**William Anthony Willibrand**

## **Plays Of Ernst Toller A Revelation:**

The Plays of Ernst Toller Cecil Davies, 2013-09-13 This book is the fullest and most detailed study yet published in English of Ernst Toller's plays and their most significant productions. In particular the productions directed by Karl Heinz Martin, Jurgen Fehling and Erwin Piscator are closely analyzed and the author demonstrates how brilliant though they were they obscured or even distorted Toller's intentions. The plays are seen as eminently stage worthy while worth lies in Toller's use of language both in prose and verse. The neglected puppet play *The Scorned Lovers' Revenge* is analyzed from a new perspective in the light both of its language and its sexual theme so important in Toller's writings as a whole. The reader is led to appreciate why Toller was regarded as the most outstanding German dramatist of his generation until after his death in 1939 his reputation was overlaid by that of Brecht. This book should do much to restore Toller to his proper place in theatre history.

Anarchism in the Dramas of Ernst Toller Michael Ossar, 1980-06-30 This study shows how politics and art intermingled in the life and works of one of the most renowned playwrights of German Expressionism, a man who was in many senses paradigmatic of the non-communist Left in the Weimar Republic. Toller sought to preserve the sanctity of the individual against collectivist assaults from the Right and from the Left but at the same time to meet the needs of a complex society. Ossar demonstrates that the playwright arrived at solutions that were anarchist in nature deriving from a long European tradition. This is the first in-depth book-length study of Toller and his plays published in English.

**German Expressionist Plays: Gottfried Benn, Georg Kaiser, Ernst Toller, and Others** Ernst Schurer, 1997-07-01 This volume in The German Library includes the following authors and plays which best represent the Expressionist movement of the early 20th century: Georg Kaiser *Gas I* and *Gas II*; Ernst Toller *Masses and Man*; Gottfried Benn *Ithaca*; Oskar Kokoschka *Murderer*; the *Women's Hope*; Carl Sternheim *The Bloomers*; Walter Hasenclever *The Son*.

Ernst Toller and German Society Robert Ellis, 2013-10-10 During the years of Weimar and the Third Reich Toller was one of the more active of the other Germany's left-wing intellectuals. A leader of the Bavarian Soviet of 1919 he had in addition won the Kleist prize and was recognized as one of Germany's best playwrights. Indeed during the years of the Weimar Republic the popularity of his works was unquestioned. His first play *Die Wandlung* was soon sold out and required a second edition; his dramatic works and poems were translated into twenty-seven languages. During the 1920s it was said that he dominated the German and Russian theatre and that he was the most spectacular personality in modern German literature. It was common for contemporaries to classify him as one of the foremost German writers of the Weimar era. During the 1930s as an exile he popularized to foreign audiences the idea of the other Germany and became a leading spokesman against Hitler. However it is Toller the social critic rather than Toller the dramatist with which this book is concerned: his ideas, his visions for Germany and Europe as transmitted in his works of fiction and prose. The book reflects on the responsibility an intellectual critic has when writing about a democratic society: the Weimar Republic that is unsuccessfully balancing between survival and annihilation. Toller

