It's a typical cold November night and Detective Sergeant Dennis Milne, a very atypical policeman, waits in the Traveller's Rest Hotel parking lot for the arrival of three men. Cynical and jaded, Milne earns money on the side by doing what he does best: punishing the bad guys. But this time he's been duped. Instead of blowing away drug dealers, he kills three innocent people, their deaths starting an investigation that sees him and his conscience heading for trouble. Less than twelve hours later, Milne is out on the streets again. Eighteen-year-old Miriam Fox has been found dead by Regent's Canal, her throat slashed. Desperate to find Miriam's killer, Milne uncovers a web of depravity far more shocking than he could ever have imagined. Can he evade arrest for his own crimes and solve a case so sickening that it may provide the key to his personal redemption? The clock is ticking, and everyone's watching their backs as a war of morality is fought in the mind of one renegade policeman. [Business of Dying](#), the gripping first novel by talented young crime writer Simon Kernick. [The Mafia Encyclopedia](#) Carl Sifakis, 2006. More than 500 alphabetical entries provide information on the people, places, and events associated with the Mafia. **Unfinished Business** C.A. Walters, Michael Fen, 2016-07-29. This is the story of two men who were best friends as children and have been separated. A serial killer is loose, calling himself The Hunter. His targets: orderlies in nursing homes who have abused their patients. *Dead Business* Ben Plewes, 2001-11-15. A dead body and a casket used for other purposes lead Claims investigator Steve Fox down a dangerous trail. He complicates things when he becomes infatuated with the wife of the man in a fender bender. Fox is no match for the beautiful Sara. Is she what she seems to be or not? Is her husband into something so big that Steve will be out of his league? This PI wannabe gets the ride of his life. *A Path of Business: My Loyal and Lovely Husband* Yue Wuyan, 2020-04-10. Once she transmigrated, her father did not love her, but her origin body was still a little fool. She was being bullied everywhere. It didn't matter. She Jin Weiwei was smart and had extraordinary strength. She even picked up a little beggar like a treasure and made a fortune along the way. Suddenly one day the little beggar turned into a noble family member. Should she continue to live a leisurely life or accompany him to face the strange royal battle? After the thousand sails were over, he returned to her and joined hands with her. From now on, wherever the Madam goes, I will go.
