Russian Economic Development from Peter the Great to Stalin William L. Blackwell, 1974 **Russia Economic Development from Peter the Great to Stalin** William L. Blackwell, 1974 Peter the Great M.S. Anderson, 2014-06-11 An excellent introduction to the formidable life and career of Peter the Great and his impact on Russia M S Anderson assesses his aims and achievements at home and abroad and examines the pressures and restrictions that shaped his attitudes and limited his actions **Society and Economy in Early Modern Europe, 1450-1789** Barry Taylor, 1989 **The Modernisation of Russia, 1676-1825** Simon Dixon, 1999-07-29 This is the first book to place Russia's long eighteenth century squarely in its European context The conceptual framework is set out in an opening critique of modernisation which while rejecting its linear implications maintains its focus on the relationship between government economy and society Following a chronological introduction a series of thematic chapters covering topics such as finance and taxation society government and politics culture ideology and economy emphasise the ways in which Russia's international ambitions as an emerging great power provoked administrative and fiscal reforms with wide ranging and often unanticipated social consequences This thematic analysis allows Simon Dixon to demonstrate that the more the tsars tried to modernise their state the more backward their empire became A chronology and critical bibliography are also provided to allow students to discover more about this colourful period of Russian history **Peter the Great** Lindsey Hughes, 2008-10-01 Peter the Great 1672-1725 tsar of Russia for forty three years was a dramatic appealing and unconventional character This book provides a vivid sense of the dynamics of his life both public and private and his reign Drawing on his letters and papers as well as on other contemporary accounts the book provides new insights into Peter's complex character giving information on his actions deliberations possessions and significant fantasy world his many disguises and pseudonyms his interest in dwarfs his clowning and vandalism It also sheds fresh light on his relationships with individuals such as his second wife Catherine and his favorite Alexander Menshikov The book includes discussions of Peter's image in painting and sculpture and there are two final chapters on his legacy and posthumous reputation up to the present Events That Changed the World in the Eighteenth Century John E. Findling, Frank W. Thackeray, 1998-01-26 Warfare on three continents empire building and revolution political agricultural and industrial dominate 18th century world history In Europe royal dynasties fought major wars that carved up the map of Europe and the Americas and began the great colonial expansion that dominated the next century But the 18th century also ushered in the Enlightenment which fired the imagination of Europeans and the Industrial and Agricultural Revolutions which changed society and work forever To help students better understand the major developments of the 18th century and their impact on 19th and 20th century history this unique resource offers detailed description and expert analysis of the 18th century's most important events Peter the Great's Reform of Russia the War of the Spanish Succession the First British Empire the War of the Austrian Succession and the Seven Years War the

Enlightenment the Agricultural Revolution the American Revolution the Industrial Revolution the Slave Trade and the French Revolution Each of the ten events is dealt with in a separate chapter Designed for students this unique format features an introductory essay that presents the facts followed by an interpretive essay that places the event in a broader context and promotes student analysis The introductory essay provides factual material about the event in a clear concise and chronological manner that makes complex history understandable The interpretive essay written by a recognized authority in the field in a style designed to appeal to general readership explores the short term and far reaching ramifications of the event An annotated bibliography identifies the most important recent scholarship about each event A full page illustration complements the narrative for each event Three useful appendices include a glossary of names events and terms a timeline of important events in 18th century world history and a listing of ruling houses and dynasties of 18th century Europe This work is an ideal addition to the high school community college and undergraduate reference shelf as well as excellent supplementary reading for social studies and world history courses

The Industrialisation of the Continental Powers 1780-1914 Clive Trebilcock, 2014-07-22 The Industrialisation of the Continental Powers is both a broad survey of the process of European industrialisation from the late eighteenth century to the First World War and also a closely argued comparative economic study of how this process was experienced by different great powers *Great Russian Fair* Anne L

