John Goldfarb, Please Come Home William Peter Blatty, 2015-03-24 Blatty's tale concerns John Wrong Way Goldfarb a former college football star who once ran 95 yards for a touchdown in the wrong direction Now a U 2 pilot his plane malfunctions and crashes in the mythical Arab kingdom of Fawzia The country's leader threatens to turn him over to the Soviets unless he agrees to coach a football team At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Not Again...Please Come Home** Susan Capurso, 2001-06-25 It's a fact of life Millions of women are loving millions of men all over the world and struggling with so many of the same issues When you met your knight in shining armor who knew he would like his space so much that he would forget to come home some nights You're not alone For the woman who chooses to love and stay with her man regardless of his weekly disruptions this is the book for you Not Again Please Come Home is intended to help you live with the love of your life while finding ways to bring more peace and light into your own self Keeping your self respect and approaching your situation at hand in a different way will help you feel more confident and help you find the friend in yourself you always knew you had Stop bending over backwards to improve the relationship as it is and instead throw all of the focus on you It's about time A definite night time companion for women to reach for when their man stays out late again Look at your relationship in a whole new light to get the love and the passion back you so deserve Andy and Annie / Please Come Home Dad Eggert Thomsen, 2014-01-15 The Andy and Annie story is about the passing of his first wife They had been married for nearly 60 years It goes from despair to a wonderful happiness with his second wife depicting the fact that life goes on and it can again be happy The Please Come Home Dad story is pure fiction but also shows that despair can turn into happiness and that it is never too late to make a correction in your life *Daddy Won't You Please Come Home?* Robert James Sully, 2023-12-08 At 21 Sam Middlemas was haunted by a recurring dream two little girls of distinct backgrounds beckoning him home He tried to shake it off but the dream persisted It wasn't until he saw his own daughter grow that he recognized her as one of the girls from his visions Tragedy struck when his daughter's life was cut short turning his orderly world into chaos Thrust into an unexpected journey spanning continents Sam seeks answers This gripping tale follows his quest to unravel the mystery of the dream leading to a heart stopping revelation Please Come Home for Christmas Lenora Worth, 2017-10-24 In the air there's a feeling of Christmas and something fishy Her heart ought to be on the naughty list Amy has hardly shown her son around the family horse farm or brushed a thoroughbred before she's fraternizing with the enemy It's been awhile since her husband died since her heart felt this way But after real estate developer Dan Wentworth has been so cozy with her sisters about selling their newly inherited property Amy can't be sure if he's warming up to her Or merely warming her up to the idea of letting the family homestead be bulldozed for a housing development She doesn't want to hurt her sisters but the money from Dan's proposal could go a long way in making single motherhood merry and bright **Bill Bailey, Won't You Please Come**

uncertainty for Romeo Weeping A tuff gruff style exemplifies a courageous man with the gifted mission Romeo Weeping lives in the transition of everyday life He is no more capable of controlling his emotion than he is driven to write The following represent a lifetime of a thousand of literary pieces he has composed it is here you will only begin to understand the why to Romeo Weeping I would venture to guess that as much as we feel we understand this man we are so very wrong He writes not because he needs to he writes to survive the turbulent world in which he attempts to understand I'm not sure after meeting him and editing his work that I understand more than the simple fact that he is compelled to appreciate what little he has controlled of In his own way he understands better than most of us and shares this with an honesty some people would just refuse to accept I hope that he writes forever Edward M. Kennedy: An Oral History Barbara A.

Perry, 2019-01-18 For Kennedy devotees as well as readers unfamiliar with the lion of the Senate this book presents the compelling story of Edward Kennedy's unexpected rise to become one of the most consequential legislators in American history and a passionate defender of progressive values achieving legislative compromises across the partisan divide What

distinguishes Edward Kennedy An Oral History is the nuanced detail that emerges from the senator's never before published complete descriptions of his life and work placed alongside the observations of his friends family and associates The senator's twenty released interviews reveal in his own voice the stories of Kennedy triumph and tragedy from the Oval Office to the waters of Chappaquiddick Spanning the presidencies of JFK to Barack Obama Edward Kennedy was an iconic player in American political life the youngest sibling of America's most powerful dynasty he candidly addresses this role his legislative accomplishments and failures his unsuccessful run for the White House his impact on the Supreme Court his observations on Washington gridlock and his personal faults The interviews and introductions to them create an unsurpassed and illuminating volume Gathered as part of the massive Edward Kennedy Oral History Project conducted by the University of Virginia's Miller Center the senator's interviews allow readers to see how oral history can evolve over a three year period drawing out additional details as the interviewee becomes increasingly comfortable with the process and the interviewer Yet given the Kennedys well known penchant for image creation what the senator doesn't say or how he says what he chooses to include is often more revealing than a simple declarative statement
