Plays by Anton Chekhov Second Series By Anton Chekhov Translated with an Introduction by Julius West Anton Pavlovich Chekhov 29 January 1860 15 July 1904 was a Russian playwright and short story writer who is considered to be among the greatest writers of short fiction in history His career as a playwright produced four classics and his best short stories are held in high esteem by writers and critics Along with Henrik Ibsen and August Strindberg Chekhov is often referred to as one of the three seminal figures in the birth of early modernism in the theater Chekhov practiced as a medical doctor throughout most of his literary career Medicine is my lawful wife he once said and literature is my mistress Chekhov renounced the theatre after the disastrous reception of The Seagull in 1896 but the play was revived to acclaim in 1898 by Constantin Stanislavski's Moscow Art Theatre which subsequently also produced Chekhov's Uncle Vanya and premiered his last two plays Three Sisters and The Cherry Orchard These four works present a challenge to the acting ensemble as well as to audiences because in place of conventional action Chekhov offers a theatre of mood and a submerged life in the text The last few years have seen a large and generally unsystematic mass of translations from the Russian flung at the heads and hearts of English readers The ready acceptance of Chekhov has been one of the few successful features of this irresponsible output He has been welcomed by British critics with something like affection Bernard Shaw has several times remarked Every time I see a play by Chekhov I want to chuck all my own stuff into the fire Others having no such valuable property to sacrifice on the altar of Chekhov have not hesitated to place him side by side with Ibsen and the other established institutions of the new theatre For these reasons it is pleasant to be able to chronicle the fact that by way of contrast with the casual treatment normally handed out to Russian authors the publishers are issuing the complete dramatic works of this author In 1912 they brought out a volume containing four Chekhov plays translated by Marian Fell All the dramatic works not included in her volume are to be found in the present one With the exception of Chekhov's masterpiece The Cherry Orchard translated by the late Mr George Calderon in 1912 none of these plays have been previously published in book form in England or America
