An Introduction to English Sentence Structure Andrew Radford, 2020-10-15 This new edition of Andrew Radford's outstanding resource for students is a step by step practical introduction to English syntax and syntactic principles written by a globally renowned expert in the field. Assuming little or no prior background in syntax, Radford outlines key concepts and how they can be used to describe various aspects of English sentence structure. Each chapter contains core modules focusing on a specific topic, a summary recapitulating the main points of the chapter, and a bibliographical section providing references to original source material. This edition has been extensively updated with new analyses, exercise materials, references, and a brand new chapter on adjuncts. Students will benefit from the online workbook which contains a vast amount of exercise material for each module, including self-study materials and a student answerbook for these. Teachers will value the extensive PowerPoints outlining module contents and the comprehensive teacher answerbook which covers all workbook and PowerPoint exercises.

Sentence Structure Nigel Fabb, 2004-11-23 Sentence Structure introduces the evidence for sentence structure and reveals its purpose, is based on a problem-solving approach to language, teaches the reader how to identify word classes such as noun, preposition, and demonstrative, uses simple tree structures to analyse sentences, contains numerous exercises to encourage practical skills of sentence analysis, includes a database and exercises that compare the structure of English with other languages. The second edition of Sentence Structure has been revised and updated throughout and includes new material on tense, aspect, modality, and the verb phrase, whilst the order of topics has been rearranged to improve clarity.

An Introduction to English Sentence Structure International Student Edition Andrew Radford, 2010-02-25 This outstanding resource for students offers a step by step practical introduction to English syntax and syntactic principles as developed by Chomsky over the past 15 years. Assuming little or no prior background in syntax, Andrew Radford outlines the core concepts and how they can be used to describe various aspects of English sentence structure. This is an abridged version of Radford's major new textbook *Analysing English Sentences*, also published by Cambridge University Press, and will be welcomed as a handy introduction to current syntactic theory.

Understanding Sentence Structure Christina Tortora, 2018-07-27 A straightforward guide to understanding English grammar. This book is for people who have never thought about syntax and who don't know anything about grammar but who want to learn. Assuming a blank slate on the part of the reader, the book treats English grammar as a product of the speaker's mind and builds up student skills by exploring phrases and sentences with more and more

complexity as the chapters proceed This practical guide excites and empowers readers by guiding them step by step through each chapter with intermittent exercises In order to capitalize on the reader's confidence as a personal authority on English Understanding Sentence Structure assumes an inclusive definition of English taking dialect variation and structures common amongst millions of English speakers to be a fact of natural language Situates grammar as part of what the student already unconsciously knows Presupposes no prior instruction not even in prescriptive grammar Begins analyzing sentences immediately with the big picture sentences have structure structure can be ambiguous and moves through levels of complexity tapping into students' tacit knowledge of sentence structure Includes exercise boxes for in chapter practicing of skills side notes that offer further tips encouragement on topics being discussed and new terms defined immediately and helpfully in term boxes Applies decades of findings in syntactic theory and cognitive science with an eye towards making English grammar accessible to school teachers and beginning students alike Understanding Sentence Structure An Introduction to English Syntax is an ideal book for undergraduates studying modern English grammar and for instructors teaching introductory courses in English grammar syntax and sentence structure Sentence Structure Azhar ul Haque Sario, 2024-10-31 Unlock the secrets of sentence structure with Sentence Structure Third Edition a comprehensive guide that delves into the intricacies of crafting powerful sentences This book begins with the basics breaking down the simple sentence into its core components and exploring the elegance of brevity It then delves into compound sentences examining the roles of coordinating conjunctions and the musicality of balanced structures The complex sentence is unraveled revealing the power dynamics between independent and dependent clauses while the compound complex sentence combines coordination and subordination to create grand structures The declarative sentence is established as the bedrock of expository writing and the interrogative sentence ignites intellectual exploration The imperative sentence issues directives with clarity and the exclamatory sentence expresses heightened emotions Conditional sentences weave intricate webs of cause and effect and relative clauses enrich noun phrases with additional information The book continues by demonstrating how cleft sentences strategically emphasize specific elements and inverted sentences create rhythm and emotional resonance Parallel structures are unveiled for their elegance and persuasive power while balanced sentences create a profound sense of harmony Periodic sentences build suspense by withholding the main clause until the end and loose sentences capture the unfiltered flow of thought Elliptical sentences invite the reader to fill in the gaps and appositive phrases provide additional information with elegance Absolute phrases paint vivid scenes and interjections capture unfiltered reactions Sentence Structure Third Edition is your ultimate guide to mastering the art of sentence construction enhancing your writing skills and captivating your readers **Sense and System in English Sentences** Rosemary Ann Thompson, 1991 **Sentence Structures: A Comprehensive Guide to Clarity and Style** Pasquale De Marco, 2025-07-11 Embark on a journey of sentence mastery with Sentence Structures A Comprehensive Guide to Clarity and Style your comprehensive guide to crafting powerful and
