Parish,2014-11-20 Superstition and Magic in Early Modern Europe brings

together a rich selection of essays which represent the most important historical research on religion magic and superstition in early modern Europe Each essay makes a significant contribution to the history of magic and religion in its own right while together they demonstrate how debates over the topic have evolved over time providing invaluable intellectual historical and socio political context for readers approaching the subject for the first time The essays are organised around five key themes and areas of controversy Part One tackles superstition Part Two the tension between miracles and magic Part Three ghosts and apparitions Part Four witchcraft and witch trials and Part Five the gradual disintegration of the magical universe in the face of scientific religious and practical opposition Each part is prefaced by an introduction that provides an outline of the historiography and engages with recent scholarship and debate setting the context for the essays that follow and providing a foundation for further study This collection is an invaluable toolkit for students of early modern Europe providing both a focused overview and a springboard for broader thinking about the underlying continuities and discontinuities that make the study of magic and superstition a perennially fascinating topic

**Demonology and Witch-Hunting in Early Modern Europe** Julian Goodare,Rita Voltmer,Liv Helene Willumsen,2020-08-11 Demonology the intellectual study of demons and their powers contributed to the prosecution of thousands of witches But how exactly did intellectual ideas relate to prosecutions Recent scholarship has shown that some of the demonologists concerns remained at an abstract intellectual level while some of the judges concerns reflected popular culture This book brings demonology and witch hunting back together while placing both topics in their specific regional cultures The book s chapters each written by a leading scholar cover most regions of Europe from Scandinavia and Britain through to Germany France and Switzerland and Italy and Spain By focusing on various intellectual levels of demonology from sophisticated demonological thought to the development of specific demonological ideas and ideas within the witch trial environment the book offers a thorough examination of the relationship between demonology and witch hunting Demonology and Witch Hunting in Early Modern Europe is essential reading for all students and researchers of the history of demonology witch hunting and early modern Europe

**The Meaning of Witchcraft** Gerald Gardner,2025-09-12 Those of us who use the word witch with all of the pride and fortification that it offers us do so thanks to Gardner s lucid liberating vision Pam Grossman author of Waking the Witch Reflections on Women Magic and Power Often called the father of modern witchcraft Gerald Gardner s life and works were ground breaking in opening the door for the modern revival of Wicca and neo paganism The Meaning of Witchcraft originally published in 1959 was the first sympathetic book written from the point of view of a practicing witch The foundation of magical beliefs Gardner wrote of which witchcraft is a form is that unseen Powers exist and that by performing the right sort of ritual these Powers can be contacted and either forced or persuaded to assist one in some way People believed this in the Stone Age and they believe it consciously or not today It is now well known that most superstition is in fact broken down ritual The meaning of witchcraft is to be found not in strange religious theories about God and Satan but in the deepest levels

of the human mind the collective unconscious and the earliest developments of human society The Meaning of Witchcraft is an enduring and invaluable source book for witches today This Weiser Classics edition includes a new foreword by Pam Grossman author of Waking the Witch In it Grossman revisits the historical role and mixed legacy that Gardner has played in the revival of witchcraft and magic in modern times      **Évangile selon Saint Matthieu** Alfred Durand, 1929      *La Grande revue* ,1927