Fitzpatrick, 2016-02-24 **Russia's Bitter Path to Modernity** Alexander Chubarov, 2001-01-01 Will it follow the model of the Western capitalist democracies as those who applied the economic shock therapy of the early 90s hoped or will it chose its own distinct path of development In this history of Russia from 1917 to the present Alexander Chubarov teases out certain themes developed in his previous book on tsarist Russia The Fragile Empire One of the key factors to Russia's distinctiveness is its halfway location in the center of the Eurasian landmass This lends an inevitability to the traditional cultural schism between Westernizing reformers and Slavophiles Neither approach says Chubarov will work on its own Chubarov offers a balanced view abstaining from narrow ideologically biased assessments and examines the triumphs yes and failures of Russia's Soviet development within Russia's own cultural and historical context Without ever minimizing the brutalities of the Soviet period the state terror the collectivizations the labor camps the deportations of whole peoples Chubarov demonstrates much continuity between tsarist and Soviet Russia with the latter often repeating the former's mistakes Russia says Chubarov cannot turn its back on its Soviet experience Far from being a blind alley or aberrant phase the Soviet period was an organic part of Russia history and was largely successful in turning Russia and most of the other Soviet republics into modern states

A History of Russia, Central Asia and Mongolia, Volume II David Christian, 2018-01-08 Provides an all encompassing look at the history of Russia Central Asia and Mongolia Beginning with the breakup of the Mongol Empire in the mid thirteenth century Volume II of this comprehensive work covers the remarkable history of Inner Eurasia from 1260 up to modern times completing the story begun in Volume I Volume II describes how agriculture spread through Inner

Eurasia providing the foundations for new agricultural states including the Russian Empire It focuses on the idea of mobilization the distinctive ways in which elite groups mobilized resources from their populations and how those methods were shaped by the region's distinctive ecology which differed greatly from that of Outer Eurasia the southern half of Eurasia and the part of Eurasia most studied by historians This work also examines how fossil fuels created a bonanza of energy that helped shape the history of the Communist world during much of the twentieth century Filled with figures maps and tables to help give readers a fuller understanding of what has transpired over 750 years in this distinctive world region A History of Russia Central Asia and Mongolia Volume II Inner Eurasia from the Mongol Empire to Today 1260 2000 is a magisterial but accessible account of this area's past that will offer readers new insights into the history of an often misunderstood part of the world Situates the histories of Russia Central Asia and Mongolia within the larger narrative of world history Concentrates on the idea of Inner Eurasia as a coherent ecological and geographical zone Focuses on the powerful ways in which the region's geography shaped its history Places great emphasis on how mobilization played a major part in the development of the regions Offers a distinctive interpretation of modernity that highlights the importance of fossil fuels Offers new ways of understanding the Soviet era A History of Russia Central Asia and Mongolia Volume II is an ideal book for general audiences and for use in undergraduate and graduate courses in world history The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production

The Extraordinary Rise of the Russian Empire Arthur C. Hasiotis, Ph.D., 2018-02-22 The Extraordinary Rise of the Russian Empire By Arthur C Hasiotis Ph D Political and cultural biases must not be allowed to misrepresent historical writings and an accurate representation of the truth Otherwise generations of citizens and leaders will lack the record and guidelines of what actually happened With this fundamental principle underlying the effort Arthur C Hasiotis Ph D gives us an impressive study of Russian history from its beginnings to the present day

