

The background is a dark collage. At the top, there are three large, semi-transparent portraits of men: on the left, a man with a mustache; in the center, a man with a receding hairline; and on the right, a Black man. Below these, there is a smaller, more detailed image of a crowd of people, some in uniform, possibly police or military, gathered together.

KENNEDY in CHICAGO Vincent Michael Palamara, 2024-10-22 The book represents an exciting visual investigation using rare and never before published documents and photos There has never been a book on the Chicago plot shortly before the Kennedy assassination as well as an in depth look at prior plots and threats A much better understanding of the assassination and the realization that this was not just a random act but the byproduct of a moving crime of prior plots threats and persons of interest One could never believe the official story of the crime of the century the Kennedy assassination ever again

Reasonable Doubt Henry Hurt, 1986 Presents a thorough examination into the unanswered questions surrounding the assassination of President Kennedy **JFK: The French Connection** Peter Kross, 2012-07-24 Ten months after the assassination of John F Kennedy the Warren Commission reported that Lee Harvey Oswald alone killed the president on November 22 1963 in Dallas Texas Oswald had no confederates nor did any foreign power aid him in his deadly deed Case closed However what most Americans do not know is that one day after the assassination the FBI deported a known French assassin a member of the militant anti Charles de Gaulle organization called the OAS Jean Souetre was sent to either Mexico or Canada He was involved in anti de Gaulle terrorist activities in Europe and even tried to recruit the CIA in his efforts to oust the French President During his career he used at least 11 identities including those of two real people Why was a known French assassin in Dallas on the exact day that the president of the United States was killed and what role if any did he play in the monstrous deed This book delves into three major areas of study 1 the investigation of Jean Souetre and the two other men whose identities he used 2 the investigation of the identities of two European assassins QJ WIN and WI ROUGE and their use in the CIA's assassination unit called ZR RIFLE Executive Action and 3 the role of the CIA in the drug trade after World War II Chapters include The First Assassin The Mafia and Uncle Sam The Heroin Trail MKULTRA QJ WIN

shows it impossible for John and Tammy to have had anything to do with the crime of the century LBJ and Conspiracy to Kill Kennedy Joseph P. The Hidden History of the JFK Assassination Lamar Waldron, 2013-10-21 *INSIDE THE CRIME OF THE CENTURY* This fascinating history draws on never before published information to reveal the Mafia conspiracy that led to the assassination of John F Kennedy Answering the questions that have haunted Americans for decades Why and how was JFK murdered *The Hidden History of JFK's Assassination* draws on exclusive interviews with more than two dozen associates of John and Robert Kennedy in addition to former FBI Secret Service military intelligence and Congressional personnel who provided critical first hand information The book also uses government files including the detailed FBI confession of notorious Mafia godfather Carlos Marcello to simply and clearly reveal who killed JFK Using information never published before the book uses Marcello's own words to his closest associates to describe the plot His confession is also backed up by a wealth of independent documentation This book builds on the work of the last Congressional committee to investigate JFK's murder which concluded that JFK was probably assassinated as a result of a conspiracy and that godfathers Santo Trafficante and Carlos Marcello had the motive means and opportunity to assassinate President Kennedy However it also draws on

