Museum Piece:

Museum Piece E.C. Tubb, 2024-10-27 In a distant future a mysterious figure from a forgotten era lives out his rigid beliefs in military dominance and absolute control Observed closely by those around him his obsession with war and power creates an unsettling atmosphere offering a haunting glimpse into humanity's darker tendencies **Museum Piece** Anne Stuart, 2019-08-15 Museum curator Molly McDonough loves her unencumbered San Francisco life Her only problem is her battle with the despicable gorgeous James Elliott who has the most annoying habit of stealing works of art from underneath her nose He didn't respond when she'd made a quiet complaint but his reaction to her errant email is powerful Maybe he thinks that kissing her so expertly that she felt her bones melt was punishment enough How was he to know it had the opposite effect James Elliott is more than ready to admit defeat as long as she stops fighting him every step of the way Clearly they're made for each other and Molly's unencumbered days should be happily numbered Assuming they can learn to get out of their own way Pride goes before a fall and the two of them are about to tumble headlong into a love so deep they'll never get out alive Whether they like it or not [the AK47 catalog volumes 1 - 13 master table of contents and master index](#) Rob Stott, **Museum Ethics in Practice** Gary Edson, 2016-11-25 This volume is a guide to the difficult ethical questions museums work entails While promoting the value of ethical theory and practice in museums Edson tackles several key controversies and also corrects a number of prevailing misconceptions about museum ethics such as the difference between social morals and professional ethics as they relate to the museum context Drawing on the author's extensive teaching experience Museum Ethics in Practice offers clear and practical guidance on the application of ethics to the museum profession Using example driven arguments that incorporate varied case studies from around the world this book is an excellent resource for museum studies students and professionals currently working in museums [Cuneiform Texts in the Metropolitan Museum of Art](#) Metropolitan Museum of Art (New York, N.Y.), Wilfred G. Lambert, Eva Von Dassow, 1988 Volume One 120 ancient Mesopotamian texts from the Metropolitan Museum's extensive collection of cuneiform tablets are published here in a projected multi volume edition Metropolitan Museum of Art website [Medieval Tapestries in the Metropolitan Museum of Art](#) Metropolitan Museum of Art (New York, N.Y.), Adolph S. Cavallo, 1993 A study of the condition subject design manufacture ownership and exhibitions for each tapestry or set of tapestries in the Museum's medieval tapestry collection Metropolitan Museum of Art **Museum Objects** Sandra H. Dudley, 2012 Museum Objects provides a set of readings that together create a distinctive emphasis and perspective on the objects which lie at the heart of interpretive practice in museums material culture studies and everyday life This reader brings together classic and up to date texts on the nature and definition of the object itself the senses and embodied experience of objects No other volume brings together such perspectives in this way and no other volume includes such a focus on the museum context Museum Objects incorporates both theorised and more practical readings from a range of international academic and contextual perspectives

The overall result is a definitive set of readings that offers a comprehensive understanding of objects and their place within the museum context *Fraud, Fakery and False Business* Abigail Harrison Moore, 2011-09-08 In 1922 Adolphe Shrager having made his fortune during the First World War approached the London dealer Basil Dighton for advice on purchasing antique furniture Dighton sold him about five hundred items but shortly afterwards Shrager discovered that one of his collector s pieces was judged to be a fake and grossly over priced and he sued The trial held in early 1923 became a cause celebre but it can be viewed as a case study of a much wider set of social and cultural concerns the fact that Shrager lost both the first trial and the appeal despite demonstrating on numerous occasions that he had a clear case against Dighton raises questions of race prejudice and class where the establishment closed ranks against Shrager the nouveau riche Jew and alleged war profiteer This book the first on the Shrager Dighton case is the result of the author s original archival research