emphasizing Russia's relationship of confrontation and cooperation engagement and constraint with the great Western powers Challenging points in the standard historiography this book presents a powerful reinterpretation of important movements and events As such it is far from a dry history but dives into a number of topical controversies and key geopolitical questions which will keep readers both piqued and informed Comes with an extensive subject ordered bibliography and thorough panoply of documentation *Longman Companion to Imperial Russia, 1689-1917* David Longley, 2014-07-30 This is the first book of its kind to draw together information on the major events in Russian history from 1695 to 1917 covering the eventful period from the accession of Peter the Great to the fall of Nicholas II Not only is a vast amount of material on key events and topics brought together but the book also contains fascinating background material to convey the reality of life in the period Russia and Eastern Europe, 1789-1985 Raymond Pearson, 1989 A/AS Level History for AQA Russia in the Age of Absolutism and Enlightenment, 1682-1796 Student Book John Oliphant, 2016-04-14 A new series of bespoke full coverage resources developed for the AQA 2015 A/AS Level History Written for the AQA A/AS Level History specifications for first teaching from 2015 this print Student Book provides full coverage of the Russia in the Age of Absolutism and Enlightenment 1682-1796 Breadth component Completely matched to the new AQA specification this full colour Student Book provides valuable background information to contextualise the period of study Supporting students in developing their critical thinking research and written communication skills it also encourages them to make links between different time periods topics and historical themes **Agrarian Reform in Russia** Carol S. Leonard, 2010-12-06 This book examines the history of reforms and major state interventions affecting Russian agriculture the abolition of serfdom in 1861 the Stolypin reforms the NEP the Collectivization Khrushchev reforms and finally farm enterprise privatization in the early 1990s It shows a pattern emerging from a political imperative in imperial Soviet and post Soviet regimes and it describes how these reforms were justified in the name of the national interest during severe crises rapid inflation military defeat mass strikes rural unrest and or political turmoil It looks at the consequences of adversity in the economic environment for rural behavior after reform and at long run trends It has chapters on property rights rural organization and technological change It provides a new database for measuring agricultural productivity from 1861 to 1913 and updates these estimates to the present This book is a study of the policies aimed at reorganizing rural production and their effectiveness in transforming institutions *Events That Formed the Modern World* Frank W. Thackeray, John E. Findling, 2012-05-31 This comprehensive five volume set contains readable essays that describe and interpret the most important global events since the European Renaissance some accompanied by related document excerpts and primary source materials What were the effects of the Age of Exploration on today's ethnic groups and social structure How did the development of moveable type pave the way for Facebook and Twitter Why is the Reformation so critical for understanding today's religious controversies This set will help readers answer these questions by exploring the most significant historical

events of the modern world This five volume set covers times from the Renaissance to the present Each volume focuses on a specific historic period and examines 12 events within those time frames that changed the world Each entry provides an introduction that lays out factual material in a chronological manner an in depth essay interpreting the event s significance and an annotated bibliography of the most important current works on the topic Select entries are followed by primary sources pertaining to the event under consideration such as diary entries Targeted to both general readers as well as entry level university students this book also directly supports high school and undergraduate curricula allowing students to identify and contextualize events in order to think critically about their causes aftermath and legacy *Power Restructuring In China And Russia* Mark Lupher,2018-02-12 The massive economic transformations and political upheavals that have been sweeping China and the Soviet Union in the final decades of the twentieth century are among the great dramas of our time Yet the origins of these revolutionary changes are murky and their outcomes unclear Have we witnessed the demise of an archaic authoritarian order and the rise of pluralism and democracy or are the tumultuous events of the post Mao era and the period of perestroika more usefully viewed in light of broader patterns of power and politics in Chinese and Russian history Considering these questions with a new interpretation of power relations and political processes in China and Russia Mark Lupher explores the imperial era the communist period and the current situation in both countries Rather than speaking of reform which too often is understood as liberalization along Western lines his discussion is focused on power restructuring the ebb and flow of state power the centralization and decentralization of political and economic power and the three way struggles between central rulers various elites and nonprivileged groups that drive these processes Lupher s power restructuring analysis is noteworthy in combining broad comparative historical analysis and conceptualization with a closely focused discussion and reinterpretation of the Chinese Cultural Revolution the core of his book By comparing and bringing new light to bear on a series of pivotal episodes in Chinese and Russian history he furthers our understanding and assessment of processes that will continue to unfold in China Russia and the former Soviet republics **Revolution and Reform in Russia and Iran** Ghoncheh Tazmini,2012-03-30 The Russian Revolutions of 1917 and the Iranian Revolution of 1979 are two examples of dramatic sudden and extraordinary political upheaval that significantly altered the nature of the state and society in the modern age Here Ghoncheh Tazmini provides an unprecedented comparative study of these two major revolutions of the twentieth century which although removed from each other both spatially and temporally have striking similarities Examining the roots events and impact of these two defining upheavals Tazmini analyses how they resemble each other stressing the continuity of the dilemma of modernisation for the Romanov Pahlavi Communist and Islamist rulers alike This book is a significant contribution to both historical and contemporary debates concerning Russian and Iranian politics and to the discourse on the origins and consequences of modernisation and revolution themselves
