**Rescue the Tsar** Shay McNeal, 2001 **The Race to Save the Romanovs** Helen Rappaport, 2018-06-26 In this international bestseller investigating the murder of the Russian Imperial Family Helen Rappaport embarks on a quest to uncover the various plots and plans to save them why they failed and who was responsible The murder of the Romanov family in July 1918 horrified the world and its aftershocks still reverberate today In Putin s autocratic Russia the Revolution itself is considered a crime and its anniversary was largely ignored In stark contrast the centenary of the massacre of the Imperial Family was commemorated in 2018 by a huge ceremony attended by the Patriarch of the Russian Orthodox Church While the murders themselves have received major attention what has never been investigated in detail are the various plots and plans behind the scenes to save the family on the part of their royal relatives other governments and Russian monarchists loyal to the Tsar Rappaport refutes the claim that the fault lies entirely with King George V as has been the traditional view for the last century The responsibility for failing the Romanovs must be equally shared The question of asylum for the Tsar and his family was an extremely complicated issue that presented enormous political logistical and geographical challenges at a time when Europe was still at war Like a modern day detective Helen Rappaport draws on new and never before seen sources from archives in the US Russia Spain and the UK creating a powerful account of near misses and close calls with a heartbreaking conclusion With its up to the minute research **The Race to Save the Romanovs** is sure to replace outdated classics as the final word on the fate of the Romanovs [Ace of Spies](#) Andrew Cook, 2011-08-26 [Ace of Spies](#) reveals for the first time the true story of Sidney Reilly the real life inspiration behind fictional hero James Bond Andrew Cook s startling biography cuts through the myths to tell the full story of the greatest spy the world has ever know Sidney Reilly influenced world history through acts of extraordinary courage and sheer audacity He was a master spy a brilliant con man a charmer a cad and a lovable rogue who lived on his wits and thrived on danger using women shamelessly and killing where necessary and unnecessary Sidney Reilly is one of the most fascinating spies of the twentieth century yet he remains one of the most enigmatic until now **The Last Days of the Romanovs** Helen Rappaport, 2009-02-03 The brutal murder of the Russian Imperial family was both a human tragedy and a turning point in world history This work gives a riveting moment by moment account of the last 13 days of their lives b w photo insert
