Mental Magic Thomas Welton, 1884 Much of the text deals with the treatment of various illnesses and diseases through the application of mesmerism though there are attempts to utilize spiritual access for empirical purposes The author's intention is to teach readers how to induce a mesmeric state as opposed to explaining the science behind it A number of case studies are provided in which health is attained through the practices described including incidents of sleep induction cure of ulcers rickets colds tooth and earaches the author does advise however that until the reader is more thoroughly acquainted with the science and application of mesmerism not to attempt to cure epilepsy or skin diseases Welton was a surgical instrument maker and spiritualist and along with his wife Sarah claimed to have invented the planchette a fore runner of the Ouija board which is described herein The book was edited by Robert H Fryar a publisher of occult works Fryar includes some of his own material in an appendix as well as a chapter on magical mirrors entitled Treatise on mental magic or an historical and practical treatise on fascination translated from the work of the noted French spiritualist Louis Alphonse Cahagnet Antiquarian bookseller's description

Picture World Rachel Teukolsky, 2020-08-16 The modern media world came into being in the nineteenth century when machines were harnessed to produce texts and images in unprecedented numbers In the visual realm new industrial techniques generated a deluge of affordable pictorial items mass printed photographs posters cartoons and illustrations These alluring objects of the Victorian parlor were miniaturized spectacles that served as portals onto phantasmagoric versions of the world Although new kinds of pictures transformed everyday life these ephemeral items have received remarkably little scholarly attention *Picture World* shines a welcome new light onto these critically neglected yet fascinating visual objects They serve as entryways into the nineteenth century's key aesthetic concepts Each chapter pairs a new type of picture with a foundational keyword in Victorian aesthetics a familiar term reconceived through the lens of new media Character appears differently when considered with caricature in the new comics and cartoons appearing in the mass press in the 1830s likewise the book approaches realism through pictorial journalism illustration via illustrated Bibles sensation through carte de visite portrait photographs the picturesque by way of stereoscopic views and decadence through advertising posters *Picture World* studies the aesthetic effects of the nineteenth century's media revolution it uses the relics of a previous era's cultural life to interrogate the Victorian world's most deeply held values arriving at insights still relevant in our own media age

The Esoteric, 1897 *The Social Construction of Sexuality and Perversion* A. Beckmann, 2009-09-29 This book deconstructs the pathologizing category of

sadomasochism in order to account for the lived realities of consensual SM play emphasizing the connection between the corporeal and the political in contemporary consumer cultures It discusses the homogenization of desire and ownership and use of body and sexual ethics *Popular Music: Popular music analysis* Simon Frith,2004 Popular music studies is a rapidly expanding field with changing emphases and agenda This is a multi volume resource for this area of study *Vicarious Kinks* Ummni Khan,2014-01-01 In *Vicarious Kinks* Ummni Khan looks at the mass of claims that film feminism the human sciences and law make about sadomasochism and its practitioners and the way those claims become the basis for the legal regulation of sadomasochist pornography and practice *Between the Body and the Flesh* Lynda Hart,1998 In this first book length study of lesbian s m Lynda Hart creates a vivid and compelling counterdiscourse to the erotophobic voices in contemporary cultural debates Focusing on a variety of representations from the boundary shattering work of queer performances to the daring conjunction of childhood sexual abuse and perverse desire in the work of Dorothy Allison *Between the Body and the Flesh* situates s m as a lightning rod that stimulates discussions of censorship in the arts the fetishization of sexual paraphernalia recombinations of class race and sexuality and the politics of psychoanalysis

Politics of Sexuality Terrell Carver,Veronique Mottier,2013-03-07 This book recognises sexuality as a mainstream concept in political analysis and explores issues in the politics of sexuality that are highly salient and controversial today These include conceptions of citizenship and nationality linked to gender and sexuality the legislation about the age of consent prostitution and trafficking in women the international politics of population control abortion sexual harrassment and sexuality in the military The international team of contributors provide a wide range of perspectives in a variety of contexts On a national level they offer illustrative case studies from the UK Ireland the Netherlands Spain and Israel among others and on an international plane they cover the European Union the UN Conference on Population and Development and the role of the Vatican as international arbiter Moreover the volume addresses the interaction between political discourse and the work of major theorists such as Weber Freud Foucault Irigaray and Butler