exclusive files and information not available to Congress that have only emerged in recent years to fully explain for the first time how Marcello and Trafficante committed and got away with the crime of the 20th century **JFK Revisited** James DiEugenio, 2022-07-05 Based on Oliver Stone's documentary JFK Revisited read the transcripts and interviews that will change the way you think about the John F Kennedy assassination JFK Revisited Through the Looking Glass contains the two working original screenplays for Oliver Stone's JFK Revisited both the two hour version Through the Looking Glass and the four hour version Destiny Betrayed These films are the first documentaries to feature the work of the Assassination Records Review Board The Assassination Records Review Board worked from 1994-98 releasing records that the government has classified in whole or in part on the assassination of President John F Kennedy They ended up releasing about two million pages or approximately sixty thousand documents They also pursued an investigation into the autopsy and medical evidence in the JFK case Although their releases and discoveries were quite important to the evidentiary record they received very little exposure in the mainstream media They also released documents relating to Kennedy's foreign policy in both Cuba and Vietnam In the former case these were plans by the Pentagon to create a pretext to invade Cuba In the latter documents proved Kennedy was implementing a withdrawal plan from Vietnam This book is unprecedented It contains a compendium of information originating from the widest range of authorities on the JFK case ever assembled This includes luminaries from several fields pathology surgery ballistics criminal investigation neurology history and journalism Never before have people like forensic pathologist Cyril Wecht criminalist Henry Lee Professor James Galbraith author David Talbot journalist Jefferson Morley intelligence analyst John Newman Professor Robert Rakove and more appeared in one book never have this many illustrious authorities been interviewed about their views on the policies and the assassination of President John F Kennedy The book also includes important witness interviews with Dr Donald Miller about his colleague Malcolm Perry Jim Gochenaur of the Church Committee and Edwin McGehee of both the House Select Committee on Assassinations and the Jim Garrison investigation The combination of this newly released information plus expert interviews changed the database and calculus of the JFK case The scripts are included in this book which were the backbone for Oliver Stone's films It also includes important excerpts from the many interviews which did not make it into the final cuts of the films JFK Revisited will challenge everything you thought you know about the JFK assassination *Correspondence with Vincent Salandria* Michael D. Morrissey, 2007-07-01 Vincent J Salandria a Philadelphia attorney was the first person to publish a critique of the Warren Report He was an intimate and trusted adviser to Jim Garrison and like Garrison has always maintained that the assassination of President Kennedy was a CIA operation in which the U S national security establishment was fully complicit This correspondence touches all the bases a full discussion of all the consequences of this terrible conclusion *The JFK Assassination Debates* Michael L. Kurtz, 2006-11-08 Who killed JFK Ever since that fateful day in Dallas theories about President Kennedy's murder have proliferated running the gamut from the official lone gunman verdict to both serious and

utterly screwball conspiracy theories Michael Kurtz a distinguished historian who has plumbed every crevice of this controversial case for more than thirty years now sums up and critiques four decades of debate while also offering provocative new perspectives Kurtz presents an objective accounting of what we actually know and don't know about the assassination underlining both the logic and the limitations of the major theories about the case He then offers unique interpretations of the physical and forensic evidence and of existing areas of controversy leading him to new conclusions that readers will find hard to dismiss Kurtz shows how the official investigation's egregious mishandling of the crime scene evidence related to virtually every aspect of the case is largely responsible for the lone gunman conspiracy schism that confronts us today Those responsible for that investigation including the Dallas police the FBI and the Warren Commission failed so miserably in their efforts that they would have been laughed off the air if they had been portrayed on any of TV's popular CSI series One of the few experts writing on the subject who actually met Oswald Kurtz also provides new information about the accused assassin's activities around the time of the assassination and about his double life analyzing Oswald's ties to the intelligence community to organized crime and to both anti and pro Castro Cuban activists Mustering extraordinary documentation including exclusive interviews with key figures and extensive materials declassified by the Assassination Records Review Board he both confirms and alters much previous speculation about Oswald and other aspects of the case Who really killed JFK Forty years later most Americans still feel they don't know the truth and that their own government isn't telling them the whole story This book offers a corrective to even the most recent final verdicts and establishes a sound baseline for future research

Watergate: The Hidden History Lamar Waldron, 2013-06-01 A groundbreaking investigation into the events of the Watergate Scandal complete with fascinating new material all exhaustively researched in the author's customary style The New York Observer While Richard Nixon's culpability for Watergate has long been established what's truly remarkable is that after almost fifty years conventional accounts of the scandal still don't address Nixon's motive Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes For the first time the groundbreaking investigative research in Watergate The Hidden History provides documented answers to all of those questions It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions What were the Watergate burglars after And why was Nixon willing to risk his Presidency to get it Watergate The Hidden History reexamines the historical record including new material only available in recent years This includes thousands of

