Yeary, 2020-01-20 Jesus call to profound discipleship in the Sermon on

the Mount is too often dismissed as special instructions for only the holiest and most exceptional Christians In The Sermon on the Mount Clifford Yeary challenges us to hear the sermon once again as Christ intended it as our call to follow him whose life illustrated its every ideal Yeary helps us to hear the Sermon on the Mount as a message for each of us a challenge that is our constant call to renewal Commentary study and reflection questions prayer and access to online lectures are included 4 lessons The Sermon on the Mount Gladys Hunt, 2010-12-22 In these Bible studies Gladys Hunt looks at the Sermon on the

Congar, 2010-08-01 Cardinal Yves Congar is universally known and respected as the great ecclesiologist of Vatican II whose seminal ideas helped to reconfigure the landscape of Catholic theology following the council Less well known is his role in

contributing far reaching insights to the emerging liturgical movement in the church This collection represents several of Congar s decisive contributions Reading them makes possible a deeper and more cogent reception of the key ideas of the council documents These texts are at once both erudite and exciting both essential and pastorally incisive There has never been a better time to disseminate these critically important liturgical insights than the present moment **A Deeper Look at the Sermon on the Mount** John Stott,2013-12-16 Building on the foundation of our LifeGuide Bible Study Series A Deeper Look at the Sermon on the Mount takes your study of Jesus sermon to the next level with new tools for growth As you delve into cultural backgrounds make connections across books and engage in group exercises you ll come to a deep grasp of Jesus s vision for life Path of the Purified Heart Laura Dunham,2012-02-01 Path of the Purified Heart traces the classic Christian spiritual journey toward transformation into the likeness of Christ in a unique fascinating way Drawing on the voices of wise elders from the past and present Dunham illumines the common path all Christians and spiritual seekers may take toward union with God Through the motifs of the liturgical year and the labyrinth the author weaves in her own journey on this path during her year of purification **Preaching the Beatitudes for the Glory of God** Landis Brown,2025-01-21 For far too long the Beatitudes have been misunderstood as a daunting checklist of requirements for believers to meet to gain the promises at the end of each statement Preaching the Beatitudes with this interpretation places unnecessary pressure upon believers to meet such high standards Help believers break free from the burden of trying to make their lives match the Beatitudes by showing them that in Christ they already fulfill them This book aims to help preachers preach the Beatitudes as a vibrant profile of believers already in Christ Each Beatitude is not a duty to fulfill but a promise to claim promises that allow the believer to live in a state of flourishing in the present not waiting till they reach heaven In these perilous times believers need reminding of their identity in Christ and the promises that come with it Through an in depth exploration of the Greek word makarios this book illuminates Christ s intent when giving the Beatitudes to his disciples showing how every believer can live in flourishing state due to the present and future promises Christ gives in each statement May readers rediscover the promises and assurance Jesus gives to all believers at the beginning of the greatest sermon ever preached the Sermon on the Mount Presbyterian Banner ,1902
