,1985-05-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1985-05-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Sagebrush Trail Richard Aquila,2015-04-16 The Sagebrush Trail is a history of Western movies but also a history of twentieth century America Richard Aquila s fast paced narrative covers both the silent and sound eras and includes classic westerns such as Stagecoach A Fistful of Dollars and Unforgiven as well as B Westerns that starred film cowboys like Tom Mix Gene Autry and Hopalong Cassidy The book is divided into three parts Part 1 traces the birth and growth of Westerns from 1900 through the end of World War II Part 2 focuses on a transitional period in Western movie history during the two decades following World War II Finally part 3 shows how Western movies reflected the rapid political social and cultural changes that transformed America in the 1960s and the last decades of the twentieth century The Sagebrush Trail explains how Westerns evolved throughout the twentieth century in response to changing times and it provides new evidence and fresh interpretations about both Westerns and American history These films offer perspectives on the past that historians might otherwise miss They reveal how Americans reacted to political and social movements war and cultural change The result is the definitive story of Western movies which contributes to our understanding of not just movie history but also the mythic West and American history Because of its subject matter and unique approach that blends movies and history The Sagebrush Trail should appeal to anyone interested in Western movies pop culture the American West and recent American history and culture The mythic West beckons but eludes Yet glimpses of its utopian potential can always be found even if just for a few hours in the realm of Western movies There on the silver screen the mythic West continues to ride tall in the saddle along a sagebrush trail that reveals valuable clues about American life and thought **Ghost Towns** Clint

Thomsen,2012-07-20 Tombstone Bodie St Elmo Silver City these are some of the most famous of the Old West ghost towns and mining camps that dot America s landscape and provide hints to the country s history But literally thousands more are

scattered throughout the West with some states boasting hundreds of abandoned boomtowns Attracting thousands of visitors every year many of these are protected by public and private parties alike and visits are carefully regulated in order to preserve these valuable historical relics Clint Thomsen describes various types of ghost town explains their histories and outlines ongoing research and archaeological study into decaying towns and mining camps **The Old West in Fact and Film** Jeremy Agnew,2012-11-15 For many years movie audiences have carried on a love affair with the American West believing Westerns are escapist entertainment of the best kind harkening back to the days of the frontier This work compares the reality of the Old West to its portrayal in movies taking an historical approach to its consideration of the cowboys Indians gunmen lawmen and others who populated the Old West in real life and on the silver screen Starting with the Westerns of the early 1900s it follows the evolution in look style and content as the films matured from short vignettes of good versus bad into modern plots *A Fistful of Icons* Sue Matheson,2017-07-07 After a century of reinvention and frequently reinterpretation Western movies continue to contribute to the cultural understanding of the United States And Western archetypes remain as important emblems of the American experience relating a complex and coded narrative about heroism and morality masculinity and femininity westward expansion and technological progress and assimilation and settlement In this collection of new essays 21 contributors from around the globe examine the cowboy cool iconography of film and television Westerns from bounty hunters in buckskin jackets to denizens of seedy saloons and lonely deserts from Cecil B DeMille and John Ford to Steve McQueen and Budd Boetticher Jr
