From Head-Hunters to Church Planters Paul Hattaway, 2006-04-03 The amazing story of revival among Nagas in northeast India **Servolution** Dino Rizzo, 2009 The idea of servolution is a revolution of serving others and this resource provides practical ideas and strategies to get started **THRESHING FLOOR D.I.Y STYLE: A NEW APPROACH FOR A NEW GENERATION; From Harvest To Seed** DR WALTER MASOCHA, 2013-08 The Bible suggests that unbelievers are a crop ready for harvest When harvested they are taken to the threshing floor where husks and chaff are removed to reveal the precious seed Matt 3 11 12 9 35 38 This book develops the concept of Threshing floor by simple reference to a typical suburban town house or mansion with nine floors each of them being a Threshing Floor For various reasons many Christians are uncomfortable to approach someone else for counselling Fatally wounded by fellow Christians whether leaders or not they quietly withdraw from the Church Alternatively they stay put but deeply wounded and hurt they limp along and remain in the Church They become religious This book offers a new innovative D I Y approach to Christian Counselling whereby one approaches others only in the event of failure of the D I Y process Touching on various character and behavioural attributes the Bible is explored to clinically analyse scriptures offering chances for the wounded and those who wound others to get self threshed by the Word of God on different theoretical floors in the House God Psalm 23 6 When fully threshed they serve in God's house with a sweet spirit agape love peace and joy in the Holy Ghost You Can Coach Joel Comiskey, Sam Scaggs, Ben Wong, 2011-01-31 We've entitled this book You Can Coach because we believe that coaching is more about passing on what you've lived and holding others accountable in the process Coaching doesn't require a higher degree special

talent unique personality or a particular spiritual gift We believe in fact that God wants coaching to become a movement We long to see the day in which every pastor has a coach and in turn is coaching someone else In this book you ll hear three coaches who have successfully coached pastors for many years They will share their history dreams principles and what God is doing through coaching Our hope is that you ll be both inspired and resourced to continue your own coaching ministry in the years to come *When Lambs Become Lions* Connie Zeno,2014-05-14 In *When Lambs Become Lions* Connie Zeno reveals a few erroneous narratives the Body of Christ has been operating under These false narratives have shaped Christianity for decades Resulting in God s people having an incorrect view of who we are Many are the descriptions of God s people but none so prevalent as our identification with lambs and sheep These creatures are docile They are easily led astray They are dependent upon their shepherd for protection and direction For far too long we have let the world around us to tell our story While the whole earth waits for the sons of God to rise up and take their righteous place This message is an end time message for an end time people It s time beloved for the lambs to become lions We are called to be transformers and world changers It s time to roar as lions against all that opposes itself against the will of God The Lord is calling His family back to righteousness He is looking for a people who are willing to live for God no matter what Will you answer the call
