Samoa Sketchbook Hamilton Nelson Eustis, 1979 Sketches and accompanying text Samoa, 1996 *A Thumbnail Sketchbook of Samoa* William J. Hixson, 1976 **The cultural & heritage guide for Samoa**, 2025-09-24 **Vanishing Paradise** Elizabeth C. Childs, 2013-05-18 Vanishing paradise offers a fresh take on the modernist primitivism of the French painter Paul Gauguin the exoticism of the American John LaFarge and the elite tourism of the American writer Henry Adams Childs explores how these artists wrestled with the elusiveness of paradise and portrayed colonial Tahiti in ways both mythic and modern **Sketch Book** Cumbai, 2019-06-28 The unruly blank college office and school sketchbook and drawing book of Samoa Joe cover The King of Tonga Hamilton Nelson Eustis, 1997 **Pacific Islands Monthly**, 1985 **Tonga** Martin Daly, 2009-02-04 Praise for the first edition Tonga is unique among bibliographies in its perception and understanding and in its affection for Tonga and its people Daly's work stands on exceptionally sound foundations His summaries are excellent indeed but Daly writes always with the authority of first hand knowledge with a keen eye for the essential and the ability to interpret and clarify obscurities A trustworthy introduction to Tonga in all its diversity a splendid point de d part for all layman or scholar needing a reliable guide to the essential literature about this remarkable Polynesian kingdom Bulletin of the School of Oriental and African Studies The book is so arranged that it is easy to locate any of the items listed I found myself spending pleasant hours perusing Daly's comments on the different publications I hope the rumor of a second revised edition of this bibliography is true Journal of the Polynesian Society Tonga is a fascinating and subtle combination of a traditional Polynesian kingdom the only one to survive the impact of colonization in the nineteenth century and remain independent and a thoroughly Christian country This comprehensive bibliography is a selective guide to the most significant and accessible English language books papers and articles on every aspect of the kingdom's history culture arts politics environment and economy It is a much updated and expanded edition of the original version that was published in 1999 as part of the World Bibliographical Series with the addition of more than 200 new entries Each of the approximately 600 described and annotated items is organized under broad subject headings and indexed by author title and subject In addition and new to this edition all known Ph D theses although not annotated are shown within their appropriate subject categories and indexed Also new is a section on the most important Tonga related websites A general introduction describes the Tongan kingdom its history and society and its current situation Tonga A New Bibliography will be an invaluable resource for anyone with a serious interest in Tonga and an indispensable volume for academic libraries reference collections and policy makers focused on the Pacific islands **Fomison** Tony Fomison, 1994 This volume was published on the occasion of the exhibition in 1994 at the Wellington City Gallery There are essays by Ian Wedde Simon During Marianna Torgovnick and Peter Brunt Sulu ape Paulo II provides an article about Samoan tattooing and there is an interview with Fuimaono Tuiasau who was tattooed with Fomison The catalogue reproduces the 104 works from the exhibition several in colour and provides notes

about the exhibits There is a supplementary catalogue listing all known works in alphabetical order Two of Fomison s articles are reprinted and a chronology of Fomison s life and shows is included **South Pacific Bibliography** ,1981

Architecture in the South Pacific Jennifer Taylor,James Conner,2014-07-31 This book recounts the recent development of the South Pacific and the regions fascinating architecture It traces the European architectural overlay onto this scattered group of Islands and their transition toward a regional identity that has been fashioned by the remote location the incomparable setting and the distinctive ethnic mix of its inhabitants Includes many photos **Robert Louis Stevenson's**

Pacific Impressions Carla Manfredi,2018-11-11 This book tackles photography s role during Robert Louis Stevenson s travels throughout the Pacific Island region and is the first study of his family s previously unpublished photographs Cutting across disciplinary boundaries the book integrates photographs with letters non fiction and poetry and includes much unpublished material The original readings of photographs and non fiction highlight Stevenson s engagement with colonial ideology and reality and advance new arguments about Victorian travel settlement and colonialisms in the Pacific Like the Stevensons the book moves from the Marquesas to the atolls of the Gilbert Islands in Micronesia from the Kingdom of Hawai i s political ambitions to Samoan plantations and the Stevensons settlement at Vailima Central to this study is the notion that Pacific history and Pacific Island cultures matter to the interpretation of Stevenson s work and a rigorous historical and cultural contextualization ensures that local details structure literary and photographic interpretation The book s historical grounding is key to its insightful conclusions regarding travel settlement photography and colonialism Index to Australian
