Bad Faith Tom Drake-Brockman, 2019-01-18 Jesus was murdered by the Jewish religious leaders whose power base was

the temple of Jerusalem Saul of Tarsus later the Paul of Christianity was one of these and his brand of faith theology mirrored their theology of covenantal entitlement Thus Christianity s basic theological principles derive from those who killed Jesus This is just one of many challenging propositions backed with strong evidence that appear in this book Jesus like most Jews was attuned to faithfulness rather than pure faith to ethical behavior based on human empathy rather than metaphysical beliefs and rituals The central focus of Jesus was hesed the heart of the Jewish covenant with God which linked God s mercy to human compassion and forgiveness making both mutually interactive This hesed forgiveness was anathema to the temple s faux forgiveness and threatened its very existence Therefore Jesus came not to save us but to show us how to save ourselves Reinterpreting a key parable of Jesus in this light the Parable of the Tares Jesus can be most plausibly understood as an incarnation of Adam the original prototype human who God in Genesis appointed to oversee his creation and guide our spiritual evolution His mission was not about any sacrificial death but about establishing the spiritual humanism of Judaic hesed as the central purpose of human existence

Creek Paths and Federal Roads Angela Pulley Hudson,2010-06-10 In Creek Paths and Federal Roads Angela Pulley Hudson offers a new understanding of the development of the American South by examining travel within and between southeastern Indian nations and the southern states from the founding of the United States until the forced removal of southeastern Indians in the 1830s During the early national period Hudson explains settlers and slaves made their way along Indian trading paths and federal post roads deep into the heart of the Creek Indians world Hudson focuses particularly on the creation and mapping of boundaries between Creek Indian lands and the states that grew up around them the development of roads canals and other internal improvements within these territories and the ways that Indians settlers and slaves understood contested and collaborated on these boundaries and transit networks While she chronicles the experiences of these travelers Native newcomer free and enslaved who encountered one another on the roads of Creek country Hudson also places indigenous perspectives squarely at the center of southern history shedding new light on the contingent emergence of the American South
