Molasses Making Time:

Time to Lay By Jay Mondy, 2010-12-09 *Time To Lay By* is a collection of short stories some humorous some bizarre but all true For centuries storytellers were the only source of history They told their tales preserving history by handing their stories down from generation to generation Without the storyteller much of history would have been lost *Time To Lay By* recounts a way of life that was common in the Ozark Mountains of Missouri Oklahoma Arkansas and Southeastern Kansas in the not too distant past Once again a part of history has been saved through the words of the storyteller There are stories of legal hangings western men moonshiners bootlegging and many other topics too numerous to mention These long ago stories are as they occurred back in days lost in the pages of time They add to our knowledge of a fascinating region and a way of life nearly forgotten This book isn't just for the historians but for anyone who is curious about the past or simply love a good book
