**Earth Community, Earth Ethics** Larry L. Rasmussen,1996 In this important new book social ethicist Larry Rasmussen lays the foundations for an approach to faith and ethics appropriate to a community of the earth in all its peril and promise Earth Community Earth Ethics is a comprehensive treatment that synthesizes insights from religion ethics and environmentalism in a single vision for creating a sustainable community Earth Community Earth Ethics is arranged in three parts In the first Rasmussen scans our global situation and brings into relief the extraordinary range of dangers threatening all life on our planet In part two he explores worlds of religion ethics and human symbolism to glean from them the resources for a necessary conversion to earth Finally he sketches a constructive ethic that can guide us out of our present situation

While its principle focus is environmental ethics *Earth Community Earth Ethics* builds on the foundations of international discussions of sustainable development and such books as *The Ecology of Commerce* and *Envisioning a Sustainable Society*. Rasmussen shows how the environmental predicament underscores a variety of crises afflicting modern industrial society in economics in politics in gender and reproductive relations as well as the debates on the very meaning of life itself.