recently declassified CIA and FBI files newly released Nixon tapes and exclusive interviews with those involved in the events surrounding Watergate ranging from former Nixon officials to key aides for John and Robert Kennedy This book also builds on decades of investigations by noted journalists and historians as well as long overlooked investigative articles from publications like Time magazine the Los Angeles Times and the New York Times *Borgata: Clash of Titans* Louis Ferrante,2025-01-07 This epic three volume history of the mafia continues with Borgata Clash of Titans covering 1960 to 1985 as the mob comes into conflict with the American political elite and confronts internal wars that will shake the organization to its foundations The first serious external threat to the mafia s existence in America comes from U S Attorney General Robert F Kennedy who repeatedly expresses his desire to eradicate organized crime in America Kennedy unleashes the full force of the U S Justice Department including a slumbering FBI that Kennedy will drag into the fray to the apparent dismay of long time FBI Director J Edgar Hoover The mafia s unforgiving response is executed by Louisiana don Carlos Marcello along with Florida don Santo Trafficante who together take aim at the attorney general s brother the president of the United States With the president dead and the attorney general out of office things return to normal for the mob but internal problems begin to appear within a number of borgatas shaking the mafia to its core Mobster Joe Valachi becomes the first ever public informant when he testifies before a senate sub committee while Brooklyn mobsters Larry Albert and Crazy Joe Gallo launch an insurrection against the founder and leader of their borgata Joe Profaci While the Gallo Profaci civil war is winding down don Joe Bonanno challenges the mafia s ruling body the Commission in a situation that decides if the Commission s central authority can overpower the autonomy of each individual boss As he did in the first volume of this epic history Louis Ferrante continues to debunk myths while adding new insights into other mafia mysteries such as the feud between mafia capo Anthony Tony Pro Provenzano and union leader Jimmy Hoffa revealing the most plausible scenario of why Hoffa died how he was killed and what happened to his body **Last Resort Beyond Last Resort** Walter

Herbst,2025-04-29 John F Kennedy was an embattled president He was consistently at odds with the Joint Chiefs the CIA the radical right and Fascist groups in America and Western Europe who considered him too weak to contain the spread of communism After the Cuban Missile Crisis the animosity for the young President grew as JFK cracked down on right wing Cuban exile groups in America by preventing them from running sabotage raids against the Cuban mainland Confusion reigned for at the same time Robert Kennedy was putting together a coalition of left wing Cuban exiles to launch a second invasion of Cuba at the end of 1963 Meanwhile a right wing Cuban exile group operating independently of the Kennedys was looking to assassinate JFK which they believed would be a catalyst to compel the United States to invade Cuba with its military in retaliation The plan could have worked because of Lee Harvey Oswald He was a Marxist and Castro supporter who had defected to the Soviet Union in 1959 had renounced his citizenship and had revealed military secrets to the Russians He allegedly tried to shoot right wing General Edwin Walker was a member of the pro Castro Fair Play for Cuba

Committee and in the summer of 1963 he was arrested in New Orleans for handing out pro Castro literature in public He traveled to Mexico City and tried to reach Havana two months before the JFK assassination He wrote a letter to the Russian Embassy in Washington D C upon his return saying he used an alias while he was in Mexico He was measured as 5 9 tall during his autopsy which was two inches shorter than when he left the Marines four years before All this made him the perfect patsy to be used to justify a second invasion of Cuba So why didn t the United States invade Cuba after the JFK assassination when they had the opportunity to do so once and for all The answer to that question is West Berlin the gateway to Western Europe and a city President Kennedy was determined to protect at all costs even if it meant sacrificing Cuba to the Communists And a second invasion of Cuba placed Berlin in jeopardy so it could not be allowed to happen Another group came together in the spring of 1963 made up of CIA right wing Cold War veterans like Allen Dulles James Angleton Henry Hecksher William Harvey and Tracy Barnes These men had fought the Nazis during World War but came to consider them the lesser of two evils compared to the Soviet Union when the war was over And they were hell bent on keeping communism out of Europe by any means possible For over a decade leading up to JFK s Presidency they had collaborated with ex Nazis European Monarchists and French military Fascists in the war against communism to keep Europe safe So it was not surprising that they all came together once again to assassinate President Kennedy not to justify an invasion of Cuba but to prevent that from occurring They knew that if a second invasion of Cuba were to happen the Soviets would take West Berlin which would almost certainly have led to World War III So as a Last Resort Beyond Last Resort this group inevitably concluded that the only choice they had was to remove JFK from power before it was too late And mixed up in the middle of it all was Lee Harvey Oswald

