Seniority Wage System In The Far East Confucian Influence Over Japan And South Korea:

Seniority Wage System in the Far East Byung Whan Kim,1992 In view of the considerable Confucian influence in both countries compares the relationship between age and wage structure in Japan from 1961 to 1981 and in the Republic of Korea from 1974 to 1984

Seniority Wage System in the Far East Byung Whan Kim,1992 In view of the considerable Confucian influence in both countries compares the relationship between age and wage structure in Japan from 1961 to 1981 and in the Republic of Korea from 1974 to 1984

Wage Differentials: An International Comparison Toshiaki Tachibanaki,2016-07-27 Wages are a vital economic variable in their influence on employment and unemployment and as the main source of personal income affecting both living standards and labour incentives Wage determination is studied here in an international perspective using a common theoretical framework and statistical method through the individual country chapters to reveal similarities and differences between Japan South Korea the United States Canada Australia the United Kingdom Germany and France

An Introduction to Confucianism Xinzhong Yao,2000-02-13 Introduces the many strands of Confucianism in a style accessible to students and general readers

Retirement, Work and Pensions in Ageing Korea Jae-Jin Yang,Thomas Klassen,2010-02-25 Even among the four Asian tigers with their economic miracles during the past several decades that allowed them to join the ranks of the developed nations South Korea is extraordinary As significant as its economic progress from a dirt poor and devastated nation in the 1960s is South Korea s emerging welfare state Although established in a short time and still immature in some aspects its unique East Asian model now faces a population that is aging at an unprecedented rate This book introduces readers to the impact of demographic changes in Korea particularly the impact of these on work retirement and pensions and as importantly provides an explanation for the reforms of public policy in these domains The chapters provide an up to date assessment of aging retirement and pension policies in South Korea and give valuable insights into the diverse aspects of the unprecedented rapid aging The theme of this volume which brings together the foremost Korean scholars and experts is how rapid demographic change in Korea has been a central factor in income security policy for the elderly as well as workplace policies

A Comparative Study of East Asian Capitalism Hong Yung Lee,2014 This book represents an initial attempt to compare China Japan and South Korea three close geographical and cultural neighbors whose developmental trajectories though divergent in the past have been moving more recently toward convergence

Doctoral Dissertations on China and on Inner Asia, 1976-1990 Patricia Polansky,Anna Leon Shulman,1998-10-15 A guide to the thesis literature on China and Inner Asia written between 1976 and 1990 Includes more than 10 000 entries for dissertations in the arts and sciences law medicine theology engineering and other disciplines Entries are grouped in topical chapters and each entry includes bibliographic information and an abstract
