

## **SAME-SEX MARRIAGE**

*Same-sex "marriage" would further isolate marriage from its procreative purpose*

### **PRO:**

**Marriage is not only for procreation, otherwise infertile couples or couples not wishing to have children would be prevented from marrying.**

So should we also prohibit straight couples from getting married if they're biologically incapable of having kids? What about if they simply don't want kids?

The percentage of married couples with children has been declining over the last 25 years, but couples who don't want kids can still get married. And does adoption count? Because around 19 percent of same-sex couples adopt kids.

Ability or desire to create offspring has never been a qualification for marriage. From 1970 through 2012 roughly 30% of all US households were married couples without children, and in 2012, married couples without children outnumbered married couples with children by 9%. [1] 6% of married women aged 15-44 are infertile, according to the US Centers for Disease Control and Prevention. [2] In a 2010 Pew Research Center survey, both married and unmarried people rated love, commitment, and companionship higher than having children as "very important" reasons to get married, and only 44% of unmarried people and 59% of married people rated having children as a very important reason. [3] Several US presidents never had their own biological children, including George Washington, often referred to as "the Father of Our Country." [4] [5] As US Supreme Court Justice Elena Kagan noted, a marriage license would be granted to a couple in which the man and woman are both over the age of 55, even though "there are not a lot of children coming out of that marriage." [6]

In addition, there are plenty of legal benefits — like hospital visitation rights, joint tax returns, welfare benefits for spouses, and estate inheritance — that married couples enjoy regardless of whether or not they choose to have children. Should the government prevent straight couples from receiving those benefits until they have kids?

*Same-Sex Marriage: Pro and Con* Andrew Sullivan, 2009-06-10 With same sex marriage igniting a firestorm of controversy in the press and in the courts in legislative chambers and in living rooms Andrew Sullivan a pioneering voice in the debate has brought together two thousand years of argument in an anthology of historic inclusiveness and evenhandedness Among the selections included here The 2003 Massachusetts Supreme Judicial Court ruling in support of same sex marriage Justice Kennedy s majority opinion and Justice Scalia s dissent in the 2003 landmark Supreme Court decision striking down anti sodomy laws President George W Bush s call for a Federal Marriage Amendment John Kerry s Senate speech urging defeat of the Defense of Marriage Act Harvard historian Nancy F Cott s testimony before the Vermont House Judiciary Committee Reverend Peter J Gomes on the distinction between civil and religious marriage Stanley Kurtz on the politics of gay marriage Evan Wolfson on the popularity of the right to marry among lesbians and gay men New York Times op ed columnist David Brooks conservative case for same sex marriage Excerpts from Genesis Leviticus and other essential biblical texts Aristophanes s classic theory of same sex love from Plato s Symposium Hannah Arendt on marriage as a fundamental right Camille Paglia s skepticism Representing the full range of perspectives and the most cogent and arresting arguments Same Sex Marriage is essential to a balanced understanding of the most pressing cultural question we face today

**Gay Marriage - The Pros and Cons of the Issue** ViewCaps, 2013-03-07 Gay Marriage That single phrase is enough to spark a passionate debate from either side It s hard to form a view one way or another when there is so much heated opinion for or against it The ViewCaps Pros and Cons series takes a step back and looks at the issue objectively It lays

out only the facts and let s you decide what opinion to take ViewCaps is an imprint of BookCaps Study Guides With each book a issue is objectively analyzed We publish a wide array of topics from baseball and music to science and philosophy so check our growing catalogue regularly to see our newest books      **The Challenge of Same-Sex Marriage** Mark

Strasser,1999-09-30 In November 1998 the Hawaii and Alaska electorates voted to amend their state constitutions so that same sex marriages would not have to be recognized Rather than end the controversy surrounding same sex marriages the passage of these amendments will only spur more litigation because the referenda themselves implicate constitutional guarantees and because amending a state constitution cannot lessen federal constitutional protections Since same sex marriages promote many of the same individual and state interests that opposite sex marriages do states will be unable to justify their same sex marriage bans if those rationales are closely examined When challenged the recent constitutional amendments in Hawaii and Alaska may well be held unconstitutional by the state supreme courts on federal constitutional grounds although ultimately the United States Supreme Court will likely be asked to resolve the relevant issues Suppose that state same sex marriage bans are held not to violate federal constitutional guarantees but that one state nonetheless recognizes such unions The other states will be permitted to refuse to recognize marriages celebrated in that state only if certain conditions have been met Contrary view notwithstanding the law of nature exception will not apply in this case Further even the Defense of Marriage Act will likely not afford states the right to refuse to recognize any and all same sex marriages validly celebrated in sister states      *Same-Sex Marriage* Jeanne Nagle,2010-01-15 Provides information on same