was furthermore a Jewish intellectual How did his religious traditions shape his views He was also German and this raises a whole host of specifically Germanic patterns of looking at the world He was also a left wing intellectual and Toller is set in the broader context of left wing intellectuals in Weimar and the Nazi era A related reflection is to ask so what What difference did it make How much of an influence do intellectuals have in the development of society What is the relationship between intellectuals and their readers in a troubled society     Revolutionary Socialism in the Work of Ernst Toller Richard Dove,1986 Ernst Toller s dramas are the product of reflection on his political experience This study analyses his ideology of revolutionary Socialism and its articulation in his literary work It adopts a chronological approach placing great importance on primary sources It also takes a synoptic view of his work in which his public speaking political journalism and documentary prose are shown to complement and clarify the better known dramas It demonstrates that the creative tension in Toller s work often consciously transposed into the dialectic of dramatic conflict is one of political ideas of Anarchism and Marxism idealism and materialism voluntarism and determinism     **Toller: Plays One** Ernst Toller,2000 Ernst Toller was the most prominent of the German Expressionist playwrights Transformation is a poetic distillation in stations of the author s conversion from patriot to pacifist in the First World War In *Masses Man* utopian socialist realism clashes with Leninist revolutionary violence With *Hoopla We re Alive* Toller espoused new sobriety and presented a contemporary political cross section of Berlin     *Man and the Masses (Masse Mensch)* Ernst Toller,1924 Set during wartime this play shows a workers committee deciding to strike to enforce peace and secure a fair society Sonja Irene wife of a disapproving bourgeois has joined the committee and finds her strike call disputed by an anonymous opponent who insists that the utopia of lasting peace and social justice can only come through violent revolution She is unable to prevent violence and the subsequent shooting of an enemy soldier She is captured in the ensuing battle refuses help from her husband and from her anonymous former opponent because she would have to kill a warden to escape and is executed This reveals in Richard Dove s words the strong vein of determinism increasingly evident in Toller s work The play is written as a vision containing real and dream scenes in which the banality of real life situations is contrasted with the utopia of a new society to come The problems of the political resolve needed for mass action are examined dialectically through the central character who is portrayed both as a real life person and as an abstract figure All the central oppositions remain unresolved with the reality of revolution in conflict with noble ideals expressed in abstract argument Moral principle is set against revolutionary expediency and expressed in a clash between ethical socialism and applied Marxism The individual here has to show the way the mass can only achieve ethical freedom through an act of limited violence Despite many Expressionist features the involvement with political argument lifts the play beyond propaganda and ideology The central figure becomes a new woman and combines a hard headed understanding of her companions with a vision for the future what when how com     The Theater of Trauma Michael Cotsell,2005 The Theater of Trauma is a groundbreaking rereading of the relations between psychology and drama

in the age of Eugene O'Neill, Susan Glaspell and their many brilliant contemporaries. American modernist Theater of Trauma drew its vision from the psychological investigation of trauma and its consequences among them hysteria and dissociation made by French and American psychiatrists such as the great Pierre Janet, Alfred Binet, William James, Morton Prince and W. E. B. Du Bois, the European and American dissociationist culture that developed around their work and the resulting trauma of World War I. American dramatists' deep resistance to Freud's suppression of trauma challenges the equation of Freud and modernism that has become commonplace in modernist criticism.

*Rush Rhees on Religion and Philosophy* Rush Rhees, 1997-07-03 A collection of unpublished papers by Rush Rhees, pupil and close friend of Wittgenstein. **Ernst Toller and His Ideology** William Anthony Willibrand, 1945 *Seven Plays - Comprising, The Machine-Wreckers, Transfiguration, Masses and Man, Hinkemann, Hoppla! Such is Life, The Blind Goddess, Draw the Fires!* Ernst Toller, 2014-04-15 The plays collected within this volume are social dramas and tragedies. They bear witness to human suffering and to the vain struggles to vanquish this suffering. Four of these plays were written in prison; others were banned. This early work by Ernst Toller was originally published in 1934; we are now republishing it with a brand new introductory biography.

The Apocalypse and the Shape of Things to Come Frances Carey, 1999-01-01 The Book of Revelation's legacy of visual imagery is evaluated here from the 11th century to the end of World War 2. Illuminated manuscripts, books, prints and drawings of apocalyptic phases are examined.

