a man was slumbering on a rough couch His rusty and worn suit of black was of a piece with his uncarpeted room the deal table of home manufacture and its slim unsnuffed candle The man was Triplet scene painter actor and writer of sanguinary plays in which what ought to be viz truth plot situation and dialogue were not and what ought not to be were scilicet small talk big talk fops ruffians and ghosts His three mediocrities fell so short of one talent that he was sometimes impransus He slumbered but uneasily the dramatic author was uppermost and his Demon of the Hayloft hung upon the thread of popular favor On his uneasy slumber entered from the theater Mrs Triplet

Foul Play Charles Reade,Dion Boucicault,1868 **Foul Play. A Novel. by Charles Reade and Dion Boucicault** Charles Reade,2004-01 **A Terrible Temptation** Charles Reade,2017-05-13 THE morning room of a large house in Portman Square London A gentleman in the prime of life stood with his elbow on the broad mantel piece and made

himself agreeable to a young lady seated a little way off playing at work To the ear he was only conversing but his eyes dwelt on her with loving admiration all the time Her posture was favorable to this furtive inspection for she leaned her fair head over her work with a pretty modest demure air that seemed to say I suspect I am being admired I will not look to see I might have to check it The gentleman s features were ordinary except his brow that had power in it but he had the beauty of color his sunburned features glowed with health and his eye was bright On the whole rather good looking when he smiled but ugly when he frowned for his frown was a scowl and betrayed a remarkable power of hating

Hard Cash Charles Reade,2017-05-13 IN a snowy villa with a sloping lawn just outside the great commercial seaport Barkington there lived a few years ago a happy family A lady middle aged but still charming two young friends of hers and a periodical visitor The lady was Mrs Dodd her occasional visitor was her husband her friends were her son Edward aged twenty and her daughter Julia nineteen the fruit of a misalliance Mrs Dodd was originally Miss Fountain a young lady well born high bred and a denizen of the fashionable world Under a strange concurrence of circumstances she coolly married the captain of an East Indiaman The deed done and with her eyes open for she was not to say in love with him she took a judicious line and kept it no hankering after Mayfair no talking about Lord this and Lady that to commercial gentlewomen no amphibiousness She accepted her place in society reserving the right to embellish it with the graces she had gathered in a higher sphere In her home and in her person she was little less elegant than a countess yet nothing more than a merchant captain s wife and she reared that commander s children in a suburban villa with the manners which adorn a palace When they happen to be there She had a bugbear Slang Could not endure the smart technicalities current their multitude did not overpower her distaste she called them jargon slang was too coarse a word for her to apply to slang she excluded many a good racy idiom along with the real offenders and monosyllables in general ran some risk of having to show their passports If this was pedantry it went no further she was open free and youthful with her young pupils and had the art to put herself on their level often when they were quite young she

would feign infantine ignorance in order to hunt trite truth in couples with them and detect by joint experiment that rainbows cannot or else will not be walked into nor Jack o lantern be gathered like a cowslip and that dissect we the vocal dog whose hair is so like a lamb s never so skilfully no fragment of palpable bark no sediment of tangible squeak remains inside him to bless the inquisitive little operator and c and c When they advanced from these elementary branches to Languages History Tapestry and What Not she managed still to keep by their side learning with them not just hearing them lessons down from the top of a high tower of maternity She never checked their curiosity but made herself share it never gave them as so many parents do a white lying answer wooed their affections with subtle though innocent art thawed their reserve obtained their love and retained their respect Briefly a female Chesterfield her husband s lover after marriage though not before and the mild monitress the elder sister the favourite companion and bosom friend of both her children **A Perilous Secret**

Charles Reade,2017-05-13 Two worn travellers a young man and a fair girl about four years old sat on the towing path by the side of the Trent The young man had his coat off by which you might infer it was very hot but no it was a keen October day and an east wind sweeping down the river The coat was wrapped tightly round the little girl so that only her fair face with blue eyes and golden hair peeped out and the young father sat in his shirt sleeves looking down on her with a loving but anxious look Her mother his wife had died of consumption and he was in mortal terror lest biting winds and scanty food should wither this sweet flower too his one remaining joy William Hope was a man full of talent self educated and wonderfully quick at learning anything he was a linguist a mechanic a mineralogist a draughtsman an inventor Item a bit of a farrier and half a surgeon could play the fiddle and the guitar could draw and paint and drive a four in hand Almost the only thing he could not do was to make money and keep it **It Is Never Too Late to Mend** Charles Reade,2017-05-22 This

position is not so enviable as it was Years ago the farmers of England had they been as intelligent as other traders could have purchased the English soil by means of the huge percentage it offered them But now I grieve to say a farmer must be as sharp as his neighbors or like his neighbors he will break What do I say There are soils and situations where in spite of intelligence and sobriety he is almost sure to break just as there are shops where the lively the severe the industrious the lazy are fractured alike This last fact I make mine by perambulating a certain great street every three months and observing how name succeeds to name as wave to wave Readers hardened by the Times will not perhaps go so far as to weep over a body of traders for being reduced to the average condition of all other traders But the individual trader who fights for existence against unfair odds is to be pitied whether his shop has plate glass or a barn door to it and he is the more to be pitied when he is sober intelligent proud sensitive and unlucky **Love Me Little, Love Me Long** Charles

Reade,2017-05-22 NEARLY a quarter of a century ago Lucy Fountain a young lady of beauty and distinction was by the death of her mother her sole surviving parent left in the hands of her two trustees Edward Fountain Esq of Font Abbey and Mr Bazalgette a merchant whose wife was Mrs Fountain s half sister They agreed to lighten the burden by dividing it She should

spend half the year with each trustee in turn until marriage should take her off their hands Our mild tale begins in Mr Bazalgette s own house two years after the date of that arrangement **Put Yourself in His Place** Charles Reade,2017-05-22 Hillsborough and its outlying suburbs make bricks by the million spin and weave both wool and cotton forge in steel from the finest needle up to a ship s armor and so add considerably to the kingdom s wealth But industry so vast working by steam on a limited space has been fatal to beauty Hillsborough though built on one of the loveliest sites in England is perhaps the most hideous town in creation All ups and down and back slums Not one of its wriggling broken backed streets has handsome shops in an unbroken row Houses seem to have battled in the air and stuck wherever they tumbled down dead out of the melee But worst of all the city is pockmarked with public houses and bristles with high round chimneys These are not confined to a locality but stuck all over the place like cloves in an orange They defy the law and belch forth massy volumes of black smoke that hang like acres of crape over the place and veil the sun and the blue sky even in the brightest day But in a fog why the air of Hillsborough looks a thing to plow if you want a dirty job More than one crystal stream runs sparkling down the valleys and enters the town but they soon get defiled and creep through it heavily charged with dyes clogged with putridity and bubbling with poisonous gases till at last they turn to mere ink stink and malaria and people the churchyards as they crawl **Foul Play** Charles Reade,1896 **The Works Of Charles Reade;** Charles Reade,2019-03-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Works of Charles Reade in Sixteen Volumes...* Charles Reade, **The Works of Charles Reade, Volume 11** Charles Reade,2015-10-30 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may
