Unbecoming Mothers Diana Gustafson, 2013-10-08 Learn the who what and why of unbecoming a mother In a society where becoming a mother is naturalized unbecoming a mother the process of coming to live apart from biological children is regarded as unnatural improper or even contemptible Few mothers are more stigmatized than those who are perceived as having given up surrendered or abandoned their birth children Unbecoming Mothers The Social Production of Maternal Absence examines this phenomenon within the social and historical context of parenting in Canada Australia Britain and the United States with critical observations from social workers policymakers and historians This unique book offers insights from the perspectives of children on the outside looking in and the lived experiences of women on the inside looking out Unbecoming Mothers The Social Production of Maternal Absence explores how gender race class and other social agents affect the ways women negotiate their lives apart from their children and how they attempt to recreate their identities and family structures An interdisciplinary international collection of academics community workers and mothers draws upon sources as diverse as archival records a therapist's interview a dance script and the class presentation of a student to offer refreshing insights on maternal absence that are innovative accessible and inspiring Unbecoming Mothers examines five assumptions about maternal absence and the families that emerge from that absence the focus on parenting as highly gendered caring work done by women the idea that women share the same experience of unbecoming mothers and share the same circumstances and background the perception of maternal absence as a recent phenomenon the notion that women who want to manage their mother work will make choices to overcome life's obstacles the Western concept of womanhood being achieved through motherhood and the unrealistic ideal of the good mother Unbecoming Mothers The Social Production of Maternal Absence is a rich multidisciplinary resource for academics working in women's studies psychology sociology history and any health related fields and for policymakers social workers and other community workers **This One's for the Working Mama** Katie T. Alexander, 2019-08-09 Being a working mom in the climate of today's world is the most difficult

job description we will ever tackle Society tells you that you should work harder chase faster achieve more not worry about sacrifices made along the way and just be more The world feeds you lies that if you do all of these things you can have it all If you ve ever come up short you are left with guilt and shame that you must have done something wrong Further perhaps in your community the belief is that women shouldn t work outside the home and you live with guilt over this decision to go against the normal You and I need a space where we can be unapologetically grounded in our decision to be a working mama We need encouragement to be uplifted in the trying days and something to cling to as we curl up on our closet floor tears flowing and releasing the stress of a million things on our shoulders This book is the companion you can take with you on your journey to joy and freedom Through its pages you can lean into the grace and affirmation found in the Bible to write your own job description and start living with your soul on fire