A Companion to the Literature of German Expressionism Neil H. Donahue, 2005 New essays examining the complex period of rich artistic ferment that was German literary Expressionism. **An Indian Tartuffe** Prahlad Keshav Aatre, 2006 Molière's Tartuffe gehört zu den populärsten Theaterstücken Europas nicht ohne Grund, denn Heuchler insbesondere religiös enttarnt zu sehen ist ein Vergnügen der besonderen Art. Auch in Indien bestand zu keiner Zeit ein Mangel an entsprechenden Studienobjekten, so dass die Adaptation des Stücks durch P. K. Aatre einem der bekanntesten Autoren des indischen Bundesstaats Maharashtra aus dem Jahr 1963 gut in das Bild kritischer Texte und volkstümlichen Witzes seit dem indischen Mittelalter passt. Die sudasiatische Tartuffe-Version ist für westliche Leser aus verschiedenen Gründen reizvoll. Tartuffes indisches Gegenstück ist ein Guru, der gehört einer Spezies an, die inzwischen auch hierzulande anzutreffen ist. Geschickt hat der Autor das französische Szenario des 17. Jh. in das Indien des 20. Jh. eingepasst, natürlich mit einigen charakteristischen Veränderungen. Diese betreffen teils die gesellschaftlichen Verhältnisse, teils die äußeren Formen der Religiosität, von denen auch einige der altherwürdigsten von Atrés Witz nicht verschont bleiben. Um westlichen Lesern den Einstieg in die hinduistische Welt zu erleichtern, sind der Übersetzung ausführliche Noten und eine Einführung beigegeben. Für diejenigen, die ihre Kenntnisse des Marathi der Sprache Maharashtras aufbessern wollen, enthält der Band zusätzlich das Original des Stücks. Molière's Tartuffe is one of the most popular plays of Europe not without reason because it is a pleasure of the special kind to see unmasked hypocrites religious in particular. As is the case in Europe, a lack of appropriate study objects also never existed in India. The adaptation of the piece by P. K. Aatre, a well-known author of

the Indian Federal State Maharashtra from the year 1963 therefore fits well into the tradition of critical texts and popular jokes since the Indian Middle Ages The South Asiatic version of Tartuffe is delightful for Western readers for different reasons Tartuffe's Indian counterpart is a Guru i.e. he belongs to a species which can be found also in Europe in the meantime With great skills the author has adapted the French scenario of the 17th Century into the India of the 20th Century naturally with some characteristic changes These concern partly social and religious conditions of which even some of the most patriarchal do not remain exempted from Atres jokes In order to facilitate the entrance into the Hindu world for western readers the translation is accompanied by detailed notes and an introduction For those who want to improve their knowledge of the Marathi language Maharashtras the volume contains additionally the original of the piece

**Petersburg, Crucible of Cultural Revolution** Katerina Clark, 1995 One of the most creative periods of Russian culture and the most energized period of the Revolution coincided in 1913-1917 Clark focuses on the complex negotiations among the environment of a revolution the utopian striving of politicians and intellectuals the local culture system and the arena of contemporary European and American culture **Saturday Review of Literature**, 1924 **The Nation**, 1928 **Where She Danced** Elizabeth Kendall, 1984-01-01 *The American Hebrew*, 1926 **The Language of Theatre** Martin Harrison, 1998 Theatre has provided many words and meanings which we use ignorant of their origins in everyday writing and speech This is the first book to explore 2 000 theatre terms in depth in some cases tracing their history over two and a half millennia in others exploring expressions less than a decade old Terms are defined shown in use and cross referenced in ways which will fascinate theatre goers help theatre students and encourage those engaged in the theatre to examine the familiar from new angles

## Embracing the Melody of Phrase: An Mental Symphony within **Plays Of Ernst Toller A Revelation**

In a global taken by monitors and the ceaseless chatter of instant conversation, the melodic beauty and emotional symphony produced by the prepared term often diminish in to the back ground, eclipsed by the persistent noise and disturbances that permeate our lives. Nevertheless, nestled within the pages of **Plays Of Ernst Toller A Revelation** a stunning fictional prize brimming with raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that fascinating masterpiece conducts viewers on an emotional trip, skillfully unraveling the hidden melodies and profound affect resonating within each cautiously crafted phrase. Within the depths of this emotional review, we will examine the book is key harmonies, analyze its enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
