Wendell is a little boy, six years old. He lives in the first apartment—on the top floor—of the east wing—of the last one—of the four buildings in the Project. Every time Wendell goes out by himself Mama says, "Don't get lost!" And Wendell goes out often because whenever Mama has an errand for someone to do, the other members of the family are too busy—and so it is always "Send Wendell!"

Then one day Mama's brother, Wendell's Uncle Robert, who has a farm in California, comes for a visit. After that Wendell is as loving and lovable as ever, but he now has something more important to do.

Here is a warm, family story that young boys and girls will find specially rewarding.
