Senior Management Teams In Primary Schools:

Senior Management Teams in Primary Schools Lynda Huckman, Michael Wallace, 2005-08-17 Senior Management Teams in Primary Schools looks at how positive team work can be achieved within your school and illustrates the benefits it brings

Senior Management Teams in Primary Schools Lynda Huckman, Michael Wallace, 2005-08-17 Recent years have seen dramatic developments in the way schools are structured and much greater emphasis placed on managing your school effectively Every education professional knows how demanding these new methods can be but they can also reinforce a sense of purpose and control Senior Management Teams in Primary Schools looks at how positive teamwork can be achieved within your school and illustrates the benefits it brings Most teachers involved in managing their school will recognise the situations detailed in the case studies contained in the book the forceful head the overworked middle managers the meetings that try to wade through the mountains of administration that face the modern teacher You will find practical advice clear guidelines case studies from schools that are involved in the process of good practice This book will organise you in your approach and ensure that you reap the benefits of teamwork while avoiding the pitfalls *Primary School Leadership in Context* Geoff

Southworth, 2004 In this important new book Geoff Southworth a leading researcher in headship specifically addresses how school size impacts on the role of the headteacher **School Turnaround in Secondary Schools** Coby V. Meyers, Marlene J. Darwin, 2019-12-01 In the continuing quest to turnaround the lowest performing schools rapid and sustainable reform or school turnaround seems most elusive for secondary schools Secondary schools are rife with challenges due to their wide ranging mission and organizational complexity With the continued emphasis on college and career readiness and the vast learning possibilities enhanced by technology our third book in this series Contemporary Perspectives on School Turnaround and Reform focuses on rapid school turnaround and reform in secondary schools In this edited volume researchers and scholars consider the doubly perplexing challenge of school turnaround or the rapid improvement of the lowest performing secondary schools Although there is some evidence that school turnaround policy can impact student achievement scores research across international contexts seldom identifies schools that substantially changed student learning trajectories and sustained them Separately many societies have found improving secondary schools a relatively intractable problem for multiple reasons including school size and complexity the micropolitics of teaching and leading within them and cumulative widening student achievement gaps In combination there are almost no examples of low performing secondary schools turning around The chapters in this book begin to offer some hope about how policymakers practitioners and researchers might begin to reconceptualize how they engage in and undertake the work of rapidly improving low performing secondary schools The authors provide theoretical and conceptual advancements offer lessons learned from both successful and unsuccessful initiatives and address practical issues with potentially accessible ways forward **Leading and Managing**
