My Brother's Keeper: a Servant's Heart Tariék Gahiji, 2022-06-06 Though the qualities that qualify a leader can be numerous there is one quality if lacking would certainly disqualify one as a true leader And that is a sincere desire to serve This service can come in many ways but most importantly it is having a genuine concern for people It's very tempting as a leader to fall victim to self gratification with all the superficial accolades and tributes given to leaders But true leadership involves unselfishly caring for people Taking on the responsibility of enhancing someone's welfare is a high calling indeed and should not be taken lightly Whatever area of leadership you may find yourself in if you don't possess a sincere concern for others and those around you you're failing as a leader True leaders not only want what's best for their followers but anyone in need We're all cultivators in God's vineyard which spans far beyond the walls of a church building But reaches wherever there is a need to minister to lost and troubled souls My Brother's Keeper is dedicated to providing Godly principles for becoming a better leader and understanding that one main qualification for becoming an effective leader is to have a Servant's Heart