sex marriage and different viewpoints on the issue      **Debating Same-Sex Marriage** John Corvino,Maggie Gallagher,2012-06-01 Taking a point counterpoint approach John Corvino a philosopher and a prominent gay advocate and Maggie Gallagher a nationally syndicated columnist and co founder of the National Organization for Marriage consider key questions about the institution itself What is marriage for Is marriage meant to be a gendered institution Why is the state in the business of sanctioning marriage Where do the needs of children fit in Will legalization of same sex marriage lead to legalization of polygamy Corvino argues that society should support same sex marriage because of its interest in supporting stable households for all its members gay and straight alike Gallagher argues that government recognition of same sex unions as marriages will disconnect marriage from its key public mission furthering responsible procreation while stigmatizing traditional views of sex marriage and family as bigotry Both agree that the issue deserves thoughtful rigorous engagement      **Are We 'persons' Yet?** Kathleen A. Lahey,1999-01-01 In 1929 women were declared persons under the

British North America Act Seventy years later a similar move is afoot to establish constitutional personhood for lesbian gay bisexual transsexual and transgendered people      **Encyclopedia of Gender and Society** Jodi O'Brien,2009 Provides timely comparative analysis from internationally known contributors      **Contemporary Moral Issues** Lawrence M.

Hinman,2016-07-01 Contemporary Moral Issues is an anthology that provides a selection of readings on contemporary social

issues revolving around three general themes Matters of Life and Death Matters of Equality and Diversity and Expanding the Circle which includes duties beyond borders living together with animals and environmental ethics The text contains a number of distinctive high profile readings and powerful narratives including Jonathan Foer's Eating Animals Eva Feder Kittay's On the Ethics of Selective Abortion for Disability and Susan M Wolf's Confronting Assisted Suicide and Euthanasia My Father's Death Each set of readings is accompanied by an extensive introduction a bibliographical essay pre reading questions and discussion questions

**The St. Martin's Guide to Writing** Rise B. Axelrod, Charles R. Cooper, 2010-01-26 This textbook provides instruction in college level rhetoric and writing It offers readings a research manual a handbook and supports a range of approaches to teaching and learning including collaboration visual rhetoric personal writing writing about literature writing in the community and the workplace field research portfolios oral presentations essay exams and ESL It contains step by step guides to writing specific kinds of essays remembering events writing profiles explaining a concept finding common ground arguing a position proposing a solution justifying an evaluation speculating about causes and interpreting stories Because so much college writing requires strong argumentation skills four of the assignment chapters focus on argumentative writing and a separate strategies chapter covers theses reasons and support counterarguments and logical fallacies Three full chapters on research give students useful strategies not only for conducting field library and Internet research but also for evaluating sources deciding whether to quote paraphrase or summarize avoiding plagiarism and documenting sources The authors have included 39 readings by well known authors and various fresh voices including 12 students providing well written examples of the different types of essays and papers that students might be asked to complete

**Philosophy, Ethics, and Public Policy: An Introduction** Andrew Cohen, 2014-09-15 What makes a policy work What should policies attempt to do and what ought they not do These questions are at the heart of both policy making and ethics Philosophy Ethics and Public Policy An Introduction examines these questions and more Andrew I Cohen uses contemporary examples and controversies mainly drawn from policy in a North American context to illustrate important flashpoints in ethics and public policy such as public policy and globalization sweatshops medicine and the developing world immigration marriage family and education same sex marriage women and the family education and Intelligent Design justifying and responding to state coercion torture reparations and restorative justice the ethics of the body and commodification the human organ trade and factory farming of animals Each chapter illustrates how ethics offers ways of prioritizing some policy alternatives and imagining new ones Reflecting on various themes in globalization markets and privacy the chapters are windows to enduring significant debates about what states may do to shape our behavior Overall the book will help readers understand how ethics can frame policymaking while also suggesting that sometimes the best policy is no policy Including annotated further reading this is an excellent introduction to a fast growing subject for students in Philosophy Public Policy and related disciplines

