Innocent and quiet is how everyone sees her I did too But the world has underestimated her She can't stand any man's touch except mine Once she has it there isn't anything else she craves And I'm unable to resist any of her wishes But powerful men see her innocence They will do anything to have her And there's nowhere to run except straight into the pit of the fire We'll both have to do things we despise No amount of training can prepare for the evil in front of us And I have to break her She knows it She agreed to it She convinced me it's the only way out Somehow we have to survive escape and put each other back together Hopefully all the pieces fit again RISKS OF TEMPTATION is the sixth jaw dropping installment in the BEHIND CLOSED DOORS series Each novel is a stand alone regarding the HEA of the couple but the plot develops with each story This steamy series is for mature readers only and is best if read in order This series may contain situations that may be sensitive for some readers Trigger Warning This book may trigger sexual abuse survivors no descriptive rape scenes
