**David F. Kuhns**

## Plays Kaiser:

German Expressionist Plays: Gottfried Benn, Georg Kaiser, Ernst Toller, and Others Ernst Schurer, 1997-07-01 This volume in The German Library includes the following authors and plays which best represent the Expressionist movement of the early 20th century Georg Kaiser Gas I and Gas II Ernst Toller Masses and Man Gottfried Benn Ithaka Oskar Kokoschka Murderer the Women's Hope Carl Sternheim The Bloomers Walter Hasenclever The Son Modern Continental Plays Samuel Marion Tucker, 1929 For contents see Author Catalog **Kurt Weill** Jürgen Schebera, 1997-09-01 Examining the life of Kurt Weill this text explores the phases of the composer's life from his childhood as the son of a cantor in the Jewish section of Dessau Germany to his renunciation of Germany in 1933 It also looks at his emigration to America 1935 and his premature death 1950 German Expressionist Theatre David F. Kuhns, 1997-08-28 German Expressionist Theatre The Actor and the Stage considers the powerfully stylized anti realistic styles of acting on the German Expressionist stage from 1916 to 1921 It relates this striking departure from the dominant European acting tradition of realism to the specific cultural crises that enveloped the German nation during the course of its involvement in World War I This book describes three distinct Expressionist acting styles all of which in their own ways attempted to show how symbolic stage performance could be a powerful rhetorical resource for a culture struggling to come to terms with the crises of historical change The examination of Expressionist script and actor memoirs allows for an unprecedented focus on description and analysis of acting itself A Study Guide for "Expressionism" Gale, Cengage Learning, 2016 A Study Guide for Expressionism excerpted from Gale's acclaimed Literary Movements for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Literary Movements for Students for all of your research needs **Historical Fiction. Novels, Plays, Poems. [Memoranda for a Class Catalogue.]** BOSTON, Massachusetts. Public Library, 1871 **The Drama of Ideas** Martin Puchner, 2010-04-14 Most philosophy has rejected the theater denouncing it as a place of illusion or moral decay the theater in turn has rejected philosophy insisting that drama deals in actions not ideas Challenging both views The Drama of Ideas shows that theater and philosophy have been crucially intertwined from the start Plato is the presiding genius of this alternative history The Drama of Ideas presents Plato not only as a theorist of drama but also as a dramatist himself one who developed a dialogue based dramaturgy that differs markedly from the standard Aristotelian view of theater Puchner discovers scores of dramatic adaptations of Platonic dialogues the most immediate proof of Plato's hitherto unrecognized influence on theater history Drawing on these adaptations Puchner shows that Plato was central to modern drama as well with figures such as Wilde Shaw Pirandello Brecht and Stoppard using Plato to create a new drama of ideas Puchner then considers complementary developments in philosophy offering a theatrical history of philosophy that includes Kierkegaard Nietzsche Burke Sartre Camus and Deleuze These philosophers proceed with constant reference to theater using theatrical

terms concepts and even dramatic techniques in their writings The Drama of Ideas mobilizes this double history of philosophical theater and theatrical philosophy to subject current habits of thought to critical scrutiny In dialogue with contemporary thinkers such as Martha Nussbaum Iris Murdoch and Alain Badiou Puchner formulates the contours of a dramatic Platonism This new Platonism does not seek to return to an idealist theory of forms but it does point beyond the reigning philosophies of the body of materialism and of cultural relativism *The Double-dealer*, 1923 **Continuum**

**Companion to Twentieth Century Theatre** Colin Chambers, 2006-05-14 International in scope this book is designed to be the pre eminent reference work on the English speaking theatre in the twentieth century Arranged alphabetically it consists of some 2500 entries written by 280 contributors from 20 countries which include not only top level experts but uniquely leading professionals from the world of theatre A fascinating resource for anyone interested in theatre it includes Overviews of major concepts topics and issues Surveys of theatre institutions countries and genres Biographical entries on key performers playwrights directors designers choreographers and composers Articles by leading professionals on crafts skills and disciplines including acting design directing lighting sound and voice *Theatre Arts* Sheldon Cheney, Edith Juliet Rich Isaacs, 1918

*Modernism* Michael Levenson, 2011-10-25 In this wide ranging and original account of Modernism Michael Levenson draws on more than twenty years of research and a career long fascination with the movement its participants and the period during which it thrived Seeking a more subtle understanding of the relations between the period's texts and contexts he provides not only an excellent survey but also a significant reassessment of Modernism itself Spanning many decades illuminating individual achievements and locating them within the intersecting histories of experiment Symbolism to Surrealism Naturalism to Expressionism Futurism to Dadaism the book places the transformations of culture alongside the agitations of modernity war revolution feminism psychoanalysis In this perspective Modernism must be understood more broadly than simply in terms of its provocative works experimental forms and singular careers Rather as Levenson demonstrates Modernism should be viewed as the emergence of an adversary culture of the New that depended on audiences as well as artists enemies as well as supporters *Historical Dictionary of German Theater* William Grange, 2015-06-17

The German language theater is one of the most vibrant and generously endowed of any in the world It boasts long and honored traditions that include world renowned plays playwrights actors directors and designers and several German theater artists have had an enormous impact on theater practice around the globe Students continue to study German plays in dozens of languages and every year scores of German plays are produced in a wide variety of non German venues This second edition of *Historical Dictionary of German Theater* covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 400 cross referenced entries on directors designers producers and movements such as Regietheater post dramatic approaches to theater production the freie Szene of independent non subsidized groups the role of increasingly massive government subsidies and cities whose reputations as centers of

innovation and excellence that have made the German language theater one of the most vibrant anywhere on earth This book is an excellent access point for students researchers and anyone wanting to know more about German Theater **English Drama of the Early Modern Period 1890-1940** Jean Chothia,2016-07-01 The period 1890 1940 was a particularly rich and influential phase in the development of modern English theatre the age of Wilde and Shaw and a generation of influential actors and managers from Irving and Terry to Guilgud and Olivier Jean Chothia s study is in two parts beginning with a portrait of the period setting the narrative context and considering the dramatic social and cultural changes at work during this time It then focuses on some of the main themes in the theatre from Shaw and comedy to the rise of political and radio drama providing an interpretative framework for the period This volume will be of great benefit to students and academics of English literature and drama as it covers the work of the major dramatists of the period as well as considering the dramatic output of literary figures such as James Eliot and Lawrence **Theatre Arts Magazine** ,1922 **Watching TV** Harry Castleman,Walter J. Podrazik,2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline Watching TV provides the context and background to this multi billion dollar enterprise Drawing on decades of research the authors weave together personalities popular shows corporate strategies historical events and changing technologies enhancing the main commentary with additional elements that include fall prime time schedule grids for every season date box timelines highlighted key text and selected photos Full of facts firsts insights and exploits from now back to the earliest days Watching TV is the standard chronology of American television and reading it is akin to channel surfing through history The fourth edition updates the story into the 2020s and looks ahead to the next waves of change This new edition is the first to also be available in a digital format **Theater, Culture, and Community in Reformation Bern** Glenn Ehrstine,2002 This study examines the sociocultural context of Bern s ten Reformation plays authored by Niklaus Manuel and Hans von Rute and argues that Protestant theater was instrumental in creating cultural community among an urban populace estranged from Catholic tradition Theatre Arts Magazine Sheldon Cheney,Edith Juliet Rich Isaacs,1921 The Drama ,1923 *Literary Digest* ,1920 **Encyclopedia of German Literature** Matthias Konzett,2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All

entries conclude with a list of further readings
