S.,2015-07-08 Excerpt from *The Sentimental Calendar Being Twelve Funny Stories* It was the Major that gave them the name and the stories are serious that is I mean them seriously nor are they the less serious for being short or at least it seems to me they are not I think we are all too ready by three fifths to look upon short stories with a certain contempt as we do upon short men Poe was the first man to see otherwise particularly with reference to poems but then Poe was a horrid man most unexemplary and sense while susceptible of gradual absorption is not exactly catching It seems to me this is wrong I think will the reader gently allow me to drop the it seems and I think and other cowardly pseudo politenesses and say what I have to say bluntly not forgetting nor shall I that it is all only what I think and what it seems to me nor calling me presumptuous for plumping out with what little the Lord has put in my head to say For a man s lies come home to roost and his nonsense is pricked in the telling and there are prigs enough in the world already as my Dutch cousin will tell you About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Sentimental Calendar.
