Ken Wiley

Lucky Sweetbrier Coast Guard Cutter Survives Wwii Okinawa Kamikazes Typhoons And More:

Lucky Sweetbrier Tanney Edward Oberg,2005 The night before a Japanese seaplane under cover of darkness landed on the other side of the harbor unnoticed In the early morning he took off and dove at a liberty ship a short distance off Sweetbrier's port bow The area wasn't even alerted not a single shot was fired He just came over the top of the mountain picked out the liberty ship and dove right into it Men were killed and damage was done Our lookouts saw it all it was a single float seaplane Radio Tokyo summarizing multiple raids on this date claimed that they had sunk one battleship two cruisers and two transports in this harbor it didn't happen Thus ended a busy month of almost daily air raids Frequently there were multiple raids each day and night interrupting our scheduled navigational work During this month of May 1945 there were 68 GQs representing 73 hours and 43 minutes at battle stations Includes chapters on devastating enemy attacks at Okinawa on LST 808 and battleship Pennsylvania **Bloody Okinawa** Joseph Wheelan,2020-03-03 A stirring narrative of World War II's final major battle the Pacific war's largest bloodiest most savagely fought campaign the last of its kind On Easter Sunday April 1 1945 more than 184 000 US troops began landing on the only Japanese home soil invaded during the Pacific war Just 350 miles from mainland Japan Okinawa was to serve as a forward base for Japan's invasion in the fall of 1945 Nearly 140 000 Japanese and auxiliary soldiers fought with suicidal tenacity from hollowed out fortified hills and ridges Under constant fire and in the rain and mud the Americans battered the defenders with artillery aerial bombing naval gunfire and every infantry tool Waves of Japanese kamikaze and conventional warplanes sank 36 warships damaged 368 others and killed nearly 5 000 US seamen When the slugfest ended after 82 days more than 125 000 enemy soldiers lay dead along with 7 500 US ground troops Tragically more than 100 000 Okinawa civilians perished while trapped between the armies The brutal campaign persuaded US leaders to drop the atomic bomb instead of invading Japan Utilizing accounts by US combatants and Japanese sources author Joseph Wheelan endows this riveting story of the war's last great battle with a compelling human dimension **Abandoned Shipmate** Ladson F. Mills, III,2019-01-07 Captain Ernie Blanchard left for work January 10 1995 a successful officer Respected by superiors and subordinates his personal and professional values seemed perfectly aligned with the institution he served the United States Coast Guard By day's end his career was finished At a speaking engagement at the Coast Guard Academy Blanchard's icebreaker a series of time tested corny jokes was met with silence Within hours an investigation was underway into whether his remarks constituted sexual harassment Several weeks later threatened with a court martial he shot himself The author investigates Blanchard's death by political correctness in the context of the turmoil surrounding the U S Armed Forces gender inclusion struggles from the 1980s to the present **Lucky Thirteen** Ken Wiley,2007-02 The images of soldiers and marines coming ashore on hostile shores are embedded in our collective memory of World War II But what of the sailors who manned the landing craft going back and forth under fire with nowhere to take cover their craft the special targets of enemy gunners In this book Ken Wiley a Coast Guardsman on an Attack Transport in

the Pacific relates the intricate often nerve wracking story of how the United States projected its power across 6 000 miles in the teeth of fanatical Japanese resistance Each invasion was a swirl of moving parts from frogmen to fire support transport mother ships to Attack Transports the smaller Higgins boats LCVPs and during the last terrifying stage the courageous men who would storm the beaches The author participated in the campaigns for the Marshall Islands the Marianas the Philippines and Okinawa and with a precise eye for detail relates numerous aspects of landing craft operations such as ferrying wounded that are often discounted He conveys the terror and horrors of war as well as on occasion the thrill while not neglecting the humor and camaraderie of wartime life An exciting book full of harrowing combat action Lucky 13 also provides a valuable service in expanding our knowledge of exactly how World War II s massive amphibious operations were undertaken

Discover tales of courage and bravery in Crafted by is empowering ebook, Unleash Courage in **Lucky Sweetbrier Coast Guard Cutter Survives Wwii Okinawa Kamikazes Typhoons And More** . In a downloadable PDF format (*), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
