Surrender to the Will of the Night Glen Cook, 2010-11-23 Piper Hecht s first and greatest secret is that he knows how to kill gods What s not a secret is that he knows how to win wars Hecht s secrets make him dangerous but his skill and his reputation put him in danger from his enemies who fear what he might do or who want revenge for what he has already done and from his friends who want to use his military gifts for their own purposes His sister Heris and his living ancestor Cloven Februaren the Ninth Unknown have made Hecht part of their fight against the return of

the dark god Kharoulke the Windwalker At the same time the half mad Empress Katrin wants Hecht to lead the armies of the Grail Empire eastward on a crusade against his old co religionists the Praman Meanwhile the world is changing The winters are growing longer and harsher every year and the seas are getting shallower The far north and the high mountain ranges are going under the ice fast The Wells of Power are getting weaker and the old evils the Instrumentalities from the Time Before Time have begun to ooze back into the world Surrender to the Will of the Night is the third book in Glen Cook s phenomenal Instrumentalities of the Night fantasy series As ever the genius of Glen Cook s storytelling lies in his common touch in soldiers who are like real soldiers in men and women who love and laugh and sweat with real hopes and real fears united only in their determination to face the oncoming night At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