**Homosexuality and Religion** Jeffrey S. Siker, 2006-11-30

Few issues today cause more public and private debate than the interaction of homosexuality and religion. From the question of gay marriage to the place of gays and lesbians within faith communities, religious leaders and lay members must deal with these issues for now and for years to come. What is the historical position of the major denominations? How are people of faith balancing their beliefs? This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay, lesbian, bisexual, and transgendered persons within their communities. This is the most comprehensive volume to date on the intersections between religion and homosexuality.

**Sexualities and Communication in Everyday Life** Karen E. Lovaas, Mercilee M. Jenkins, 2007. Excerpts from foundational work, recent journal articles, and pieces written for this text about the role of communication in the construction and performance of sexualities in interpersonal contexts and public discourses.

**Defending Same-Sex Marriage** Martin Dupuis, William A. Thompson, Traci C. West, 2006-12-30. Today we find ourselves at a crossroads of two powerful, unrelenting currents that are completely at odds with one another. The movement for legal recognition of same-sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples. Progress is being made on many fronts: mayoral action, clergy officiating at same-sex marriage and union ceremonies, state legislative responses, and street protests, to name a few. Meanwhile, opposition to same-sex marriage has also been gathering strength. The struggle is sure to continue unabated for some time to come, pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U.S. Constitution against those who find the basis for marriage between two loving, committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions. Those who believe in extending to same-sex couples the 1,049 rights conferred by marriage, as well as the supportive embrace of religious communities, seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples. This three-volume set clarifies the legal, political, religious, cultural, and social ramifications of same-sex marriage for gay and lesbian couples and their families and friends, and for the general public interested in the future of civil rights in the United States.

**Judicial Review in an Age of Moral Pluralism** Ronald C. Den Otter, 2009-08-31. This book considers how judicial review can be improved to strike the appropriate balance between legislative and judicial power.

*Hegel and Right* Philip J. Kain, 2018-07-11. In this book, Philip J. Kain introduces Hegel's Philosophy of Right by focusing on disagreements both with standard interpretations of his work and with Hegel himself. Arguing that Hegel's justification for punishment ultimately fails, Kain shows how this failure brings into focus the inherent difficulties in justifying punishment at all, thus producing a valuable Hegelian argument against punishment. Whereas many of Hegel's critics have argued that he misunderstands Kant's categorical imperative, Kain argues the opposite: that Hegel has a sophisticated understanding of it and simply attempts to provide a broader ethical context for Kant's position. In addressing these and other questions such as whether Hegel's theory of recognition is properly understood

can provide philosophical support for same sex marriage and whether supporting monarchy over democracy means that Hegel seeks less rather than greater power for the state Kain makes Hegel s work more approachable by drawing out philosophical points of independent importance      **Reader's Guide to Lesbian and Gay Studies** Timothy Murphy,2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report      **The Wiley Blackwell Encyclopedia of Family Studies, 4 Volume Set** Constance L. Shehan,2016-02-29 The Wiley Blackwell Encyclopedia of Family Studies presents a comprehensive interdisciplinary collection of the key concepts trends and processes relating to the study of families and family patterns throughout the world Offers more than 550 entries arranged A Z Includes contributions from hundreds of family scholars in various academic disciplines from around the world Covers issues ranging from changing birth rates fertility and an aging world population to human trafficking homelessness famine and genocide Features entries that approach families households and kin networks from a macro level and micro level perspective Covers basic demographic concepts and long term trends across various nations the impact of globalization on families global family problems and many more Features in depth examinations of families in numerous nations in several world regions 4 Volumes [www.familystudiesencyclopedia.com](http://www.familystudiesencyclopedia.com)      **The Advocate** ,1997-04-15 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States      **Marxism and Education beyond Identity** F. Agostinone-Wilson,2010-10-11 This book seeks to revive dialectical materialist interpretations of sexuality relevant to K 12 settings and society Issues addressed include sexuality and the curriculum theories of the family critiques of postmodernism socialist feminism and activist tactics strategies for organizing in K 12 settings