Crime of the Century Michael L. Kurtz, 2013-12-01 Now a classic Michael Kurtz s *Crime of the Century* recounts the assassination of President John F Kennedy on November 22 1963 and provides a detailed critical analysis of the investigations of the Warren Commission and the House Select Committee on Assassinations Kurtz outlines the major areas of controversy about the assassination and sifts all the known evidence before concluding that both official inquiries failed to evaluate the considerable evidence of an assassination conspiracy Kurtz also examines each of the most prevalent conspiracy theories and shows how often they fail to fit the facts This third edition includes a new introduction based on updated information about the assassination since the second edition was published in 1993 including material from the National Archives and several major recent interpretations of the events Drawing on a variety of primary source materials from the National Archives and the FBI s and CIA s declassified assassination files *Crime of the Century* remains a book of importance not only to students of the Kennedy assassination but also scholars of government response to political violence

Dallas 50 Years On: The Murder of John F. Kennedy Blaine Taylor, 2014-03-27 JFK had won the Presidency in 1960 by a razor thin majority and his re election campaign for 1964 was expected to be as close He began it in November 1963 with a kick off multi city four day swing across the important state of Texas It was going unexpectedly well when shots

were fired into his triumphant motorcade in downtown Dallas that ripped history apart changing it forever The assassination of American President John F Kennedy in 1963 came at the very height of both the Cold War following the Second World War and the Pax Americana that was thought to exist at the war s conclusion in 1945 The United States and its allies possessed a far greater number of nuclear weapons than their Soviet adversaries but the latter could unleash World War 3 and a nuclear Armageddon that would destroy them all The sudden and totally unexpected murder in broad daylight in an American city of one of the most popular presidents in history was the murder mystery of the 20th century The Cold War could have become hot and nuclear within minutes The murderer had to be found and vital questions had to be answered quickly Who did it why and who ordered Kennedy s assassination Was the deed part of a conspiracy foreign domestic or both Were none of the these questions part of the bloody puzzle and was it entirely possible that only one man was responsible The questions remain to this very day and Dallas Fifty Years On The Murder of John F Kennedy reveals sensational new evidence eyewitness accounts and top secret documentation

The JFK Assassination James DiEugenio,2018-05-01 In this updated and revised edition James DiEugenio dissects the new Oscar nominated film The Post and how it disingenuously represents the Pentagon Papers saga to the detriment of the true heroes of the operation The story of the film stems from the failed attempt of Academy Award winning actor Tom Hanks and producer Gary Goetzman to make Vincent Bugliosi s mammoth book about the Kennedy assassination Reclaiming History into a miniseries He exposes the questionable origins of Reclaiming History in a dubious mock trial for cable television in which Bugliosi played the role of an attorney prosecuting Lee Harvey Oswald for murder and how this formed the basis for the epic tome JFK The Evidence Today lists the myriad problems with Bugliosi s book and explores the cooperation of the mainstream press in concealing many facts during the publicity campaign for the book and how this lack of scrutiny led Hanks and Goetzman cofounders of the production company Playtone to purchase the film rights DiEugenio then shows how the failed film adapted from that book entitled Parkland does

not resemble Bugliosi's book and examines why. This book reveals the connections between Washington and Hollywood as well as the CIA influence in the film community today. It includes an extended look at the little-known aspects of the lives and careers of Bugliosi, Hanks, and Goetzman. JFK: The Evidence Today sheds light on the Kennedy assassination, New Hollywood, and political influence on media in America. *JFK - The Conspiracy and Truth Behind the Assassination* John Hughes-Wilson, 2023-10-26. The killing of US President John F. Kennedy in Dallas, Texas, in November 1963 sent a shockwave around the world. The charismatic young Democrat was seen as a beacon of hope in the West, but his liberal reforming policies had made him many powerful enemies at home. For sixty years, numerous theories have swirled around this key event in American and world history. Yet whatever the conclusions of the official Warren Report that the President had been assassinated by a lone gunman, Lee Harvey Oswald, many people doubt that to be true. Indeed, President Nixon later admitted on tape that the report was a hoax committed on the American people. John Hughes-Wilson, a former colonel in British Intelligence, has sifted through the millions of words and thousands of pieces of evidence to put together an intelligence assessment of what really happened that dreadful high noon in Dallas in 1963. John Hughes-Wilson highlights the facts behind why Marilyn Monroe had to be silenced, LBJ's corrupt secrets, the Kennedys' secret Cuban coup plans, how the Mafia manipulated politicians and the CIA, and how the assassination was covered up. Reading this astounding book, no one can be in any doubt that JFK's death was not at the hands of a lone deranged gunman but a deadly plot to remove a President who threatened vested interests at home and abroad.
