*Send These to Me* John Higham, 1984 Migration immigration urban America **Al-Mughtaribun** Kathleen M. Moore, 1995-01-01 Examines the influence of American law on Muslim life in the United States treating such issues as pluralism and religious toleration immigration and naturalization civil rights Black Muslims and the prisoners rights movement municipal zoning and hate crimes legislation The Cambridge Companion to Willa Cather Marilee Lindemann, 2005-06-09 The Cambridge Companion to Willa Cather offers thirteen original essays by leading scholars of a major American modernist novelist Willa Cather's luminous prose is easy to read yet surprisingly difficult to understand The essays collected here are theoretically informed but accessibly written and cover the full range of Cather's career including most of her twelve novels and several of her short stories The essays situate Cather's work in a broad range of critical cultural and literary contexts and the introduction explores current trends in Cather scholarship as well as the author's place in contemporary culture With a detailed chronology and a guide to further reading the volume offers students and teachers a fresh and thorough sense of the author of *My Antonia* *The Professor's House* and *Death Comes for the Archbishop*

**America's Changing Neighborhoods** Reed Ueda, 2017-09-21 A unique panoramic survey of ethnic groups throughout the United States that explores the diverse communities in every region state and big city Race ethnicity and immigrants lives and identity these are all key topics that Americans need to study in order to fully understand U S culture society politics economics and history Learning about place through our own historical and contemporary neighborhoods is an ideal way to better grasp the important role of race and ethnicity in the United States This reference work comprehensively covers both historical and contemporary ethnic and immigrant neighborhoods through A Z entries that explore the places and people in every major U S region and neighborhood *America's Changing Neighborhoods An Exploration of Diversity* uniquely combines the history of ethnic groups with the history of communities offering an interdisciplinary examination of the nation's makeup It gives readers perspective and insight into ethnicity and race based on the geography of enclaves across the nation in regions and in specific cities or localized areas within a city Among the entries are nearly 200 neighborhood biographies that provide histories of local communities and their ethnic groups Images sidebars cross references at the end of each entry and cross indexing of entries serve readers conducting preliminary as well as in depth research The book's state by state entries also offer population data and an appendix of ancestry statistics from the U S Census Bureau details ethnic and racial diversity Migration Control in the North Atlantic World Andreas Fahrmeir, Olivier Faron, Patrick Weil, 2005 The migration movements of the 20th century have led to an increased interest in similarly dramatic population changes in the preceding century The contributors to this volume legal scholars sociologists political scientist and historians focus on migration control in the 19th century concentrating on three areas in particular the impact of the French Revolution on the development of modern citizenship laws and on the development of new forms of migration control in France and

elsewhere the theory and practice of migration control in various European states is examined focusing on the control of paupers emigrants and ordinary travelers as well as on the interrelationship between the different administrative levels local regional and national at which migration control was exercised Finally on the development of migration control in two countries of immigration the United States and France Taken altogether these essays demonstrate conclusively that the image of the 19th century as a liberal era during which migration was unaffected by state intervention is untenable and in serious need of revision

**Religious Outsiders and the Making of Americans** Robert Laurence Moore, 1986 Examining seven influential groups of religious outsiders Mormons Catholics Jews Christian Scientists Millennialists 20th century Protestant Fundamentalists and African American churches this book finds that despite the American ideal of religious tolerance our nation has long shown suspicion and hostility to many of these groups even though they embody quintessentially American values

**New York Jews and the Great Depression** Beth S. Wenger, 1996-01-01 Challenging the standard narrative of American Jewish upward mobility Wenger shows that Jews of the era not only worried about financial stability and their security as a minority group but also questioned the usefulness of their educational endeavors and the ability of their communal institutions to survive

*Multiculturalism in Transit* Klaus J. Milich, Jeffrey M. Peck, 1998 Given German history and Germany's current substantial non citizenship population it is hardly surprising that multiculturalism with its treatment of the other is as controversial there as in the US Sixteen papers derived from an unspecified conference co hosted by the Center for German and European Studies at Georgetown U Berlin's Humboldt U and the Friedrich Ebert Foundation address theorizing comparisons gender and race American studies in Germany German studies in America and multiculturalism in the transatlantic sphere Annotation copyrighted by Book News Inc Portland OR

**Pluralism and Progressives** Rivka Shpak Lissak, 1989-11-09 The settlement house movement launched at the end of the nineteenth century by men and women of the upper middle class began as an attempt to understand and improve the social conditions of the working class It gradually came to focus on the new immigrants mainly Italians Slavs Greeks and Jews who figured so prominently in this changing working class Hull House one of the first and best known settlement houses in the United States was founded in September 1889 on Chicago's West Side by Jane Addams and Ellen G Starr In a major new study of this famous institution and its place in the movement Rivka Shpak Lissak reassesses the impact of Hull House on the nationwide debate over the place of immigrants in American society

**The Cambridge Companion to Jewish American Literature** Hana Wirth-Nesher, Michael P. Kramer, 2003-06-12 For more than two hundred years Jews have played important roles in the development of American literature The Cambridge Companion to Jewish American Literature addresses a wide array of themes and approaches to the distinct yet multifaceted body of Jewish American literature Essays examine writing from the 1700s to major contemporary writers such as Saul Bellow and Philip Roth Topics covered include literary history immigration and acculturation Yiddish and Hebrew literature popular culture women writers literary theory and poetics

multilingualism the Holocaust and contemporary fiction This collection of specially commissioned essays by leading figures discusses Jewish American literature in relation to ethnicity religion politics race gender ideology history and ethics and places it in the contexts of both Jewish and American writing With its chronology and guides to further reading this volume will prove valuable to scholars and students alike
