## **Sensuous Spirituality Out From Fundamentalism:**

**Sensuous Spirituality** Virginia R. Mollenkott, 1992 A well known Evangelical feminist shares the story of her own journey to spiritual awareness Mollenkott shares her view of the self and the Divine that is sensuous and mystical that recognizes the beauty and goodness of the human core and that works for social change from a centered self A Special Illumination Rollan McCleary, 2004 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion **Divine Communion** Jay Emerson Johnson, 2013-10-20 First text to place sexual ethics in a sacramental liturgical context Designed to meet the General Convention mandate for theological reflection around issues of sexuality and marriage Appropriate for study regardless of gender or orientation Before Christian communities try to address sexual ethics the more fundamental theological question demands attention What can sexual intimacy tell us about God This book invites reflection on sexual relationships within a broad theological framework marked by creation fall and redemption These classical hallmarks of Christian faith are proclaimed and enacted at every liturgical celebration of the Eucharist which offers a compelling way to engage the link between sexual intimacy and the longing for God or the hoped for promise of divine communion True Sexual Morality Daniel R. Heimbach, 2004-11-09 Daniel Heimbach examines the biblical teachings on sexual morality as well as four counterfeit views that have crept into our sexually revolutionized society He gives us an in depth look at the moral relativism that has spread through our culture and opens our eyes to the effects that nonbiblical sexual choices have on individuals the family the church and the culture Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high
